Oracles Of The Ancient World A Complete Guide:

The Oracles of the Ancient World Trevor Curnow,2004-03-25 Ranging from Abai to Zeleia from massive temples in Egypt to modest tombs in Turkey oracles were a major feature of the religions of many ancient cultures until their demise under the Christian Roman emperors This work is a guide to all the known oracles of the ancient world The greater part of it is devoted to an alphabetical listing providing details of nearly 300 sites in more than 25 countries where oracles of one kind or another functioned in antiquity The text is extensively cross referenced and illustrated and supplemented by indexes a glossary and a substantial introduction

Oracles of Dionysos in Ancient Thrace Jordan Iliev,2013-01-01 The focus of the article is the available information about the oracles of Dionysos in ancient Thrace After a careful analysis of the currently know sources the author states that in the ancient Thracian lands there was not only one or two as most modern scholars assume but several oracles of Dionysos The author proves this point by giving a special attention to some details in the ancient information such as the localization of the different oracles the features of the mantic session the officials etc In conclusion is summed up that although the provided by the ancient writers more or less detailed information oracles of Dionysos in Thrace are not yet localized

Naming and Mapping the Gods in the Ancient Mediterranean Thomas Galoppin,Elodie Guillon,Max Luaces,Asuman Lätzer-Lasar,Sylvain Lebreton,Fabio Porzia,Jörg Rüpke,Emiliano Rubens Urciuoli,Corinne Bonnet,2022-12-31 Ancient religions are definitely complex systems of gods which resist our understanding Divine names provide fundamental keys to gain access to the multiples ways gods were conceived characterized and organized Among the names given to the gods many of them refer to spaces cities landscapes sanctuaries houses cosmic elements They reflect mental maps which need to be explored in order to gain new knowledge on both the structure of the pantheons and the human agency in the cultic dimension By considering the intersection between naming and mapping this book opens up new perspectives on how tradition and innovation appropriation and creation play a role in the making of polytheistic and monotheistic religions Far from being confined to sanctuaries in fact gods dwell in human environments in multiple ways They move into imaginary spaces and explore the cosmos By proposing a new and interdisciplinary angle of approach which involves texts images spatial and archeaeological data this book sheds light on ritual practices and representations of gods in the whole Mediterranean from Italy to Mesopotamia from Greece to North Africa and Egypt Names and spaces enable to better define differentiate and connect gods

Ancient Prophecy Martti Nissinen,2017 Ancient Prophecy Near Eastern Biblical and Greek Perspectives is the first monograph length comparative study on prophetic divination in ancient Near Eastern biblical and Greek sources Prophecy is one of the ways humans have believed to become conversant with what is believed to be superhuman knowledge The prophetic process of communication involves the prophet her his audience and the deity from whom the message allegedly comes from Martti Nissinen introduces a wealth of ancient sources documenting the prophetic phenomenon around the ancient Eastern Mediterranean whether cuneiform tablets from Mesopotamia the

Hebrew Bible Greek inscriptions or ancient historians Nissinen provides an up to date presentation of textual sources the number of which has increased substantially in recent times In addition the study includes four analytical comparative chapters The first demonstrates the altered state of consciousness to be one of the central characteristics of the prophets public behavior The second discusses the prophets affiliation with temples which are the typical venues of the prophetic performance The third delves into the relationship between prophets and kings which can be both critical and supportive The fourth shows gender inclusiveness to be one of the peculiar features of the prophetic agency which could be executed by women men and genderless persons as well The ways prophetic divination manifests itself in ancient sources depend not only on the socio religious position of the prophets in a given society but also on the genre and purpose of the sources Nissinen contends that even though the view of the ancient prophetic landscape is restricted by the fragmentary and secondary nature of the sources it is possible to reconstruct essential features of prophetic divination at the socio religious roots of the Western civilization Elemental Divination Stephen Ball,2025-08-05 Discover a simple practice that yields life changing results

