

“Or Does It Explode?”

Cheryl Lynn Greenberg

Or Does It Explode Black Harlem In The Great Depression

Thomas J. Sugrue

Or Does It Explode Black Harlem In The Great Depression:

Or Does it Explode? Cheryl Lynn Greenberg, 2023 Tracing the establishment of Harlem as the main area of black settlement in New York City this study explains how both poverty created by the Great Depression of the 1930s and the discrimination against blacks led to the growth of a politically active black movement in Harlem **"Or Does It Explode?"** Cheryl Greenberg, 1997-03-27 The Great Depression was a time of hardship for many Americans but for the citizens of Harlem it was made worse by past and present discrimination Or Does It Explode examines Black Harlem from the 1920s through the Depression and New Deal to the outbreak of World War II It describes the changing economic and social lives of Harlemites and the complex responses of a resilient community to racism and poverty Greenberg demonstrates that far from remaining passive in the face of hard times Harlemites mobilized to better their opportunities and living conditions through numerous organizations and grass roots political activism Their successes led to changed employment practices and new government programs This progress was not always enough however and the resulting anger of the community twice exploded in riot in 1935 and 1943 The book traces the history of these protests both organized and spontaneous It places them within their political and economic contexts by exploring the diversity of Harlem's family and community life its experiences with work and relief and its interaction with the administrations of New York City and New Deal agencies

Negro League Baseball Neil Lanctot, 2011-01-01 The story of black professional baseball provides a remarkable perspective on several major themes in modern African American history the initial black response to segregation the subsequent struggle to establish successful separate enterprises and the later movement toward integration Baseball functioned as a critical component in the separate economy catering to black consumers in the urban centers of the North and South While most black businesses struggled to survive from year to year professional baseball teams and leagues operated for decades representing a major achievement in black enterprise and institution building Negro League Baseball The Rise and Ruin of a Black Institution presents the extraordinary history of a great African American achievement from its lowest ebb during the Depression through its golden age and World War II until its gradual disappearance during the early years of the civil rights era Faced with only a limited amount of correspondence and documents Lanctot consulted virtually every sports page of every black newspaper located in a league city He then conducted interviews with former players and scrutinized existing financial court and federal records Through his efforts Lanctot has painstakingly reconstructed the institutional history of black professional baseball locating the players teams owners and fans in the wider context of the league's administration In addition he provides valuable insight into the changing attitudes of African Americans toward the need for separate institutions **Sweet Land of Liberty** Thomas J. Sugrue, 2009-10-13 Sweet Land of Liberty is Thomas J. Sugrue's epic account of the abiding quest for racial equality in states from Illinois to New York and of how the intense northern struggle differed from and was inspired by the fight down South Sugrue's panoramic view sweeps from the 1920s to

the present more than eighty of the most decisive years in American history He uncovers the forgotten stories of battles to open up lunch counters beaches and movie theaters in the North the untold history of struggles against Jim Crow schools in northern towns the dramatic story of racial conflict in northern cities and suburbs and the long and tangled histories of integration and black power Filled with unforgettable characters and riveting incidents and making use of information and accounts both public and private such as the writings of obscure African American journalists and the records of civil rights and black power groups *Sweet Land of Liberty* creates an indelible history **Daddy Grace** Marie W Dallam,2007-11-01

This edgy and resourceful analysis of the early twentieth century preacher expands our understanding of a critical period in the black church experience Shayne Lee author of *T D Jakes America's New Preacher* In 1919 Charles Manuel Sweet Daddy Grace founded the United House of Prayer for All People long regarded as one of the most extreme Pentecostal sects in the country The flamboyant Grace wore purple suits with glitzy jewelry purchased high profile real estate and conducted baptisms in city streets with a fire hose He was also reputed to accept massive donations from his poverty stricken followers and use the money to live lavishly Though Grace appeared to be the glue that held this church together it has continued to thrive long after his death in 1960 After a period of restructuring and streamlining the House of Prayer remains active with a national membership in the tens of thousands In *Daddy Grace* Marie W Dallam offers both a religious history of the House of Prayer and an intellectual history of its colorful and enigmatic leader Dallam examines the religious nature of the House of Prayer the dimensions of Grace's leadership strategies and the connections between his often ostentatious acts and the intentional infrastructure of the church itself Furthermore woven through the text are analyses of the race class and gender issues manifest in the House of Prayer structure under Grace's aegis *One Righteous Man* Arthur Browne,2016-06-07

Winner of the Christopher Award and the New York City Book Award Winner of the 2016 Wheatley Book Award in Nonfiction A history of African Americans in New York City from the 1910s to 1960 told through the life of Samuel Battle the New York Police Department's first black officer When Samuel Battle broke the color line as New York City's first African American cop in the second decade of the twentieth century he had to fear his racist colleagues as much as criminals He had to be three times better than his white peers and many times more resilient His life was threatened He was displayed like a circus animal Yet fearlessly claiming his rights he prevailed in a four decade odyssey that is both the story of one man's courageous dedication to racial progress and a harbinger of the divisions between police and the people they serve that plague twenty first century America By dint of brains brawn and an outsized personality Battle rode the forward wave of African American history in New York He circulated among renowned turn of the century entertainers and writers He weathered threatening hostility as a founding citizen of black Harlem He served as godfather to the regiment of black soldiers that won glory in World War I as the Hellfighters of Harlem He befriended sports stars like Joe Louis Jesse Owens and Sugar Ray Robinson and he bonded with legendary tap dancer Bill Bojangles Robinson Along the way he mentored an equally smart equally tough

young man in a still more brutal fight to integrate the New York Fire Department At the close of his career Battle looked back proudly on the against all odd journey taken by a man who came of age as the son of former slaves in the South He had navigated the corruption of Tammany Hall the treachery of gangsters like Lucky Luciano and Dutch Schultz the anything goes era of Prohibition the devastation of the Depression and the race riots that erupted in Harlem in the 1930s and 1940s By then he was a trusted aide to Mayor Fiorello La Guardia and a friend to First Lady Eleanor Roosevelt Realizing that his story was the story of race in New York across the first half of the century Battle commissioned a biography to be written by none other than Langston Hughes the preeminent voice of the Harlem Renaissance But their eighty thousand word collaboration failed to find a publisher and has remained unpublished since Using Hughes s manuscript which is quoted liberally throughout this book as well as his own archival research and interviews with survivors Pulitzer Prize winning journalist Arthur Browne has created an important and compelling social history of New York revealed a fascinating episode in the life of Langston Hughes and delivered the riveting life and times of a remarkable and unjustly forgotten man setting Samuel Battle where he belongs in the pantheon of American civil rights pioneers

African Diaspora in the Cultures of Latin America, the Caribbean, and the United States Persephone Braham, 2014-12-05 Scholars of the African Americas are sometimes segregated from one another by region or period by language or by discipline Bringing together essays on fashion the visual arts film literature and history this volume shows how our understanding of the African diaspora in the Americas can be enriched by crossing disciplinary boundaries to recontextualize images words and thoughts as part of a much greater whole Diaspora describes dispersion but also the seeding sowing or scattering of spores that take root and grow maturing and adapting within new environments The examples of diasporic cultural production explored in this volume reflect on loss and dispersal but they also constitute expansive and dynamic intellectual and artistic production neither wholly African nor wholly American in the hemispheric sense whose resonance deeply inflects all of the Americas African Diaspora in the Cultures of Latin America the Caribbean and the United States represents a call for multidisciplinary collaborative and complex approaches to the subject of the African diaspora

Organizing Black America: An Encyclopedia of African American Associations Nina Mjagkij, 2003-12-16 With information on over 500 organizations their founders and membership this unique encyclopedia is an invaluable resource on the history of African American activism Entries on both historical and contemporary organizations include African Aid Society African Americans for Humanism Black Academy of Arts and Letters Black Women s Liberation Committee Minority Women in Science National Association of Black Geologists and Geophysicists National Dental Association National Medical Association Negro Railway Labor Executives Committee Pennsylvania Freedmen s Relief Association Women s Missionary Society African Methodist Episcopal Church and many more

AlabamaNorth Kimberley Louise Phillips, 1999 Examines the experiences and activities of African Americans in Cleveland Ohio from 1915 through 1945 discussing migration the labor market organized labor

community and more **Fiorello La Guardia** Ronald H. Bayor, 2017-07-11 Fiorello La Guardia was an ambitious man who wanted great success for himself but he also wanted to advocate on behalf of the poor and forgotten Through hard work and perseverance he managed to achieve both This work examines the life of the man who not only became one of New York's greatest and most renowned mayors but who brought about some of the most important changes in the history of the city This thoroughly revised second edition of *Fiorello La Guardia Ethnicity Reform and Urban Development* looks at the many events of the popular mayor's life his early beginnings as a politician the events surrounding his life and city his multiple terms as New York City's Mayor his personal and professional disappointments and his ultimate place in history It also examines the broader subject of cities during times of stress the ability of mayors to enhance urban life and the origins of federal aid to cities Connects the New York and urban story to that of the nation and to the subfields of Progressivism the Depression the New Deal and World War II Contains 16 new images of La Guardia his contemporaries and city shots spaced throughout the text Offers a timeline of principal dates in La Guardia's life keyed to significant events in the city's state's and nation's history Includes key terms and study questions for each chapter Features a completely updated bibliographical essay Comprehensive yet highly accessible *Fiorello La Guardia Ethnicity Reform and Urban Development Second Edition* makes ideal supplementary reading for survey courses in the history of New York or New York City as well as for general American History courses [The Harvard Guide to African-American History](#) Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Historical Roots of the Urban Crisis Henry L. Taylor Jr., Walter Hill, 2013-06-17 This collection of 12 new essays will tell the story of how the gradual transformation of industrial society into service driven postindustrial society affected black life and culture in the city between 1900 and 1950 and it will shed light on the development of those forces that wreaked havoc in the lives of African Americans in the succeeding epoch The book will examine the black urban experience in the northern southern and western regions of the U S and will be thematically organized around the themes of work community city building and protest the analytic focus will be on the efforts of African Americans to find work and build communities in a constantly changing economy and urban environments tinged with racism hostility and the notions of white supremacy Some chapters will be based on original research while others will represent a synthesis of existing literature on that topic

Harlem's Theaters Adrienne Macki Braconi, 2015-10-31 Honorable Mention 2016 Errol Hill Book Award for Outstanding Scholarship in African American Theater Drama and or Performance Based on a vast amount of archival research Adrienne Macki Braconi's illuminating study of three important community based theaters in Harlem shows how their work was essential to the formation of a public identity for African Americans and the articulation of their goals laying the groundwork for the emergence of the Civil Rights movement Macki Braconi uses textual analysis performance reconstruction and

audience reception to examine the complex dynamics of productions by the Krigwa Players the Harlem Experimental Theatre and the Negro Theatre of the Federal Theatre Project Even as these theaters demonstrated the extraordinary power of activist art they also revealed its limits The stage was a site in which ideological and class differences played out theater being both a force for change and a collision of contradictory agendas Macki Braconi s book alters our understanding of the Harlem Renaissance the roots of the Civil Rights movement and the history of community theater in America **Workers**

on Arrival Joe William Trotter, 2019-01-08 From the ongoing issues of poverty health housing and employment to the recent upsurge of lethal police community relations the black working class stands at the center of perceptions of social and racial conflict today Journalists and public policy analysts often discuss the black poor as consumers rather than producers as takers rather than givers and as liabilities instead of assets In his engrossing new history *Workers on Arrival* Joe William Trotter Jr refutes these perceptions by charting the black working class s vast contributions to the making of America Covering the last four hundred years since Africans were first brought to Virginia in 1619 Trotter traces black workers complicated journey from the transatlantic slave trade through the American Century to the demise of the industrial order in the 21st century At the center of this compelling fast paced narrative are the actual experiences of these African American men and women A dynamic and vital history of remarkable contributions despite repeated setbacks *Workers on Arrival* expands our understanding of America s economic and industrial growth its cities ideas and institutions and the real challenges confronting black urban communities today **Vampires, Dragons, and Egyptian Kings** Eric C.

Schneider, 2021-01-12 They called themselves Vampires Dragons and Egyptian Kings They were divided by race ethnicity and neighborhood boundaries but united by common styles slang and codes of honor They fought and sometimes killed to protect and expand their territories In postwar New York youth gangs were a colorful and controversial part of the urban landscape made famous by *West Side Story* and infamous by the media This is the first historical study to explore fully the culture of these gangs Eric Schneider takes us into a world of switchblades and slums zoot suits and bebop music to explain why youth gangs emerged how they evolved and why young men found membership and the violence it involved so attractive Schneider begins by describing how postwar urban renewal slum clearances and ethnic migration pitted African American Puerto Rican and Euro American youths against each other in battles to dominate changing neighborhoods But he argues that young men ultimately joined gangs less because of ethnicity than because membership and gang violence offered rare opportunities for adolescents alienated from school work or the family to win prestige power adulation from girls and a masculine identity In the course of the book Schneider paints a rich and detailed portrait of everyday life in gangs drawing on personal interviews with former members to re create for us their language music clothing and social mores We learn what it meant to be a down bopper or a jive stud to fish with a beautiful deb to the sounds of the Jesters and to wear gang sweaters wildly colored zoot suits or the Ivy League look He outlines the unwritten rules of gang behavior the paths members followed to adulthood and

the effects of gang intervention programs while also providing detailed analyses of such notorious gang related crimes as the murders committed by the Capeman Salvador Agron Schneider focuses on the years from 1940 to 1975 but takes us up to the present in his conclusion showing how youth gangs are no longer social organizations but economic units tied to the underground economy Written with a profound understanding of adolescent culture and the street life of New York this is a powerful work of history and a compelling story for a general audience **The Portable Malcolm X Reader** Manning Marable, Garrett Felber, 2013-01-16 A look at Malcolm X s life and times from his Pulitzer Prize winning biographer Manning Marable Manning Marable s Pulitzer Prize winning biography Malcolm X A Life of Reinvention has reshaped perceptions of one of America s great revolutionary thinkers This volume the first collection of major documents addressing Malcolm X in decades features never before published material including articles from major newspapers and underground presses oral histories police reports and FBI files to shine a brighter light on Malcolm s life and times Conceived as both a companion to the biography and a standalone volume and assembled by Marable and his key researcher Garrett Felber prior to Marable s untimely death The Portable Malcolm X Reader presents an invaluable portrait of Malcolm X For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **The Making of Urban America** Raymond A. Mohl, Roger Biles, 2023-10-03 The revised and updated third edition of The Making of Urban America includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject **African American Culture** Omari L. Dyson, Judson L. Jeffries Ph.D., Kevin L. Brooks, 2020-07-23 Covering everything from sports to art religion music and entrepreneurship this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States According to the latest census data less than 13 percent of the U S population identifies as African American African Americans are still very much a minority group Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture in music the arts and entertainment in education and religion in sports and in politics and business African American Culture

An Encyclopedia of People Traditions and Customs covers virtually every aspect of African American cultural expression addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post Obama era The most comprehensive reference work on African American culture to date the multivolume set covers such topics as black contributions to literature and the arts music and entertainment religion and professional sports It also provides coverage of less commonly addressed subjects such as African American fashion practices and beauty culture the development of jazz music across different eras and African American business

A Study Guide for James Baldwin's "The Rockpile" Gale, Cengage Learning, A Study Guide for James Baldwin's *The Rockpile* excerpted from Gale's acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs

[Revolting New York](#) Neil Smith, Don Mitchell, 2018-04 Occupy Wall Street did not come from nowhere It was part of a long history of riot revolt uprising and sometimes even revolution that has shaped New York City From the earliest European colonization to the present New Yorkers have been revolting Hard hitting revealing and insightful *Revolting New York* tells the story of New York's evolution through revolution a story of near continuous popular and sometimes not so popular uprising Richly illustrated with more than ninety historical and contemporary images historical maps and maps drawn especially for the book *Revolting New York* provides the first comprehensive account of the historical geography of revolt in New York from the earliest uprisings of the Munsee against the Dutch occupation of Manhattan in the seventeenth century to the Black Lives Matter movement and the unrest of the Trump era Through this rich narrative editors Neil Smith and Don Mitchell reveal a continuous if varied and punctuated history of rebellion in New York that is as vital as the more standard histories of formal politics planning economic growth and restructuring that largely define our consciousness of New York's story Contributors Marnie Brady Kathleen Dunn Zult n Gluck Rachel Goffe Harmony Goldberg Amanda Huron Malav Kanuga Esteban Kelly Manissa McCleave Maharawal Don Mitchell Justin Sean Myers Brendan P O Malley Raymond Pettit Miguelina Rodriguez Jenjoy Roybal McNair Scott Erin Siodmak Neil Smith Peter Waldman and Nicole Watson
