Spanning three centuries and two countries, *Ladies of the Shire* weaves together the lives of eight individuals on their unforgettable epic journey from the hay meadows of Leicestershire, England, to the mud and bloody artistry of 1914-18 France. A Laodicean Thomas Hardy, 2019-11-27. In *A Laodicean*, Thomas Hardy delves into the complexities of love, societal expectations, and the struggle between modernity and tradition. Set against the backdrop of late 19th-century England, the novel artfully weaves a tale of its heroine, Paula Power, who grapples with her identity amidst the forces of industrial progress and moral ambiguity. Hardy's signature literary style is characterized by vivid descriptions, emotional depth, and keen social commentary, placing the work in the context of the Victorian era's rapidly changing values. The narrative unfolds with rich symbolism and explores themes of free will, class disparity, and the inherent conflicts of human desire, creating a poignant and multifaceted portrayal of a woman's journey toward self-determination. Thomas Hardy, a prominent figure in English literature, often drew inspiration from his own experiences in a rural setting, which shaped his worldview. This personal context, combined with his disillusionment with Victorian norms, led Hardy to craft narratives that question societal constructs and convention. *A Laodicean* reflects his evolving philosophy as he began to embrace modernist themes, pushing the boundaries of traditional storytelling. For readers seeking a thought-provoking exploration of personal and societal dilemmas, *A Laodicean* is an essential read. Hardy captures the tumultuous intersection of love and duty while inviting readers to reflect on their own convictions in an ever-changing world. This novel not only enriches our understanding of Hardy's oeuvre but also resonates with contemporary themes of choice and identity.

Promises, Promises Erica James, 2011-11-01. Promises you make to yourself are the hardest to keep. Maggie Storm, who spends her days cleaning houses for people who often have more money than manners, promises herself that from now on she's going to stand up for herself. Married to a man with as much sex appeal as a recliner, she dreams about someone who can sweep her off her feet. Ella Moore, an artistic interior designer, promises herself that after seven wasted years with the man she thought she'd marry, relationships won't derail her life again. Ethan Edwards, a repeat offender when it comes to turning to women for sexual consolation, promises himself there will be no more women. But when Ella appears unexpectedly in Ethan's life, he finds himself turning to her for very different reasons. And when Maggie's romantic hero appears on her doorstep, she wonders which path she's really supposed to follow. International bestselling author Erica James weaves a delightful tale of three people daring to challenge their dreams.
