The Bits and Pieces That Make Me Christopher C. Bell Jr., 2014-12-12 This book is my report card on myself I could have done many things better if I had been so inclined Perhaps during my next eighty years I'll be more inclined If I were a cheerleader I would say Hooray for my side Why Because my side represents the humanists side a side that is struggling to eliminate or degrade institutional racism in America and my side will win this struggle Christopher C Bell Jr EdD aka Kwasi Ankoanna Asante

The Black Clergy's Misguided Worship Leadership Christopher Bell, Jr., Ed.D., 2010-01-28 The Black Clergy's Misguided Worship Leadership This book is an incisive analysis showing why and how the black community's worship of Jesus Christ Christianity's White male idol is a subliminal underlying cause of the high incarceration rates among young Black males Citing cogent historical educational and behavioral reasons Dr Bell explains why the worship of the ancient Roman Constantine certified white male idol Jesus Christ is misguided and afflicts black people with a deleterious white superiority syndrome Dr Bell explains further how such worship spiritually emasculates and socially demeans black manhood and how many young black men intuitively react in ways that lead to high rates of delinquencies violence crime and incarceration In this book Dr Bell petitions the black clergy to stop this misguided worship and start teaching black people a new Christianity that espouses a Worship only God the source and sustainer of life message and honors but does not worship prophet Jesus Dr Bell argues that this new Christianity will liberate black people from the damaging psychological effects of their white male worshipping folkways He also argues that the new Christianity will end the spiritual emasculation and disrespect imposed on young black men by the old Constantine certified Christianity and will thus mediate downward the high rates of delinquencies violence and incarceration among young black men Dr Bell asserts that unless the black clergy takes the actions requested in his petition black people will forever think of themselves as inferior to white people and many angry young Black men will continue their plight and plunge toward incarceration
