Nationalism and the Breakup of an Empire Miron Rezun, 1992-10-30 The Soviet polity is presently going through its most difficult transition ever The Russian Center's point of view is that the crisis is an issue of imperialism the decline and fall of the old Russian empire the undoing of the pax Russica the derangement of the Russian imperial consciousness From the viewpoint of the former march lands of the empire the issue is nationalism Since Mikhail Gorbachev launched his reform program under the rubric of perestroika and glasnost the most dramatic changes taking place in the USSR have been in the area of ethnic and minority nationalism The Soviet nationalities problem has become central to the nations of the world as well as to all minority and national groups The purpose of this book is to present a comprehensive analysis of the impact of nationalism on the break up of the Soviet Union measure the effects of this dissolution and examine the remnants and revisions The authors conclude that the Russian Empire is at the end of its tether but what will remain will still be a viable world power The second conclusion is that the so called center of the empire will be in Russia herself much more than in the past and that a new form of Russian nationalism is in the making which could have aggressive and expansionist tendencies Policymakers Soviet area specialists and students will find this book provocative and useful *Nationalism and the Breakup of an Empire* Miron Rezun, 1992-10-30 The Soviet polity is presently going through its most difficult transition ever The Russian Center's point of view is that the crisis is an issue of imperialism the decline and fall of the old Russian empire the undoing of the pax Russica the derangement of the Russian imperial consciousness From the viewpoint of the former march lands of the empire the issue is nationalism Since Mikhail Gorbachev launched his reform program under the rubric of perestroika and glasnost the most dramatic changes taking place in the USSR have been in the area of ethnic and minority nationalism The Soviet nationalities problem has become central to the nations of the world as well as to all minority and national groups The purpose of this book is to present a comprehensive analysis of the impact of nationalism on the break up of the Soviet Union measure the effects of this dissolution and examine the remnants and revisions The authors conclude that the Russian Empire is at the end of its tether but what will remain will still be a viable world power The second conclusion is that the so called center of the empire will be in Russia herself much more than in the past and that a new form of Russian nationalism is in the making which could have aggressive and expansionist tendencies Policymakers Soviet area specialists and students will find this book provocative and useful **Federalism, Democratization, and the Rule of Law in Russia** Jeffrey Kahn, 2002-06-13 Combining the approaches of three fields of scholarship political science law and Russian area studies the author explores the foundations and future of the Russian Federation Russia's political elite have struggled to build an extraordinarily complex federal system one that incorporates eighty nine different units and scores of different ethnic groups which sometimes harbor long histories of resentment against Russian imperial and Soviet legacies This book examines the public debates official documents and political deals that built Russia's federal house on very unsteady

foundations often out of the ideological conceptual and physical rubble of the ancien régime One of the major goals of this book is where appropriate to bring together the insights of comparative law and comparative politics in the study of the development of Russia's attempts to create as its constitution states in the very first article a Democratic federal rule of law state

The Collapse of the Soviet Union, 1985-1991 David R. Marples, 2016-09-17 Why did the Soviet Union collapse in 1991 The collapse of the Soviet Union has widely been seen as the result of the arms race and Cold War and the failure of the Soviet side to keep pace with new technology This book argues that the disintegration was mainly a result of two interrelated factors the rise of the Soviet national republics and the manipulation of the new Russian presidency by Boris Yeltsin in what became a direct power struggle between Yeltsin and the Soviet leader Gorbachev Written in a clear and accessible manner the book provides an explanation of how the national question came to dominate Soviet politics by 1990 1 analysis of the economic crisis that occurred in the late 1980s a chapter devoted to the year 1991 from the referendum to reform the Soviet Union to the unforeseen dissolution of the country by December a discussion of the personalities of and political confrontation between the two key statesmen Gorbachev and Yeltsin Also containing a Chronology Glossary and Who's Who of key figures The Collapse of the Soviet Union is essential reading for students of twentieth century European history
