

Lp Dark Melody

Nathan Brackett,Christian David Hoard

Lp Dark Melody:

The Cambridge Companion to the Beatles Kenneth Womack, 2009-11-12 From Please Please Me to Abbey Road the fascinating story of the Fab Four's creation works and enduring musical legacy [Pink Floyd- Uncensored on the Record](#) ,

Stardust Melodies Will Friedwald, 2009-07-01 In Stardust Melodies Will Friedwald takes each of these legendary songs apart and puts it together again with a staggering wealth of detail and unprecedented understanding Each chapter gives us an extended history of one song the circumstances under which it was written and first performed and then explores its musical and lyric content Drawing on his vast knowledge of records and the careers of performing artists Friedwald tells us who was responsible for making these songs famous and discusses in depth the performers who have left their unique marks on them He writes about variations in performance style about both classic and obscure versions of the songs about brilliantly original interpretations and ghastly travesties And then there's the completely unexpected like Stan Freberg's politically correct Elderly Man River This is a book for all lovers of American song to explore argue with and savor *Dark Horse Records* Aaron Badgley, 2024-11-06 In 1974 with Apple winding down George Harrison still aspired to help new artists so rather than trying to salvage Apple he set up his own label Dark Horse Records on a much smaller scale His plan was to release records from new artists as well as some of his old friends with an eye to eventually releasing his own music While Dark Horse had an encouraging beginning with a hit single from Splinter the label suffered increasing problems failing to establish itself in the way Harrison hoped However some incredible and varied music was created from 1974 to 1977 including some of Harrison's best solo material Towards the end of its initial life Dark Horse dropped most of its artists and released mainly Harrison's solo work Thankfully since 2020 Dhani Harrison has taken the reins and has made Dark Horse viable once again signing Cat Stevens and Billy Idol and releasing music from Joe Strummer and Leon Russell Finally in 2023 it was announced that Harrison's entire solo catalog was going to be re-released on Dark Horse This book tells the story of the label from the beginning through its struggles and on to its exciting renaissance in the new millennium At a very young age Aaron Badgley developed a profound love of The Beatles and music in general also developing a fascination with record labels At the age of 19 he started working in radio and by the age of 20 he was a production manager for a number of stations in Canada In 2005 he debuted his syndicated radio show The Beatles Universe which ran for six years Currently he is the host of Here Today and Backwards Traveller radio shows and co-hosts From Memphis To Merseyside and The Way Back Music Machine with Tony Stuart He writes for Spill Magazine and Immersive Audio Album He has also contributed to the All Music Guide Aaron resides in Toronto Canada **Maximum Rocknroll** , 2006 *The Quest for the Melodic Electric Bass* Per Elias Drabløs, 2016-03-03 The double bass the preferred bass instrument in popular music during the 1960s was challenged and subsequently superseded by the advent of a new electric bass instrument From the mid 1960s and throughout the 1970s a melismatic and inconsistent approach towards the bass role ensued which contributed to a major

change in how the electric bass was used in performance and perceived in the sonic landscape of mainstream popular music. Investigating the performance practice of the new melodic role of the electric bass as it appeared and disappeared in the 1960s and 1970s, the book turns to the number one songs of the American Billboard Hot 100 charts between 1951 and 1982 as a prime source. Through interviews with players from this era, numerous transcriptions, elaborations of twenty bass-related features are presented. These are juxtaposed with a critical study of four key players who provide the case studies for examining the performance practice of the melodic electric bass. This highly original book will be of interest not only to bass players but also to popular musicologists looking for a way to instigate methodological and theoretical discussions on how to develop popular music analysis.

Miles Davis, 2012-11-17 Here is the illustrated history of Miles Davis, the world's most popular jazz trumpeter, composer, bandleader, and musical visionary. Davis is one of the most innovative, influential, and respected figures in the history of music. He's been at the forefront of bebop, cool jazz, hard bop, modal jazz, and jazz-rock fusion and remains the favorite and best-selling jazz artist ever beloved worldwide. He's also a fascinating character: moody, dangerous, brilliant. His story is phenomenal, including tempestuous relationships with movie stars, heroin addictions, police busts, and more connections with other jazz greats like Charlie Parker, Dizzy Gillespie, Thelonius Monk, John Coltrane, Gil Evans, John McLaughlin, and many others, and later fusion ventures that outraged the worlds of jazz and rock. Written by an all-star team including Sonny Rollins, Bill Cosby, Herbie Hancock, Ron Carter, Clark Terry, Lenny White, Greg Tate, Ashley Kahn, Robin D. G. Kelley, Francis Davis, George Wein, Vincent Bessieres, Gerald Early, Nate Chinen, Nalini Jones, Dave Liebman, Garth Cartwright, and more.

Reinventing Pink Floyd, Bill Kopp, 2018-02-09 In celebration of the 45th anniversary of *The Dark Side of the Moon*, Bill Kopp explores the ingenuity with which Pink Floyd rebranded itself following the 1968 departure of Syd Barrett. Not only did the band survive Barrett's departure, but it went on to release landmark albums that continue to influence generations of musicians and fans. *Reinventing Pink Floyd* follows the path taken by the remaining band members to establish a musical identity, develop a songwriting style, and create a new template for the manner in which albums are made and even enjoyed by listeners. As veteran music journalist Bill Kopp illustrates, that path was filled with failed experiments, creative blind alleys, one-off musical excursions, abortive collaborations, general restlessness, and most importantly, a dedicated search for a distinctive musical personality. This exciting guide to the works of 1968 through 1973 highlights key innovations and musical breakthroughs of lasting influence. Kopp places Pink Floyd in its historical, cultural, and musical contexts while celebrating the test of fire that took the band from the brink of demise to enduring superstardom.