Evolution, Cognition, and the History of Religion: A New Synthesis Anders Klostergaard Petersen,Gilhus Ingvild Sælid,Luther H. Martin,Jeppe Sinding Jensen,Jesper Sørensen,2018-10-08 Evolution Cognition and the History of Religion A New Synthesis comprises 41 chapters that push for a new way of conducting the study of religion thereby transforming the discipline into a genuine science of religion The recent resurgence of evolutionary approaches on culture and the increasing acknowledgement in the natural and social sciences of culture s and religion s evolutionary importance calls for a novel epistemological and theoretical framework for studying these two areas The chapters explore how a new scholarly synthesis founded on the triadic space constituted by evolution cognition cultural and ecological environment may develop Different perspectives and themes relating to this overarching topic are taken up with a main focus on either evolution cognition and or the history of religion

Divination and Prediction in Early China and Ancient Greece Lisa Raphals,2013-10-17 Divination was an important and distinctive aspect of religion in both ancient China and ancient Greece and this book will provide the first systematic account and analysis of the two side by side Who practised divination in these cultures and who consulted it What kind of questions did they ask and what methods were used to answer those questions As well as these practical aspects Lisa Raphals also examines divination as a subject of rhetorical and political narratives and its role in the development of systematic philosophical and scientific inquiry She explores too the important similarities differences and synergies between Greek and Chinese divinatory systems providing important comparative evidence to reassess Greek oracular divination

Paroles d'Apollon Aude Busine,2005-12-01 This book deals with the making and the reuses of the divine words which were ascribed to Apollo from the 2nd to the 6th centuries AD and which have now become available in both epigraphical and literary sources The larger part has been issued by the sanctuaries of Claros and Didyma This

comprehensive and historical approach analyses the oracles of Apollo according to the various contexts ancient authors used to resort to the sacred words The first part of the book examines in the context of the Graeco Roman city states the oracular texts in relation to the sanctuaries where they had originally been produced The second part explores the different ways in which the Apollinian oracles were reappropriated by pagan and Christian authors for philosophical polemical and apologetic purposes This study of the sacred texts reveals in an original manner the cultural political and religious life of pagans and Christians in the Roman Empire

The Religious World of Quintus Aurelius Symmachus Jill Mitchell, 2021-12-31 The Religious World of Quintus Aurelius Symmachus examines the religious life of one of the last pagan senators of Rome dates c 340 402 who lived in a tumultuous time during the Late Antique period of the Roman Empire dying just a few years before the Western Empire began to break up Symmachus could not have imagined the political reality developing so soon after his death so he is important as a late example of the old Roman Western aristocracy as well as one of the last pagans of Rome He was regarded as the foremost orator of his time and was a prolific letter writer who had correspondents in high places and throughout the Empire He also filled the posts of Urban Prefect of Rome and Consul and was the opponent of Bishop Ambrose of Milan during the so called 384 CE Altar of Victory Dispute which was one episode of many leading to the triumph of Christianity over traditional Roman polytheism Symmachus cache of 900 private letters and his official despatches while Urban Prefect have provided the raw material for this book

Political Advice, 2021-01-28 The continuing churn of political advisers in Donald Trump s White House serve as a reminder of the salience and relevance of political advice Political Advice Past Present and Future brings several very different voices to bear on the problem of advice and influence the distinction in so far as it is valid between political and policy advice the two way parasitism of adviser and advised the nature and idioms of political advice literature the changing and sometimes unchanging nature of expertise the ever pressing issue of access and exclusion and how that is controlled This volume of essays feeds into a contemporary concern set in a wider historical context Moreover the volume treats political advice in an interdisciplinary fashion with contributions from classics and literature as well as from history and politics The unique practitioners perspective to the problem of political advice is brought by the contributions of politicians political advisers and senior civil servants

Scenario Thinking R. Bradley MacKay, Peter McKiernan, 2018-10-04 This Element infuses established scenario planning routines with an exploration of cognitive reasoning by contextualising scenario thinking within the wider human endeavour of grappling with future uncertainties A study of ancient civilisations shows that scenario thinking is not new but has evolved significantly since ancient times By decoupling scenario thinking from scenario planning it is elevated as the essential ingredient in managerial foresight projects The historical theme continues focussing on the evolution of modern scenario planning by way of the French and Anglo American schools of thought using the intuitive logics methodology Archival research has discovered early contributions in the UK around the development and use of scenario thinking in public policy which has been overlooked in many received histories Finally the usefulness of scenario thinking for strategic management is challenged here and the argument that it is a heuristic device for overcoming cognitive biases and making better strategic decisions is refined

