has become a thrill for a bored subculture one characterized by its members reinterpretation of accepted history their deep cynicism about contemporary politics and their longing for a utopian future Fenster's progressive critique of conspiracy theories both recognizes the secrecy and inequities of power in contemporary politics and economics and works toward effective political engagement Probing conspiracy theory's tendencies toward scapegoating racism and fascism as well as Hofstadter's centrist acceptance of a postwar American consensus he advocates what conspiracy theory wants but cannot articulate a more inclusive engaging political culture
