Contented among Strangers Linda Schelbitzki Pickle, 2023-11-20 German Americans make up one of the largest ethnic groups in the United States yet their very success at assimilating has also made them one of the least visible *Contented among Strangers* examines the central role German speaking women in rural areas of the Midwest played in preserving their ethnic and cultural identity Even while living far from their original homelands these women applied traditional European patterns of rural family life and values to their new homes in Illinois Iowa Kansas Missouri and Nebraska As a result they were more content with their modest lives than were their Anglo American counterparts Through personal recollections including interesting diary material translated by the author church and community documents and migration and census data Pickle reveals the diversity and richness of the women's experiences **Suburban Erasure** Walter Greason, 2013 For generations historians believed that the study of the African American experience centered on the questions about the processes and consequences of enslavement Even after this phase passed the modern Civil Rights Movement took center stage and filled hundreds of pages creating a new framework for understanding both the history of the United States and of the world *Suburban Erasure* by Walter David Greason contributes to the most recent developments in historical writing by recovering dozens of previously undiscovered works about the African American experience in New Jersey More importantly his interpretation of these documents complicates the traditional understandings about the Great Migration civil rights

activism and the transformation of the United States as a global economic superpower Greason details the voices of black men and women whose vision and sacrifices made the dream of Dr Martin Luther King Jr possible Then in the second half of this study the limitations of this dream of integration become clear as New Jersey a state that took the lead in showing American how to overcome the racism of the past fell victim to a recurring pattern of colorblindness that entrenched the legacy of racial inequality in the consumer economy of the late twentieth century Suburbanization simultaneously erased the physical architecture of rural segregation in New Jersey and ideologically obscured the deepening persistent injustices that became the War on Drugs and the prison industrial complex His solution for the twenty first century involves the most fundamental effort to racially integrate state and local government conceived since the Reconstruction Era Suburban Erasure is a must read for people concerned with democracy human rights and the future of civil society The American History Sourcebook Joel Makower,1988 This book is the first comprehensive guide to more than 3 000 organizations collections and other sources of information on U S history politics and culture It is a treasure trove for history buffs and an invaluable reference work for historians students writers and researchers **Resources in Education** ,2000-10 **Journal of the American Historical Society of Germans from Russia** ,1996 **Oral History Association Newsletter** ,2000 The Antioch Review John Donald Kingsley,2006 Before We Disappear into Oblivion Nina Bogdan,2025-05-06 The October 1917 Russian Revolution and the subsequent Civil War triggered a mass exodus from Russia Thousands boarded ships heading for California Before We Disappear into Oblivion chronicles the struggles of members of the Russian diaspora in San Francisco and northern California as they built communities and negotiated their acculturation into American society Nina Bogdan challenges the stereotype of the White Russian migr as an aristocrat in exile revealing the diversity within California s Russian communities in terms of social backgrounds political affiliations and geographic origins Bogdan details the historic Russian presence in northern California particularly Fort Ross and examines how migr s incorporated this presence into their strategies and tactics used to establish a foundation for community while developing their Russian American identity Consulting Russian language sources generated by the diaspora alongside American public discourse and thousands of government documents Bogdan traces the divergent paths Russian migr s took to become or not become middle class white Americans a century prior to the latest mass exodus of Russians from their homeland in 2022 Set against a backdrop of national and global events the Great Depression World War II McCarthyism and the Cold War Before We Disappear into Oblivion explores the factors that shaped the Americanization of one ethnic group in an environment where cultural affiliation became submerged in favour of a constructed racial identity Women Without Men Marlene Epp,2000-01-01 The story of thousands of Mennonite women who having lost their husbands and fathers assumed altered gender roles in their adopted homeland and created a culture of women refugees with its own distinctive historical narrative **When Sonia Met Boris** Anna Shternshis,2017 Based on nearly 500 oral history interviews When Sonia Met Boris is an innovative