Wisdom Literature Prof. Samuel E. Balentine, 2018-07-03 If the fear of the Lord is the beginning of wisdom formed in the life of faith its end is nothing less than the shaping of a moral self and community attuned to the character of God This pursuit of wisdom is an ongoing journey never a simple arrival For the wisdom writings of the Old Testament the pursuit of wisdom calls for the ongoing attainment of instruction insight shrewdness knowledge prudence learning and skill And persons who attain wisdom think more deeply are more discerning and have a keener insight into the complexities and nuances of decision making For a world perspective that assumes the power and reality of divinity being wise means living ethically and to live ethically one

must be in a constant intellectual pursuit of meaning The book details the structure themes and contribution to both ancient and modern society of Job Proverbs and Ecclesiastes The chapters on Sirach and the Wisdom of Solomon will discuss the consonance and dissonance with canonical wisdom giving special attention to the development of their core ideas The book will conclude with a chapter on Wisdom's abiding legacy La raison des signes Stella Georgoudi, Renée Koch Piettre, Francis Schmidt, 2011-12-09 Comment percevoir l'inconnu et contrôler l'inattendu Les Anciens ont tenté de répondre ces questions en interprétant des signes dans lesquels ils reconnaissaient des messages divins Ce recueil permet de comparer la diversité de leurs questionnements dans les sociétés polythistes ou monothistes de la Méditerranée antique Il interroge premièrement la construction rituelle des signes au sein des institutions divinatoires deuxièmement des phénomènes naturels spontanés qui apparaissent hors de toute institution ont néanmoins valeur de présages ou d'avertissements troisièmement l'intentionnalité manifestée travers l'intervention divine dans l'histoire des peuples ou les vies singulières quatrièmement l'epistémologie des signes dans des laborations philosophiques ou théologiques qui clarifient la tension entre données oraculaires et contrôle ritualisé des signes entre données réelles et argumentations raisonnées visant neutraliser les injonctions du destin How to foresee the unknown and master the unexpected Ancient people tried to answer those questions by interpreting signs considered as divine messages In this volume the writers compare and examine this manifold questioning in the polytheistic and monotheistic societies of the ancient Mediterranean Sea In the first place it is shown how signs were ritually constructed within instituted practice of divination second how although some spontaneous natural phenomena appeared out of any instituted context may nevertheless constitute omens or monition third how the gods intervention may reveal a sort of intention in the course of national history or individual life finally the essays study the epistemology of signs at work in some philosophical or theological elaborations which may enlighten the tension between oracular evidence and ritual control of signs and between revealed facts and reasoning arguments intending to neutralize the injunctions of the divine *The Modern Witchcraft Book of Tarot* Skye Alexander, 2017-05-09 Unlock the secrets of the cards For hundreds of years the tarot has been an essential tool used in witchcraft from divining the future to aiding in spellcasting As tools to aid a witch's natural clairvoyance the tarot and witchcraft are entwined with the cards and the craft sharing many symbols and roots in the elements Learn how to interpret and connect with the cards From reading spreads to using your deck during spellcasting you will soon grasp the full power of the tarot **A Matter of Luck** James M Killeen, What is luck The chances are you don't really know but you probably believe in it and I bet you invoke the word every day of your life Bad luck That was lucky You should be so lucky What a lucky escape said with varying degrees of intensity relief sarcasm amusement incredulity or disgust But what is luck This book tries to determine what luck is how it operates in our lives and how far the individual is at its mercy favoured by good luck or cursed by bad Is there any justice or fair play in life or are these merely human concepts that don't exist in the laws governing the universe Whatever you think you believe by the time you have read this book the

odds are that you will have changed your mind James M Killeen's analysis ranges from Astrology to Zoroastrianism and everything in between the big bang and the butterfly effect destiny and determinism fortune telling and feng shui gambling and game theory miracles and Murphy's Law oracles and ordeals philosophy and religion precognition and the placebo effect serendipity and synchronicity *A Matter of Luck* is a highly readable yet thought provoking work interspersed with illuminating and amusing examples to illustrate each facet of this fascinating subject for example the true stories of the man who broke the bank at Monte Carlo King Umberto and the chef James Dean's car and the woman who simultaneously chose the winning numbers for both the Massachusetts and Rhode Island lotteries although the numbers she chose for the Rhode Island lottery were the winning numbers for the Massachusetts lottery and vice versa Lucky or unlucky you decide if you can
