Arnold,1993-01-01 This excellent book offers help to pastors and other caring Christians who must act as triage officers on the front lines of congregational and community life and who believe in and want to explore the importance of sexual issues in ministry William Arnold believes that our sexuality is a defining element for understanding who we are and who God is For a pastor to work with people in a helpful and redemptive manner this powerful force must be faced with courage and care However the pastor must be aware that attempts to care can be damaging if there is not an openness to learning more about the multiple forces at work in our sexuality The pastor s awareness must be physiological psychological and theological William Arnold stresses self awareness as the key to dealing with sexual issues and advises the pastor not to rely strictly on intellectual information A Marriage of Philosophy and Music Erich Welling,2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in A Marriage of Philosophy and Music It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining

and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art
