Into Hell I Rode Ii Atwood, 2011-04-01 In his revealing and frank autobiography David G Atwood II takes us into a world of government corruption back stabbing politicians and an all too familiar tour of the criminal justice system Persecuted by a corrupt sheriff's department for exposing a cabal of local corruption that reached into the upper echelon of international politics prosecuted and sent to federal prison for a crime he didn't commit and discriminated against for being gay David leads us on a journey through the life of a prisoner that only an insider could tell and captivates us with a story of courage that will inspire everyone who reads it Whether revealing the drug connections that for years have padded the pockets of the local cops and exposing how government sanctioned drug deals in Vicksburg Mississippi helped illegally fund the Nicaraguan Contras in the 1980's David leaves no hole's barred as he takes aim at those who would misuse their political power for personal gain

How It Feels to Have a Gay or Lesbian Parent Judith E. Snow, 2013-04-15 Sometimes I fantasize about having a magic wand How awesome it would be to wave it and completely eliminate prejudice hate and ignorance Just imagine what it would be like to live in a world like that How It Feels to Have a Gay or Lesbian Parent A Book by Kids for Kids of All Ages gives voice to the thoughts feelings and experiences of children adolescents and young adults who have a gay or lesbian parent In their own words they talk openly and candidly about how and when they learned of their parent's sexual orientation and the effect it had on them and their families Their stories echo themes of prejudice and harassment conflict and confusion adaptation and adjustment and hope for tolerance and a family that can exist in harmony Because it's an issue for other people it becomes an issue for me I'm angry about the

way it works against me The stories told in *How It Feels to Have a Gay or Lesbian Parent* not only reflect the day to day struggle of children with a GLBT parent they also reveal the pain inherent in high conflict divorce and child custody cases Children of gay lesbian parents ranging in age from seven to 31 recall the confusion and grief created when the disclosure of their parent s true sexual orientation ended a marriage and divided a family The straight parent s resentment can lead to angry remarks that intentionally or unintentionally disparage the gay lesbian parent and threaten the natural love and affection the child feels for both I guess the hardest part about having a gay dad is that no matter how okay you are with it there s always going to be someone who will dislike you because of it The one on one interviews presented in *How It Feels to Have a Gay or Lesbian Parent* document first hand the effects of homophobia on family life Children struggle with the choice between living in a closet shamed by peers and family members or dealing with discrimination as a parent s sexual orientation is used against them Taken together these stories make a statement for acceptance understanding and tolerance as children do their best to make the transition from a traditional family to a nontraditional lifestyle My mom is a normal person just like everyone else The only thing that s different about her is that she s gay and if you can t deal with it you re just going to have to live with it *How It Feels to Have a Gay or Lesbian Parent A Book by Kids for Kids of All Ages* offers comfort and support to children from those who share their journey The book is a valuable aid for practitioners working with children of GLBT parents and an educational tool for GLBT adults considering children

Jesus Set Me Free Jennifer Ulysse, 2022-05-13 I m sure you have read scriptures of Jesus casting out demons in the Bible Maybe you have heard it referenced in a sermon in church or maybe watching a sermon online But how often are you seeing that today within the

church which is the body of Christ The devil has either been revealed in a different way or has gone unnoticed throughout the body of Christ Therefore he has been able to stay hidden so his agenda can go forward which has given him access to the church He has been able to disguise himself within the church which gives people the impression they are among the light when they are really surrounded by darkness You may ask How do I know that I m glad you asked because I was that person Although reared in the church knew the Bible and recited the scriptures I found myself bound by demons enslaved to sin and trapped in a world of darkness with no way of getting out This book takes you on a journey of how I went many years not even recognizing that the enemy had me trapped and how I was able to get out even in the midst of feeling like there was no hope This book is for the body of Christ It s a wake up call that we must wake up and open our spiritual eyes to see what is really right in front of us and sometimes what s within us But we are not without hope Ultimately this book is about the hope that Jesus has already given us The same Jesus who was able to set me free can set you free too Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches Revelation 2 29 NLT Your Walk Walks and Your Talk Talks Lora Goss,2021-10-20 Making decisions at any age is not always an easy feat When you are walking with the Lord Jesus Christ it makes sense to pray and do the next right thing As life moves at ninety miles an hour moving with the flow can set you up to make split second decisions Taking what we think is the easy way is often the hardest of all We are told in 1 Peter 5 7 to cast all our cares on Him because He cares for us Taking the Jesus way out is always the best way It may not be the easy that we are looking for but it will not leave the collateral damage that our way leaves behind The roads that we walk down in life are covered with attractive billboards drawing us to off ramps that will lead us to destruction It is so important to keep our eyes fixed on Jesus Christ as we walk life s highways and byways so we are not lured into the craziness that the world has to offer Taking life one moment at a time is actually a doable thing Life moves in seconds not days Don t let one trial take you down Romans 8 13 says that we are more than conquerors and thankfully God is a god of do overs **Painless** Devon Hartford,2015-03-31 At last The exciting steamy action packed conclusion to the Story of Samantha Smith PAINLESS follows Samantha through the remainder of her first year in college at sunny San Diego University Oh and what about that hot hunk Christos Manos When we last left him his life balanced on the brink of disaster What is going to happen to him You ll have to read PAINLESS to find out Find out what happens to Samantha Christos Romeo Kamiko Madison Jake and everyone else in PAINLESS the third and final volume of the series This book is full of surprises WARNING Once again the steam factor in PAINLESS is much higher than in FEARLESS book 1 but similar to RECKLESS book 2 Scarlett Haley Milne,2011-12-15 Scarlett Hera never imagined anything would upset her perfect lifestyle in Beverly Hills California But when her and her mother are in a horrific car accident and she is forced to move to a small town in Montana everything changes A crazy girl who seems happy all the time is trying to become her friend A bad boy who is constantly flirting with her won t leave her alone no matter how much she begs him Her two older brothers get
