Loyalist Mosaic A Multiethnic Heritage

Paul Joseph Bunnell

Loyalist Mosaic A Multiethnic Heritage:

Loyalist Mosaic Joan Magee, John S. Dietrich, Mary Beacock Fryer, 1984-01-12 Loyalist Mosaic highlights the ethnic diversity among the Loyalist settlers to Canada by exploring the experiences of 11 extraordinary individuals **A Scandinavian Heritage** Joan Magee, 1996-08-10 A Scandinavian Heritage surveys the numerous contributions made in this area by the people of 5 nations Denmark Norway Sweden Finland and Iceland The history of these people from the first settlers to the present is explored in detail **The Black Loyalists** James W. St. G. Walker, 2017-06-22 There is a Canadian myth about the Loyalists who left the United States after the American Revolution for Canada The myth says they were white upper class citizens devoted to British ideals transplanting the best of colonial American society to British North America In reality more than 10 per cent of the Loyalists who came to the Maritime provinces were black and had been slaves The Black Loyalists tells the story of one such group who came to Nova Scotia but didn't stay James Walker documents their experience in Canada following them across the Atlantic as they became part of a unique colonial experiment in Sierra Leone

Inventing the Loyalists Norman James Knowles, 1997-01-01 Showing that the past is often written into present concerns and that many groups in Ontario both powerful and disempowered have invoked the experience of the Loyalists Knowles significantly revises earlier interpretations of the Loyalist tradition Loyalist Mosaic Joan Magee, 1984-01-12 Loyalist Mosaic highlights the ethnic diversity among the Loyalist settlers to Canada by exploring the experiences of 11 extraordinary individuals **The Loyalist Conscience** Chaim M. Rosenberg, 2018-08-23 Freedom of speech was restricted during the Revolutionary War In the great struggle for independence those who remained loyal to the British crown were persecuted with loss of employment eviction from their homes heavy taxation confiscation of property and imprisonment Loyalist Americans from all walks of life were branded as traitors and enemies of the people By the end of the war 80 000 had fled their homeland to face a dismal exile from which few would return outcasts of a new republic based on democratic values of liberty equality and justice *The Encyclopedia of the Wars of the Early American Republic, 1783-1812* Spencer C. Tucker, 2014-06-11 Relatively little attention has been paid to American military history between 1783 and 1812 arguably the most formative years of the United States This encyclopedia fills the void in existing literature and provides greater understanding of how the nation evolved during this era This encyclopedia offers a comprehensive examination of U S military history from the beginning of the republic in 1783 up to the eve of war with Great Britain in 1812 It enables a detailed study of the Early Republic during which ideological and political divisions occurred over the fledgling U S military The entries cover all the important battles key individuals weapons Indian nations and treaties as well as numerous social political cultural and economic developments during this period The contents of the work will enable readers at the high school college university and even graduate level to comprehend how political parties emerged and how ideological differences over the organization size and use of the military developed Larger global developments including Anglo

American and Franco American interactions relations between Middle Eastern states and the United States and relations and warfare between the U S government and various Indian nations are also detailed The extensive and detailed bibliographies will be immensely helpful to learners at all levels

Hostages to Fortune Peter C Newman,2016-11-01 Esteemed Canadian author Peter C Newman recounts the dramatic journey of the United Empire Loyalists their exodus from America their resettlement in the wilds of British North America and their defense of what would prove to be the social and moral foundation of Canada In 1776 tensions in the British colonies were reaching a fever pitch The citizenry was divided between those who wished to establish a new republic and those who remained steadfast in their dedication to the British Empire As the tensions inevitably boiled over into violence fault lines were exposed as every person was forced to choose a side Neighbours turned against each other Families divided Borders were redrawn The conflict was long and bloody and no side emerged unscathed But there is one story that is often overlooked in the American Revolutionary canon When the smoke from the battles had settled tens of thousands of individuals who had remained loyal to the crown in the conflict found themselves without a home to return to Destitute distraught and ostracized or downright terrorized by their former citizens these Loyalists turned to the only place they had left to go north The open land of British North America presented the Loyalists with an opportunity to establish a new community distinct from the new American republic But the journey to their new homes was far from easy Beset by dangers at every turn from starvation to natural disaster to armed conflict the Loyalists migrated towards the promise of a new future Their sacrifices set the groundwork for a country that would be completely unlike any other Neither fully American nor truly British the Loyalists established a worldview entirely of their own making one that valued steady peaceful and pragmatic change over radical revolution The Loyalists toiled tirelessly to make their dream a reality And as the War of 1812 dawned they proved they were willing to defend it with their very lives In *Hostages to Fortune* Peter C Newman recounts the expulsion and migration of these brave Loyalists In his inimitable style Newman shines a light on the people places and events that set the stage for modern Canada

The Ordinary People of Essex John Clarke,2010 An overview of agricultural practices and land use in early Canada

