

Lp En Busca Del Heredero

Francisco Aguilar Piñal

Lp En Busca Del Heredero:

Celebrar el mundo. Introducción al pensar nómada de George Santayana José Beltrán Llavador, 2002 *Los reinos de Santayana* Vicente Cervera Salinas, Antonio Lastra, 2002 Coincidiendo con el quincuagésimo aniversario de la muerte de George Santayana este libro trata de revisar el conjunto de su obra atendiendo a todas las perspectivas de su filosofía desde la autobiográfica o la estética hasta la literaria y política sin olvidar su peculiar relación con España y el catolicismo o con lo que él mismo llama la tradición gentil americana

Celebrar el mundo (2a Ed.). Introducción al pensar nómada de George Santayana José Beltrán Llavador, 2011-11-28 En el terreno de la filosofía con frecuencia se echa de menos una cierta atención a figuras que proporcionan señas de identidad y constituyen referentes culturales notables Tal es el caso de George Santayana Ahora bien también es cierto que Santayana constituye un caso peculiar Siendo su origen español su formación tuvo lugar en Estados Unidos su idioma adoptado fue el inglés y su itinerario alcanzó la magnitud necesaria para poder ser calificado como cosmopolita El estudio de su obra ofrece un interés indudable si se ubica en el panorama general de los estudios filosóficos A caballo entre dos siglos segunda mitad del XIX y primera mitad del XX y de dos mundos el nuevo y el viejo Santayana es un testigo excepcional y un narrador privilegiado de algunos de los acontecimientos sociales y culturales que han jalonado el devenir de nuestra historia reciente

Principios sociológicos del derecho civil Raoul de la Grasserie, 2023-12-08 Me propongo escribir en su conjunto la sociología del derecho civil labor todavía no intentada Hasta el presente apenas se ha ocupado nadie más que de la sociología general y a menudo hay quienes niegan la existencia de las sociologías parciales estimando que la sociología pura y simple nica que ser a real consiste precisamente en generalizar todo lo que puede ser susceptible de generalización en las diversas Ciencias sociales Creemos que esto es un error que al lado de la sociología general hay más de una sociología parcial que no por esto deja de ser por sí misma una verdadera sociología La sociedad tiene diversos aspectos bajo cada uno de los cuales puede ser sucesivamente considerada antes o después de un examen simultáneo y estereoscópico Sin embargo si hasta ahora no se ha construido la sociología civil ni ninguna de las sociologías jurídicas de todas partes se han traído materiales para edificarlas materiales que no son simples hechos históricos o conglomerados estadísticos sino que también consisten en numerosos datos ya en el espacio por los estudios de la legislación comparada bien en el tiempo por las investigaciones del origen de las instituciones Pero nadie se ha remontado a escrutar las causas y descubrir las leyes Raoul de la Grasserie
