for plays written by for and about women but also reclaiming the political influence of the dramatic arts in order to promote a contemporary social struggle The play opens in the opulent Wynnstay House a country home in Hertfordshire owned by Lady and Lord John Wynnstay There Vida Levering a militant activist for women s suffrage prepares to leave for a rally in Trafalgar Square Defending her political beliefs and motivations against the skepticism and conservative values of her hosts Miss Levering stays true to her values and leaves for London with a renewed sense of purpose At the crowded demonstration held at one of London s most iconic sites a symbol of state power and military might Miss Levering works up the courage to address the gathered people Initially nervous she overcomes hecklers and her own fears to deliver a rousing speech in support of women s suffrage powerfully demonstrating the determination necessary to resist the powers that be in order to achieve what must and will be done Votes for Women is a captivating work of political theater from one of the leading actresses and dramatists of the early twentieth century With a beautifully designed cover and professionally typeset manuscript this edition of Elizabeth Robins Votes for Women is a classic of English literature reimagined for modern readers
