Charlton. Southbridge Holmes Ammidown,1874 Family Or Freedom Emily West,2012-10-18 In the antebellum South the presence of free people of color was problematic to the white population Not only were they possible assistants to enslaved people and potential members of the labor force their very existence undermined popular justifications for slavery It is no surprise that by the end of the Civil War nine Southern states had enacted legal provisions for the voluntary enslavement of free blacks What is surprising to modern sensibilities and perplexing to scholars is that some individuals did petition to rescind their freedom Family or Freedom investigates the incentives for free African Americans living in the antebellum South to sacrifice their liberty for a life in bondage Author Emily West looks at the many factors influencing these dire decisions from desperate poverty to the threat of expulsion and demonstrates that the desire for family unity was the most important consideration for African Americans who submitted to voluntary enslavement The first study of its kind to examine the phenomenon throughout the South this meticulously researched volume offers the most thorough exploration of this complex issue to date **Historical Collections** Holmes Ammidown,1874 **Lineage Book of the Charter Members of**

**the Daughters of the American Revolution** Daughters of the American Revolution,1918 **Historical Collections: The histories of seven towns.f** Holmes Ammidown,1877 Family Bonds Ted Maris-Wolf,2015-04-20 Between 1854 and 1864 more than a hundred free African Americans in Virginia proposed to enslave themselves and in some cases their children Ted Maris Wolf explains this phenomenon as a response to state legislation that forced free African Americans to make a terrible choice leave enslaved loved ones behind for freedom elsewhere or seek a way to remain in their communities even by

renouncing legal freedom Maris Wolf paints an intimate portrait of these people whose lives liberty and use of Virginia law offer new understandings of race and place in the upper South Maris Wolf shows how free African Americans quietly challenged prevailing notions of racial restriction and exclusion weaving themselves into the social and economic fabric of their neighborhoods and claiming through unconventional or counterintuitive means certain basic rights of residency and family Employing records from nearly every Virginia county he pieces together the remarkable lives of Watkins Love Jane Payne and other African Americans who made themselves essential parts of their communities and in some cases gave up their legal freedom in order to maintain family and community ties

Silver Fox of the Rockies Daniel Tyler, Delph Carpenter, 2003 Delphus E Carpenter 1877 1951 was Colorado's commissioner of interstate streams during a time when water rights were a legal battleground for western states A complex unassuming man as rare and cunning in politics and law as the elusive silver fox of the Rocky Mountain West Carpenter boldly relied on negotiation instead of endless litigation to forge agreements among states first before federal intervention In Silver Fox of the Rockies Daniel Tyler tells Carpenter's story and that of the great interstate water compacts he helped create Those compacts produced in the early twentieth century have guided not only agricultural use but urban growth and development throughout much of the American West to this day In Carpenter's time most western states relied on the doctrine of prior appropriation first in time first in right which granted exclusive use of resources to those who claimed them first regardless of common needs Carpenter feared that population growth and rapid agricultural development in states sharing the same river basins would rob Colorado of its right to a fair share of water To avoid that eventuality Carpenter invoked the compact clause of the U S Constitution a clause previously used to settle boundary disputes and applied it to interstate water rights The result was a mechanism by which complex issues involving interstate water rights could be settled through negotiation without litigating them before the U S Supreme Court Carpenter believed in the preservation of states rights in order to preserve the constitutionally mandated balance between state and federal authority Today water remains critically important to the American West and the great interstate water compacts Carpenter helped engineer constitute his most enduring legacy Of particular significance is the Colorado River Compact of 1922 without which Hoover Dam could never have been built

**The Dog Sox** Russell Hill, 2018-03-21 Russell Hill is the author of the critically acclaimed novels *Lucy Boomer* *Robbie's Wife* nominated for a 2007 Edgar *THE LORD GOD BIRD* nominated for a 2009 Edgar and the new novel *THE DOG FOX* His work has been translated into French German Polish and Spanish and *THE LORD GOD BIRD* has recently been optioned for a movie Hill is an avid fly fisherman has written for outdoor magazines and has taught writing for forty years He still lives in California where he has spent most of his life

*Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century* Libra R. Hilde, 2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of manhood and fatherhood during and after the era of slavery demonstrating that black

men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master s property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood

*Stuffings* James Prideaux,1973 THE STORIES STUFFINGS After seven years of working in Edgar s taxidermy shop Gladys has become his full fledged assistant and shares his excitement at the good fortune that has befallen them the arrival of a moosehead for stuffing But their elation

**From Britain With Love** Robert A Webster,2019-01-01 Fossdyke Retirement Home has seen its fair share of quirky characters but it s never seen the likes of these four geriatric rockers To outsiders they are sweet funny if not a tad bit ornery To those in the know they are meddlesome rebellious and in way over their heads When chaos erupts they re not far behind What begin as ordinary days where others their age would spend their time chatting up a friend or family member these four spend their days and nights making music performing for their legion of fans globetrotting to exciting destinations and of course getting mixed up in perilous situations Between outrunning the press and persistent record companies coming face to face with ISIS rebels and the occasional death or two it s all they can do to keep their wits about them and escape injury Follow the madcap adventures of Britain s most irreverently lovable elderly rockers as they trip stumble and fall into one situation after another and have a few laughs along the way in *From Britain with Love* a hilarious action packed thriller Getting old doesn t mean you can t have fun It just means you know how to get away with it

**The Chester White Swine Record** ,1922 *Southern Honor* Bertram Wyatt-Brown,1982-09-23 A finalist for the Pulitzer Prize and the American Book Award hailed in *The Washington Post* as a work of enormous imagination and enterprise and in *The New York Times* as an important original book *Southern Honor* revolutionized our understanding of the antebellum South revealing how Southern men adopted an ancient honor code that shaped their society from top to bottom Using legal documents letters diaries and newspaper columns Wyatt Brown offers fascinating examples to illuminate the dynamics of Southern life throughout the antebellum period He describes how Southern whites living chiefly in small rural agrarian surroundings in which everyone knew everyone else established the local hierarchy of kinfolk and neighbors according to their individual and familial reputation By claiming honor and dreading shame they controlled their slaves ruled

their households established the social rankings of themselves kinfolk and neighbors and responded ferociously against perceived threats The shamed and shameless sometimes suffered grievously for defying community norms Wyatt Brown further explains how a Southern elite refined the ethic Learning gentlemanly behavior and deliberate rather than reckless resort to arms softened the cruder form which the author calls primal honor In either case honor required men to demonstrate their prowess and engage in fierce defense of individual family community and regional reputation by duel physical encounter or war Subordination of African Americans was uppermost in this Southern ethic Any threat whether from the slaves themselves or from outside agitation had to be met forcefully Slavery was the root cause of the Civil War but according to Wyatt Brown honor pulled the trigger Featuring a new introduction by the author this anniversary edition of a classic work offers readers a compelling view of Southern culture before the Civil War      **Chester White Swine Record** Chester White Swine Record Association,1922      **Cassette Books** Library of Congress.
