Lucy's solution at this early age was to create imaginary worlds and people them with imaginary friends. Her creativity was beginning to establish itself in her life. With her studying days over, Lucy began a career as a teacher and worked at various Prince Edward Island schools. It was soon obvious to her that she did not enjoy teaching, but the benefit was that it gave her time to write. That was now her real passion. Much of her early career was spent writing short stories. Indeed, in the decade from 1897, magazines and newspapers published over 100 stories from the prolific young writer. In 1908, Lucy published her first book, the classic *Anne of Green Gables*. It was an immediate success and quickly established her career. During her lifetime, Lucy published 20 novels, 530 short stories, 500 poems, and 30 essays. Aware of her fame, by 1920, Lucy began editing and recopying her journals, reframing her life as she wanted it remembered. Lucy Maud Montgomery died on April 24, 1942, in Toronto. A note was found beside her bed: "I have lost my mind by spells and I do not dare think what I may do in those spells. May God forgive me and I hope everyone else will forgive me even if they cannot understand. My position is too awful to endure and nobody realizes it. What an end to a life in which I tried always to do my best. The official cause of death was a coronary thrombosis."

Murray is like dear old Dad; he gets discouraged rather easily. Now I'm not like that; I'm more like Mother's folks. As Uncle Abimelech has never failed to tell me when I have annoyed him, I'm all Foster. Uncle Abimelech doesn't like the Fosters. But I'm glad I take after them. If I had folded my hands and sat down meekly when Uncle Abimelech made known his good will and pleasure regarding Murray and me after Father's death, Murray would never have got to college nor I either for that matter. Only I wouldn't have minded that very much. I just wanted to go to college because Murray did. I couldn't be separated from him. We were twins and had always been together.

Indeed, dear girl, there's nothing else to do. Oh, I cannot, she protested. My father would. We'll not consult him until afterward. Come, Ursula, you know there's no other way. We've always known it must come to this. YOUR father will never forgive me for MY father. You won't fail me now. Think of the long parting if you send me away alone on such a voyage. Pluck up your courage and we'll let Townleys and MacNairs whistle their mouldy feuds down the wind while we sail southward in *The Fair Lady*. I have a plan. Let me hear it, said Ursula, beginning to get back her breath. There is to be a dance at The Springs Friday night. Are you invited? Ursula. Yes. Good. I am not, but I shall be there in the fir grove behind the house with two horses. When
