number one ranking He is credited with invigorating the Australian Open positioning it as the Grand Slam of Asia Pacific and instigating the night final the highest rating show in Australian television history As co founder of the Hopman Cup Paul helped turn the tournament into a prestigious international event He is a professorial fellow at Monash University McNamee is one of the most vibrant and ambitious minds in tennis It s an indisputable fact Australian *Embodied Nation* Simon Creak,2017-08-31 This strikingly original book examines how sport and ideas of physicality have shaped the politics and culture of modern Laos Viewing the country s extraordinary transitions from French colonialism to royalist nationalism to revolutionary socialism to the modern development state through the lens of physical culture Simon Creak s lively and incisive narrative illuminates a nation that has no reputation in sport and is typically viewed even from within as a country of cheerful but lazy people Creak argues that sport and related physical practices including physical education gymnastics and military training have shaped a national consciousness by locating it in everyday experience These practices are popular participatory performative and above all physical in character and embody ideas and ideologies in a symbolic and experiential way *Embodied Nation* takes readers on a brisk ride through more than a century of Lao history from a nineteenth century game of tikhi an indigenous game resembling field hockey to the country s unprecedented outpouring of nationalist sentiment when hosting the 2009 Southeast Asian Games En route we witness a Lao Vietnamese soccer brawl in 1936 the fascist inspired body ethic of the early 1940s the novel modes of military masculinity that blossomed with national independence the spectacular state theatrics of power represented by Olympic inspired sports festivals and the high hopes and frequent failures of socialist sport in the 1970s and 1980s Of central concern in Creak s narrative are the twin motifs of gender and civilization Despite increasing female participation since the early twentieth century he demonstrates the major role that sport and physical culture have played in forming hegemonic masculinities in Laos Even with limited national sporting success Laos has never won an Olympic medal the healthy toned and muscular form has come to symbolize material development and prosperity *Embodied Nation* outlines the complex ways in which these motifs through sport and physical culture articulate with state power Combining cultural and intellectual history with historical thick description Creak draws on a creative array of Lao and French sources from previously unexplored archives newspapers and magazines and from ethnographic writing war photography and cartoons More than an imagined community or geobody he shows that Laos was also a body at work making substantive theoretical contributions not only to Southeast Asian studies and history but to the study of the physical culture nationalism masculinity and modernity in all modern societies *In Pursuit of the Slam* Mark Cripps,2024-06-19 *In Pursuit of the Slam* My Year Travelling to Tennis s Top Four Tournaments tells the story of the author s year out between jobs during which he attended all four of tennis s Grand Slam tournaments Unhappy in his corporate job tennis fan Mark Cripps decided to pack it all in and start again But a chance sighting of an old friend in an in flight magazine led to an idea Why not take some time out to travel organising the trip around tennis s Grand Slam tournaments He made a

