terrifying time when she and her husband back in Israel are separated from their children during the Yom Kippur War Fearlessly honest in her writing Renate spares no detail This outstanding book occasionally breaks the fourth wall allowing the author to talk with readers and reveal to them how freeing it has been for her to write about the traumas in her life This boldness and strength of spirit give From the Promised Land to the Lucky Country its shining truth and intimacy We are meant to enjoy the earth Renate says and in this moving memoir we experience a woman who has despite all the odds found purpose and peace Ellen Tanner Marsh New York Times best selling author Who Brought the Luck to the Lucky Country?: Great Australian Migrant Business Carolyn Ford, 2011 *Policing the Lucky Country* Mike Enders, Benoît Dupont, 2001 Policing The Lucky Country addresses key challenges of contemporary Australian policing and places them within the context of Australia's particular culture and history The book's approach is to combine policing case studies with an analysis of the wider social and political environment Policing students are given information which enables them to think critically about contemporary policing practice and to understand the factors behind pervasive attitudes in the forces and the community In this way it aims to increase each officer's range of responses leading to appropriate policing practices and increased safety for the officer One of the key strengths of the book is the discussion of policing and indigenous persons with articles on policing indigenous peoples and indigenous participation in policing Specific police indigenous clashes are examined and situated within the Aboriginal policies of the day This historical perspective illuminates the discussion of current police force relationships with and responsibilities towards indigenous persons Other issues considered the use of technology the enforcement of drug laws the maintenance of public order the role of police in industrial disputes the social construction of crime are studied in similar fashion and provide a useful source of information and discussion about areas of policing relevant to contemporary police work This book is designed for first year policing students but will also be useful in criminology courses Oh Lucky Country Rosa Cappiello, 2010-04 Oh Lucky Country Paese fortunato uses first person point of view to inflate migrant oppression to such absurdist proportions that its swirling narrative boils over into a maelstrom washing away all migrant clichés It is a witty tragicomic view of Australian society culture and prejudice This new edition of Oh Lucky Country with introductions by Nicole Moore and Gaetano Rando is a part of the Australian Classics Library series intended to make classic texts of Australian literature more widely available for the secondary school and undergraduate university classroom and to the general reader The series is co-edited by Emeritus Professor Bruce Bennett of the University of New South Wales and Professor Robert Dixon Professor of Australian Literature at the University of Sydney in conjunction with SETIS Sydney University Press AustLit and the Copyright Agency Limited Each text is accompanied by a fresh scholarly introduction and a basic editorial apparatus drawn from the resources of AustLit Rosa Cappiello was born in Naples Italy in 1942 She migrated to Australia in 1971 with no knowledge of English and no skills and worked in various manual occupations She published her first novel I semi negri The Black Seeds in 1977 in Italy In 1982 she was writer in residence at
