Lucan The Civil War Loeb Classical Library:

Poetry and Civil War in Lucan's *Bellum Civile* Jamie Masters, 1992-03-12 Lucan is the wild maverick among Latin epic poets Sneered at for over a century for failing to conform to humanist canons of taste and propriety in recent years his work has been gaining in reputation This 1992 book is founded on a genuine admiration for Lucan's unique perverse and spellbinding masterpiece Above all Dr Masters argues the poem is obsessed with civil war not only as the subject of the story it tells but as a metaphor which determines the way that story is told In these pages he discusses in detail a number of selected episodes from the poem which illustrate this principle and on this basis offers challenging perspective on most of the important issues in Lucanian studies such as Lucan's political stance his attitude to Caesar his iconoclastic relation to Virgil and the epic tradition and his distortion of history and geography This book is a major re-evaluation provocative and persuasive of a central figure in the history of Latin epic

De Bello Civili Lucan, 1928 Epic history Lucan M Annaeus Lucanus AD 39-65 son of wealthy M Annaeus Mela and nephew of Seneca was born at Corduba Cordova in Spain and was brought as a baby to Rome In AD 60 at a festival in Emperor Nero's honor Lucan praised him in a panegyric and was promoted to one or two minor offices But having defeated Nero in a poetry contest he was interdicted from further recitals or publication so that three books of his epic *The Civil War* were probably not issued in 61 when they were finished By 65 he was composing the tenth book but then became involved in the unsuccessful plot of Piso against Nero and aged only twenty-six by order took his own life Quintilian called Lucan a poet full of fire and energy and a master of brilliant phrases His epic stood next after Virgil's in the estimation of antiquity Julius Caesar looms as a sinister hero in his stormy chronicle in verse of the war between Caesar and the Republic's forces under Pompey and later under Cato in Africa a chronicle of dramatic events carrying us from Caesar's fateful crossing of the Rubicon through the Battle of Pharsalus and death of Pompey to Caesar victorious in Egypt The poem is also called *Pharsalia*

A Commentary on Augustine's De cura pro mortuis gerenda Paula Rose,2013-05-16 In De cura pro mortuis gerenda Augustine interweaves an assessment of burial near the memorial of a martyr with a series of dream narratives The seeming lack of coherence between argument and narrative in this treatise has puzzled many scholars Combining an analysis of the overall structure of the argument and a detailed philological commentary this study shows that Augustine s text forms a well composed unity The study is based on discourse linguistic and narratological concepts as well as an analysis of the global structure of the narratives Relying on this combined approach Rose demonstrates how Augustine explores the full breadth of his narrative material in the service of his argument In addition this book situates Augustine s text in its cultural historical context