plan to attend the 1992 French Open Wimbledon the US Open and then returning to Australia in early 1993 where he had been based with American Express the Australian Open On the way he would visit places of interest catch up with old friends and visit other tournaments in the build up to each Slam including the Italian Open in Rome The book describes how the author organised the visits to each Slam once there securing tickets and watching the tennis daily A club tennis player the book also tells how the author entered a tournament on the new British Tour and the experience of facing opponents of a much higher standard Following the US Open a week spent at a tennis fantasy camp helped confirm the next steps he needed to take when his trip was over In Pursuit of the Slam My Year Travelling to Tennis s Top Four Tournaments is told in an anecdotal style including the story of the author s childhood introduction to sport where his mother s love of Wimbledon was so infectious A nostalgic look back at the professional tennis tours through the prism of a round the world trip the book will appeal to those interested in tennis especially the professional game back in the nineties and the history of British tennis in general those keen on travel anyone needing a change of job or career or those who just want to make the most of their interests Adison, Book 3 Marti Talbott, Once more the Wheeler triplets had to put their game on hold It now involved three beautiful young women five single men a flight crew the press and people around the country who figured out how to play the game with them Yet two of the sisters faced seemingly impossible problems and just when they thought things couldn t get any worse they did Perry Mason and Philosophy Heather L. Rivera, Robert Arp, 2020-09-08 In 1933 the crime writer Erle Stanley Gardner himself a practicing lawyer unleashed the character Perry Mason in the novel The Case of the Velvet Claws Perry Mason entered into public consciousness as a new conception of the role of the defense lawyer so that millions of Americans came to expect every criminal trial to have its Perry Mason moment In the 1950s the Perry Mason TV show had a phenomenal success and Mason came to be identified with Raymond Burr Now Perry Mason has again been restored to life in the HBO series starring Matthew Rhys and John Lithgow Meanwhile the eighty two original Erle Stanley Gardner novels continue to sell thousands of copies each week Perry Mason gave America a new conception of the trial lawyer as someone who was always loyal to his client and always prepared to use dirty tricks such as misdirection and withholding of evidence to protect the innocent and secure the ends of Justice The Mason of the novels is less scrupulous than the Raymond Burr Mason and would sometimes be in danger of going to jail if the trial didn t turn out right which it always did largely because of Mason s cleverness The Perry Mason icon raises many philosophical issues explored by seventeen different philosophers in this book including Can we defend Paul Drake s claim The Case of the Blonde Bonanza that Mason is a paragon of righteous virtue despite his predilection for skating on thin legal ice Can complex murder cases be solved by facts alone or do we also need empathy The most convincing way to give a TV episode a surprise ending is by the guilty person suddenly confessing But in reality is a confession necessarily so convincing Does Perry Mason represent the Messiah How does the Raymond Burr Perry Mason compare with the more recent TV character Saul Goodman Breaking Bad

and Better Call Saul Is it morally okay to mislead the police if this helps your client and your client is innocent How does Perry Mason help us understand the distinction between natural law and positive law Do the Perry Mason stories comply with Aristotle's recipe for a good work of fiction Does life imitate art when Perry Mason is cited in real life courtroom arguments How much trickery can be justified by loyalty to one's client Can evidence in murder trials be evaluated by probability theory Perry Mason is officially a lawyer and unofficially a detective But isn't he really a historian and a psychoanalyst Della Street is a competent legal secretary but is she something more Mason often says that Eye witness testimony is the worst kind of evidence and occasionally that Circumstantial evidence is the best evidence we have Can these claims be defended

Vidal,2016-02-15 Cuando comenzamos a jugar al tenis nos enseñan a golpear de derecha de revés a efectuar un saque o a atacar una volea para terminar el punto en la red Con el paso del tiempo también nos van hablando sobre la técnica que debemos utilizar cuando competimos Sin embargo algo que se suele obviar es cómo funciona la competición y cómo solucionar los conflictos y las disputas que suelen aparecer La Tribu del Tenis 555 Casos y Decisiones para Comprender Mejor el Tenis es un manual que intenta aclarar estas dudas Existe un proverbio africano que se adapta como un guante a este contexto para educar a un niño hace falta la tribu entera Jueces de la competición jugadores entrenadores preparadores psicólogos padres madres es decir la tribu del tenis nos necesitamos mutuamente para educar en normas y valores a los jugadores desde incluso antes que comiencen a competir En un deporte tan individual como el tenis en el que el jugador está solo en la pista y nadie puede ayudarlo hay que tener muchas habilidades para enfrentarse a los desafíos que continuamente se van presentando

Quota Quickies Steve Chibnall,2019-07-25 This book the first of two volumes will provide a major new history of the British B film tracing the development of the low budget supporting feature from the 1927 Films Act which introduced a quota system for the distribution and exhibition of indigenous product to the age of television when B film producers channelled their energies into making TV programmes Along the way the authors will address leading producers and studios B film stars distributors the genres and themes that tended to dominate B film production comedy horror crime and fantasy Quota Quickies will include a case study of the B films of Michael Powell The authors argument is that the B film was hugely important in British cinema history in offering an opportunity for British actors and technicians to develop their careers and that the films themselves provided an outlet for the exploration of peculiarly British cultural concerns in an industry traditionally dominated by Hollywood output They also contend that some of the films stand up well to contemporary viewing and are deserving of critical re evaluation