Liberty's Exiles Maya Jasanoff,2012-03-06 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER This groundbreaking book offers the first global history of the loyalist exodus to Canada the Caribbean Sierra Leone India and beyond At the end of the American Revolution sixty thousand Americans loyal to the British cause fled the United States and became refugees throughout the British Empire *Liberty's Exiles* tells their story Maya Jasanoff is featured in *THE AMERICAN REVOLUTION* a film by Ken Burns Sarah Botstein and David Schmidt on PBS A smart deeply researched and elegantly written history New York Times Book Review This surprising account of the founding of the United States and the shaping of the post revolutionary world traces extraordinary journeys like the one of Elizabeth Johnston a young mother from Georgia who led her growing family to Britain Jamaica and Canada questing for a home black loyalists such as David George who escaped from slavery in Virginia and went

on to found Baptist congregations in Nova Scotia and Sierra Leone and Mohawk Indian leader Joseph Brant who tried to find autonomy for his people in Ontario Ambitious original and personality filled this book is at once an intimate narrative history and a provocative analysis that changes how we see the revolution s losers and their legacies **The Strange Demise of British Canada** C. P. Champion,2010 Did Canada come of age in the 1960s or does it remain a British country To Stand and Fight Together Steve Pitt,2008-01-01 Describes what life was like for slaves in North America in the 1700s and how a freed slave named Richard Pierpoint mobilized a force of black men in Canada to fight for the British in the War of 1812

Vikings to U-Boats Gerhard P. Bassler,2006-10-06 The first German arrived in Newfoundland with Leif Eirikson s Viking expedition By 1914 St John s was home to a vibrant German community while a Moravian enclave thrived in Labrador Contemporary Newfoundland however remembers its German heritage largely in terms of U Boat captains and local spies Gerhard Bassler reveals what was lost when almost all earlier memories of Germans in Newfoundland and Labrador vanished

Nation Builders and Enemy Aliens Gerhard P. Bassler,2021-11-09 Today German Canadians are among Canada s most assimilated citizens often distinguishable from other Canadians by their name only For centuries their pioneer farmers economic developers industrialists professionals musicians artists missionaries fisherman boat builders and soldiers have acquired an acknowledged reputation as nation builders in Canada Not too long ago however they were also associated with Canada s enemy in two world wars discriminated against and subjected to infringements of their citizenship rights Virtually overnight Canadians of German speaking background were recast into disloyal enemy aliens Anti German sentiments and stigmas unknown in Canada before World War I became firmly entrenched and have obliterated their legacy as nation builders This book documents and illustrates how German Canadians have experienced Canada and how Canada has experienced German Canadians over the course of four centuries It shows what influence Canada s relations with Germany had on this development This is the first comprehensive synopsis of the German experience in Canada The Men Who Lost America Andrew Jackson O'Shaughnessy,2020-08-11 Questioning popular belief a historian and re examines what exactly led to the British Empire s loss of the American Revolution The loss of America was an unexpected defeat for the powerful British Empire Common wisdom has held that incompetent military commanders and political leaders in Britain must have been to blame but were they This intriguing book makes a different argument Weaving together the personal stories of ten prominent men who directed the British dimension of the war historian Andrew O Shaughnessy dispels the incompetence myth and uncovers the real reasons that rebellious colonials were able to achieve their surprising victory In interlinked biographical chapters the author follows the course of the war from the perspectives of King George III Prime Minister Lord North military leaders including General Burgoyne the Earl of Sandwich and others who for the most part led ably and even brilliantly Victories were frequent and in fact the British conquered every American city at some stage of the Revolutionary War Yet roiling political complexities at home combined with the fervency of the fighting Americans proved fatal to the

British war effort The book concludes with a penetrating assessment of the years after Yorktown when the British achieved victories against the French and Spanish thereby keeping intact what remained of the British Empire A remarkable book about an important but curiously underappreciated subject the British side of the American Revolution With meticulous scholarship and an eloquent writing style O Shaughnessy gives us a fresh and compelling view of a critical aspect of the struggle that changed the world Jon Meacham author of Thomas Jefferson The Art of Power *Canadian Ethnic Studies*, 1985 **Research Guide to Loyalist Ancestors** Paul Joseph Bunnell, 1990 The author has attempted to list nearly every location of collected records regarding the American loyalists Each listing includes name address phone number and an overview of holdings Deutschkanadisches Jahrbuch, 1990 *Archivaria*, 1986 *Canadiana*, 1986

Unveiling the Power of Verbal Art: An Mental Sojourn through **Loyalist Mosaic A Multiethnic Heritage**

In a global inundated with displays and the cacophony of fast conversation, the profound energy and emotional resonance of verbal artistry often disappear into obscurity, eclipsed by the regular onslaught of sound and distractions. However, nestled within the lyrical pages of **Loyalist Mosaic A Multiethnic Heritage**, a captivating function of fictional beauty that pulses with natural thoughts, lies an unforgettable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, this mesmerizing opus guides readers on an emotional odyssey, softly revealing the latent potential and profound affect stuck within the complex internet of language. Within the heart-wrenching expanse with this evocative examination, we can embark upon an introspective exploration of the book is main subjects, dissect its captivating writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