study of Jewish daily life in the Soviet Union giving a long suppressed voice to the Jewish men and women who survived the sustained violence and everyday hardship of Stalin's Russia. It reveals how postwar Soviet Jews came to view their Jewish identity as an obstacle, a shift in attitude with ramifications for contemporary Russian Jewish culture and the broader Jewish diaspora. Andy Warhol's Mother Elaine Rusinko, 2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art, Julia Warhola's story has not yet been told. As an American immigrant who was born in a small Carpatho-Rusyn village in Austria-Hungary in 1891, Julia never had the opportunity to develop her own considerable artistic talents. Instead, she worked and sacrificed so her son could follow his dreams, helping to shape Andy's art and persona. Julia famously followed him to New York City and lived with him there for almost twenty years, where she remained engaged in his personal and artistic life. She was well known as Andy Warhol's mother, even developing a distinctive signature with the title that she used on her own drawings. Exploring previously unpublished material, including Rusyn language correspondence and videos, *Andy Warhol's Mother* provides the first in-depth look at Julia's hardscrabble life, her creative imagination, and her spirited personality. Elaine Rusinko follows Julia's life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant-garde New York. Rusinko explores the impact of Julia's Carpatho-Rusyn culture, Byzantine Catholic faith, and traditional worldview on her ultra-modern son, the quintessential American artist. This close examination of the Warhola family's lifeworld allows a more acute perception of both Andy and Julia, while also illuminating the broader social and cultural issues that confronted and conditioned them. *Soviet Adventures in the Land of the Capitalists* Lisa A. Kirschenbaum, 2024-02-22 In 1935, two Soviet satirists, Ilia Ilf and Evgeny Petrov, undertook a 10,000-mile American road trip from New York to Hollywood and back, accompanied only by their guide and chauffeur, a gregarious Russian Jewish immigrant and his American-born Russian-speaking wife. They immortalized their journey in a popular travelogue that condemned American inequality and racism even as it marvelled at American modernity and efficiency. Lisa Kirschenbaum reconstructs the epic journey of the two Soviet funnymen and their encounters with a vast cast of characters ranging from famous authors, artists, poets, and filmmakers to unemployed hitchhikers and revolutionaries. Using the authors' notes, US and Russian archives, and even FBI files, she reveals the role of ordinary individuals in shaping foreign relations as Ilf, Petrov, and the immigrants, communists, and fellow travelers who served as their hosts, guides, and translators became creative actors in cultural exchange between the two countries. **Latinas/os in New Jersey** Aldo A. Lauria-Santiago, Ulla D. Berg, 2025 Collection of essays by Johana Londoño and 21 others **OHA Newsletter**, 1998 **Oral History Index** Meckler Publishing, 1990 **Intermarriage and the Friendship of Peoples** Adrienne Edgar, 2022-05-15 Co-winner of the Central Eurasian Studies Society's prize for best book in History and the Humanities in 2022 and 2023 and winner of the The Joseph Rothschild Prize in Nationalism and Ethnic Studies of the Association for the Study of Nationalities. *Intermarriage and the Friendship of Peoples* examines the racialization of identities and its impact on mixed couples and families in Soviet

Central Asia In marked contrast to its Cold War rivals the Soviet Union celebrated mixed marriages among its diverse ethnic groups as a sign of the unbreakable friendship of peoples and the imminent emergence of a single Soviet people Yet the official Soviet view of ethnic nationality became increasingly primordial and even racialized in the USSR's final decades In this context Adrienne Edgar argues mixed families and individuals found it impossible to transcend ethnicity fully embrace their complex identities and become simply Soviet Looking back on their lives in the Soviet Union ethnically mixed people often reported that the official nationality in their identity documents did not match their subjective feelings of identity that they were unable to speak their own native language and that their ambiguous physical appearance prevented them from claiming the nationality with which they most identified In all these ways mixed couples and families were acutely and painfully affected by the growth of ethnic primordialism and by the tensions between the national and supranational projects in the Soviet Union Intermarriage and the Friendship of Peoples is based on more than eighty in depth oral history interviews with members of mixed families in Kazakhstan and Tajikistan along with published and unpublished Soviet documents scholarly and popular articles from the Soviet press memoirs and films and interviews with Soviet era sociologists and ethnographers

Jewish Girls Coming of Age in America, 1860-1920 Melissa R. Klapper, 2005 Jewish Girls Coming of Age in America 1860 1920 draws on a wealth of archival material much of which has never been published or even read to illuminate the ways in which Jewish girls' adolescent experiences reflected larger issues relating to gender ethnicity religion and education Klapper explores the dual roles girls played as agents of acculturation and guardians of tradition Their search for an identity as American girls that would not require the abandonment of Jewish tradition and culture mirrored the struggle of their families and communities for integration into American society While focusing on their lives as girls not the adults they would later become Klapper draws on the papers of such figures as Henrietta Szold founder of Hadassah Edna Ferber Pulitzer Prize winning author of *Showboat* and Marie Syrkin literary critic and Zionist Klapper also analyzes the diaries memoirs and letters of hundreds of other girls whose later lives and experiences have been lost to history Told in an engaging style and filled with colorful quotes the book brings to life a neglected group of fascinating historical figures during a pivotal moment in the development of gender roles adolescence and the modern American Jewish community
