Lu And The Swamp Ghost:

Lu and the Swamp Ghost James Carville, 2008-08 Meet a girl with lots of pluck and plenty of courage in this Depression era tale that's based on an episode in the childhood of James Carville's mother. Mama always said, "You're never poor if you have a loving family and one good friend." Well, Lu has a family but no friend, so maybe she is just a little poor. How it all changes one day down on the Louisiana bayou when Lu comes face to face with a for real live swamp ghost. It is at the heart of this flavorful, funny, and compassionate story. Includes a CD read by James Carville. Guaranteed reinforced library binding. For ages 4-8. Full color illustrations.

Underworld Detective Lu Xiang Zi Longqingchuan, 2020-04-03 Lu Xiang, a freshman, because of his negligence, his girlfriend was easily met with an accident. When he was regretting his decision, a mysterious trench coat wearing man appeared and told Lu Xiang that as long as he agreed to become an Underworld Detective, Yi Lu could be resurrected. Lu Xiang accepted. The man in the windbreaker placed a clock on Yi Lu's body, but the clock was turned upside down. As the clock turned, Yi Lu recovered. The man in the windbreaker promised that as long as he could keep track of the things that had been passed on in the underworld, he would be able to provide him with special energy. For the sake of his girlfriend, Lu Xiang had no choice but to agree to track down items from the Underworld. For the sake of handling cases, he had been bestowed with a special sensing ability by the mysterious trench coat wearing man. Moreover, only after the case has been resolved can the professional Soul Devouring Orb be used to retrieve the items from the underworld.

The Great Depression in Literature for Youth Rebecca L. Berg, 2004-11-17 No area of the United States was untouched by the Great Depression, but the severity in which people experienced those significant years depended in large part on where in the nation they lived. While dust choked the life out of Americans in the plains, apples grew in abundance in the Northwest. Unemployment-driven poverty robbed urban dwellers of hearth and home, while Upper Plains farm women traded eggs and chickens like money. This bibliography describes the youth literature and relevant resources written about the Great Depression, all categorized by geographical location. Students, educators, historians, and writers can use this book to find literature specific to their state or region, gaining a greater understanding of what the Great Depression was like in their locale. The Great Depression was a pivotal period in our nation's history. This annotated bibliography guides readers to biographies, oral histories, memoirs, and recollections, photograph collections, fiction, and nonfiction books, picture books, international resources, and other reference sources. The Works Progress Administration (WPA) state guides are included, as well as literature about the federal theater, arts, and music projects. A comprehensive listing of museums and state historical societies complement this reference. For readers interested in learning about the Great Depression, this is a must-have resource.
