Shelley, 2011-06-15 In this second entry in the classic military science fiction action series a military academy reject rises learns to lead in the face of danger The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Kicked out of the prestigious North American Military Academy Lon Nolan had only a few choices left to him He chose the hardest one serving with the Dirigent Mercenary Corps an elite fighting squad where respect is earned not in the classroom but on the battlefield Nolan proved himself on the battlefield on Norbank But now he s commanding men of his own and the stakes are higher He s going to learn sooner or later that leadership always comes with a cost The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page

Colonel Rick Shelley, 2011-07-06 Explosive space combat as a soldier faces his final battle from the national bestselling author of the Federation War series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best As a young cadet all Lon Nolan ever dreamed of was serving in the military of planet Earth After a dishonorable discharge on trumped up charges he saved himself and his honor by joining up with the Dirigent Mercenary Corps Over the decades he s forged himself a place with the DMC and shown himself to be a true hero There s even talk that he might become the next General But Lon isn t after a promotion in fact he s thinking about retirement With his son in the Corps he s hoping he can leave the fighting to the next generation But when the political machinations of the Confederation of Human Worlds get in the way Lon has to return to the front lines leading not

just his troops but his son among them into a final bitter campaign Rick Shelley was a soldier at heart and his books were written from the heart They carry the real feel of the sweat blood and camaraderie of those on the front lines Jack Campbell New York Times bestselling author Rick Shelly knows how to write compelling military science fiction thrillers that are so action packed readers hardly have a moment for an oxygen break AllReaders.com **Officer-Cadet Rick**

Shelley,2011-06-14 A military academy reject seeks to prove himself among the ranks of mercenaries in this classic military science fiction action series opener The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Lon Nolan wasn't supposed to be serving with the DMC He'd earned his place at the elite North American Military Academy and he'd excelled there But when he's kicked out of the Academy on trumped up charges he's left with no choice join the DMC or go home So join he does going from top of his class to bottom rung in the DMC To become an officer he'll have to survive his first taste of combat with his new army and if he fails he won't lose just his honor but his life The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page Major Rick Shelley,2011-06-30 A mercenary must defend a mining planet from a deadly horde of raiders in this fourth entry in the classic military science fiction action series The year is 2804 AD Humanity has colonized the universe But the authority of the Confederation of Human Worlds is spread thin Where the Army of planet Earth cannot reach mercenaries must keep the peace and the Dirigent Mercenary Corps are the best of the best Lon Nolan is skyrocketing through the ranks of the DMC proving time and again that he's got what it takes to be one of the most elite fighters in the galaxy But as his family grows he grows less certain that the mercenary life is for him With one kid at home and another on the way he grows more reluctant to march off to battle But when duty calls he must answer In Major Nolan is off to the mining planet of Bancroft on a routine security mission Of course this is the DMC so it won't stay routine for long The Dirigent Mercenary Corps books are classics of military science fiction Rick Shelley was himself a veteran of the U S Army and his experience and knowledge shine through on every page Jump Pay Rick Shelley,2022-02-27 Rick Shelley concludes his military sci fi trilogy following the exploits of the Lucky 13th Spaceborne Assault Team as they undertake a daring strike aimed at the heart of the enemy The ongoing three sided war among the Schlinal Hegemony the Dogel Worlds and the Accord of Free Worlds has worn down all the combatants Even as the most recent entrant to the hostilities the Accord is already running out of men and material And now the Hegemony is forming up for another offensive The time has come for desperate measures Deep in Schlinal Hegemony space lies the planet Tamkailo It is a world not meant for humans with low oxygen levels and surface temperatures close to the boiling point Simply surviving in such an environment is unlikely let alone waging war But that is where Sgt Joe The Bear Baerclau and Lucky 13th are headed Because the Hegemony is not only using Tamkailo as a staging

point for their offensive The planet is one of their biggest armories holding weapons of war that could wipe out the Accord It s up to the 13th to destroy it Outgunned and outmanned the very survival of freedom in the galaxy is now in their battle scarred hands **Side Show** Rick Shelley,2024-04-25 The classic military science fiction trilogy continues as the Lucky 13th Spaceborne Assault Team embarks on a suicide mission across enemy lines The planet of Jordan has become a hellscape of blood violence and ever present death The world had been conquered by the brutal Schlinal Hegemony years ago But now the Accord of Free Worlds has decided to make a determined push to retake the territory they have lost to the enemy Now as the battle reaches a lethal stalemate Sgt Joe The Bear Baerclau and his 13th SAT receive orders to leave their perimeter and venture into the wild Their target a secret science lab that was in place before the Schlinal invasion Their orders find the scientists if they survived and return them to Accord lines And if that s not possible kill them and destroy all evidence of the lab Now Bear and his team must fight a running battle across dangerous unknown territory in search of a covert facility that may or not hide a dreadful secret Even more lethal than the landscape is the equally skilled Hegemony force that s hot on their trail and eager for the kill But for the Lucky 13th that s just another day on the job Abby's Lucky Thirteen (The Baby-Sitters Club #96) Ann M. Martin,2015-03-31 Preparing for her Bat Mitzvah with her twin sister Abby is falsely accused of cheating on a math test and suspended from school and she decides to hide the truth about the test and the suspension

in one or even both of the world wars and much of it far from humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights Indeed was it Perry s own goofy gullibility as a teenager that helped form the character of Private Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the 4th Queen s Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad s Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We re all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I ve played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph
