## Or So I Say:

**Small Small, So Say** Samuel Munachim, Samuel Nze, 2010-01-08 Small Small So Say is a touching narrative of a young man's desire to succeed in spite of all the odds. He tries to overcome a father and a country that do not understand and appreciate him. He struggles to actualize himself for himself.

**So Say We All: The Complete, Uncensored, Unauthorized Oral History of Battlestar Galactica** Edward Gross, Mark A. Altman, 2018-08-21 From Mark A. Altman and Edward Gross, the bestselling authors of the definitive two-volume Star Trek oral history *The Fifty Year Mission*, comes the complete uncensored unauthorized oral history of Battlestar Galactica in *So Say We All*. Four decades after its groundbreaking debut, Battlestar Galactica, both the 1978 original and its 2004 reimagining, have captured the hearts of two generations of fans. What began as a three-hour made-for-TV movie inspired by the blockbuster success of Star Wars followed by a single season of legendary episodes was transformed into one of the most critically acclaimed and beloved series in television history. And gathered exclusively in this volume are the incredible untold stories of both shows as well as the much maligned Galactica 1980. For the first time ever, you will learn the unbelievable true story of forty years of Battlestar Galactica as told by the teams that created a television legend in the words of over a hundred cast, creators, crew, critics, and executives who were there and brought it all to life. *So Say We All*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**So Say We All** Erica Mongé-Greer, 2022-10-03 Battlestar Galactica (BSG) has been praised for its ongoing relevance as a cultural commentary over the past two decades. Fans have explored the science, the politics, and the extraordinary special effects of the series. One theme continues to surface in blogs, podcasts, and convention interviews: BSG's focus on religion. BSG is a series that believes in its religion. In it, the human and Cylon characters face existential crises, do missionary work, and attempt to convert one another to religious value systems. *So Say We All* tells the story of each season with particular focus on the values held by characters in the series and their individual journeys toward enlightenment. The religious aspects of BSG paint a picture of how religion shapes values of life, free will, and acceptance and influences how and why people live their lives.

**So Say We All** Richard Hatch, 2006-09-10 The science fiction television series Battlestar Galactica is known for raising thought-provoking questions concerning martial law, artificial intelligence, power, and corruption, and ultimately what it means to be human. What ethical complexities come into play when one mistake could mean the annihilation of the human race? How do you maintain faith in the Gods when you're involved in an Armageddon of your own creation? What is the distinction between a terrorist and a freedom fighter? These questions are given an intelligent and insightful examination in this engaging collection of essays.

**The Scientism Delusion: Techno-Mysticism and Techno-Spiritual Warfare Exploring the Connections Between Scientism and Luciferianism** Gregory Garrett, 2018-02-14 This enthralling page-turner breaks all the molds and fearlessly exposes the deepest, darkest intrigue in history: The Luciferian Agenda for a New World Order. In it, we learn of the Luciferian roots of Modern Science as the reader is transported back in

time to the insidious origins of modern day Scientism the current religion of most scientists today Through an excursion into the roots of Scientism Mr Garrett deftly retraces the historical antecedents of Scientism echoing back to The Secret Mystery Schools of Kabbalistic Egyptian Hermeticism onwards into the true nature of Freemason and Alchemical Occultist Sir Isaac Newton and then further into the nefarious Vatican Jesuit Priesthood whose hidden hand can be linked to the creation of The Illuminati as well as the current Luciferian New Age Religion Finally the serpentine path leads up into modern Freemasonic Luciferian NASA and then to The Jesuit Controlled Alien Deception about to take hold of the world Christian Chesterfield Ph D