Behind Dark Eyes, Jeff Apter, 2021-03-05 He was the pop star with the raccoon eyes who sang *Hollywood Seven and Six Ribbons*, the swashbuckling Pirate King in *The Pirates of Penzance*, the rocker who packed beer barns across Australia, and in the words of Tim Rice, a brilliantly judged and truly exciting Judas in *Jesus Christ Superstar*. On the small screen, he was as comfortable portraying Bobby Rivers in *All Together Now* as he was Jonathan Garrett in *Against the Wind*. But there was a lot

more to Jon English He was a proud father of four who married his high school sweetheart He was so devoted to the Parramatta Eels that he wrote one of their team songs And he was also a composer whose rock opera Paris proved to be the biggest challenge of his life Written with the full support of Jon s family friends and peers Behind Dark Eyes swings from the massive highs of Jesus Christ Superstar and pop stardom to the turmoil brought about by creative frustration and depression and Jon s tragic death in 2016 at the age of 66 **All Music Guide Required Listening** Chris Woodstra, John Bush, Stephen Thomas Erlewine, 2007 Collects reviews for one thousand enduring classic rock albums ranging from the extremely popular to more obscure works **Nick Lucas** Michael R. Pitts, 2023-03-28 For more than seven decades Nick Lucas was an entertainer beginning as a child street musician and becoming one of the most popular singer guitarists of all time He was a popular sideman in bands and his solo career conquered radio recordings vaudeville Broadway films night clubs and television He is credited with being the first musician to replace the banjo with the guitar in big bands and on records and with initiating the intimate style of singing making him the first crooner Nick Lucas guitar playing contributed significantly to the instrument s popularity and he influenced generations of players with his instruction books and by having a line of popular guitar picks bearing his name He was the first guitarist to have a custom made model The Nick Lucas Special This biography comprehensively covers Nick Lucas career as he entertained audiences in the United States England and Australia becoming a beloved star and influencing popular music to the present day *The Music of George Harrison* Simon Leng, 2003 Viewed by many as hidden in the shadow cast by Lennon and McCartney Harrison s song writing nonetheless stands on its own merits as an impressive body of work Originally planned as a celebration of Harrison s music this is now sadly a commemoration too Beatles fans the world over mourn the passing of the quiet Beatle and this book is a fitting tribute to a revered musician 20 photos **SPIN** , 1990-12 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or what s next SPIN is your monthly VIP pass to all that rocks Joel Whitburn's Top Pop Album Tracks, 1955-1992 Joel Whitburn, 1993

Calypso and Other Music of Trinidad, 1912-1962 , 2015-05-14 Calypso with its diverse cultural heritage was the most significant Caribbean musical form from World War I to Trinidad and Tobago Independence in 1962 Though wildly popular in mid 1950s America Calypso along with other music from the island of the hummingbird has been largely neglected or forgotten This first ever discography of the first 50 years of Trinidadian music includes all the major artists as well as many obscure performers Chronological entries for 78 rpm recordings give bibliographical references periodicals websites and the recording locations Rare field recordings are cataloged for the first time including East Indian and Muslim community performances and Shango and Voodoo rites Appendices give 10 inch LP 78 rpm 12 inch LP 33 1 3 rpm extended play ep and

7 inch single 45 listings Non commercial field recordings radio broadcasts and initially unissued sessions also are listed The influence of Trinidadian music on film and the Calypso craze are discussed Audio sources are provided Indexes list individual artists and groups recording titles and labels Dark Waves Neil O'Connor,2023-02-13 Between 1977 and 1980 Britain was a country and culture in flux The threat of nuclear war mass unemployment and strikes made it a particularly gloomy period historically Within this a growing number of electronic music acts were using technology and the synthesizer to soundtrack changing times Dark Waves The Synthesizer and the Dystopian Sound of Britain 1977 80 is the first musicological collection of essays on acts that include Throbbing Gristle Cabaret Voltaire and The Human League mapping how the synthesizer spurred toward a fundamental shift in the mechanisms of electronic musicmaking in late 1970s The volume traces how along with the musical aesthetics established by both the Punk and Post Punk movements the synthesizer led to new and innovative effects ideas processes and musical genres Dark Waves explores the background influences and use of technology and how such developments would result in the more commercial electronically produced sound of 1980s synth pop which in turn shaped the sound of electronic music today The Routledge Handbook of Pink Floyd Chris Hart,Simon A. Morrison,2022-09-20 The Routledge Handbook of Pink Floyd is intended for scholars and researchers of popular music as well as music industry professionals and fans of the band It brings together international researchers to assess evaluate and reformulate approaches to the critical study and interpretation of one of the world s most important and successful bands For the first time this Handbook will tear down the wall examining the band s collective artistic creations and the influence of social technological commercial and political environments over several decades on their work Divided into five parts the book provides a thoroughly contextualised overview of the musical works of Pink Floyd including coverage of performance and sound media reception and fandom genre periods of Pink Floyd s work and aesthetics and subjectivity Drawing on art design performance culture and counterculture emergent theoretical resources and analytical frames are evaluated and discussed from across the social sciences humanities and creative arts The Handbook is intended for scholars and researchers of popular music as well as music industry professionals It will appeal across a range of related subjects from music production to cultural studies and media communication studies *Pure-bred Dogs, American Kennel Gazette* ,1968-12 **All Music Guide** Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre The New Rolling Stone Album Guide Nathan Brackett,Christian David Hoard,2004 Publisher Description
