 Ronald Winston,William Stadiem,2023-09-19 This authoritative and intimate biography written by his only living son Ronald Winston marries the Gilded Age glamour and romance of Edith Wharton with the ruthless family dynamics of HBO's hit series Succession Few American success stories rival that of Harry Winston Born Harry Weinstein he came from humble roots his parents were poor Jewish immigrants who left Ukraine around 1890 for New York where they settled and started a small jewelry business His genius for spotting priceless gems emerged young When Harry was twelve years old he recognized a two carat emerald in a pawn shop and bought it for 25 cents selling it two days later for 800 a massive sum in the early 1900s From that moment on Harry became obsessed with gems especially diamonds A compact unassuming man with no formal education but unlimited drive and ambition Harry Weinstein transformed himself into Harry Winston the enigmatic figure who created the world's most prestigious luxury brand Harry Winston built his empire while the Depression raged World War II reshaped the world and America entered its post war period of prosperity In this riveting biography readers get a bird's eye view of the dangers of the diamond trade and the lengths men would go to get their hands on the best of the rough There's also a glimpse into the lives of the rich and famous who clamored for Winston's gems Although he traveled the world doing business with kings queens and movie stars Winston remained a devoted family man whose chief wish was that his sons carry on the legacy he had built Harry's older son Ronald Winston worked alongside his father for decades After Harry's death Ron grew the company into the international brand that is still revered today He ran it expertly until he was forced to sell the company due to his younger brother's maligning litigation This is the story of a family business that survived and thrived for more than a century until it was undone by one bitter family member KING OF DIAMONDS is at once a portrait of American ingenuity at its best and the story of sibling rivalry that is Shakespearean in its tragedy [Toads and Diamonds](#) Heather Tomlinson,2010-03-30 Diribani has come to the village well to get water for her family's scant meal of curry and rice She never expected to meet a goddess there Yet she is granted a remarkable gift Flowers and precious jewels drop from her lips whenever she speaks It seems only right to Tana that the goddess judged her kind lovely stepsister worthy of such riches And when she encounters the goddess she is not surprised to find herself speaking snakes and toads as a reward Blessings and curses are never so clear as they might seem however Diribani's newfound wealth brings her a prince and an attempt on her life Tana is chased out of the village because the province's governor fears snakes yet thousands are dying of a plague spread by rats As the sisters' fates hang in the balance each struggles to understand her gift Will it bring her wisdom good fortune love or death Toads and Diamonds is a 2011 Bank Street Best Children's Book of the Year

Commercial Orchids Lakshman Chandra De,2015-01-29 Orchids account for a large share of global floriculture trade both as cut flowers and as potted plants and are estimated to comprise around 10% of international fresh cut flower trade The average value of fresh cut orchids and buds trade during 2007-2012 was US 483 million In 2012 there are more than 40

countries exporting orchids and 60 countries importing orchids around the world with the total size of the global trade equaling US 504 million In India about 1350 species belonging to 186 genera represent approximately 5.98% of the world orchid flora and 6.83% of the flowering plants in India The publication on Commercial Orchids is presented in 15 interesting chapters vividly highlighting the global orchid industry bio diversity conservation and bio piracy of genetic resources morphological and molecular characterization of valuable species breeding approaches for improved genotypes production of quality planting materials physiology of tropical and temperate orchids climate change and its impact on orchid productivity production technology of commercial epiphytic orchids for cut flower production technology of commercial terrestrial orchids for cut flower orchids for pot culture hanging baskets and tree mounting medicinal and aromatic orchids post harvest management of cut flowers of commercial orchids value addition and marketing *Diamonds Penny Proddow, Marion Fasel, 1996* Bernard Williams is one of the most influential figures in recent ethical theory where he has set a considerable part of the current agenda In this collection a distinguished international team of philosophers who have been stimulated by Williams work give new responses to it The topics covered include equality consistency comparisons between science and ethics integrity moral reasons the moral system and moral knowledge Williams himself then provides a substantial reply which in turn shows both the current directions of his own thought and also his present view of his earlier work such as that on utilitarianism **The Orchid World** Gurney Wilson, 1912 **Pocket Guide to the Orchids of Britain and Ireland** Simon Harrap, 2016-06-09 The perfect guide to these beautiful and evocative plants covering all 52 British and Irish species The orchid family is one of the largest plant families in the world reaching its highest diversity in the tropics where their exotic and colourful flowers are often truly breathtaking Britain and Ireland have just 52 species of wild orchid some of which are rare or scarce whilst others are surprisingly inconspicuous Yet whether large or small all orchids share flamboyant flower structures and incredible beauty This pocket guide allows the identification of all species of orchid in the British Isles It has concise text highlighting ID criteria as well as notes on biology habitat and conservation along with stunning colour photographs and accurate range maps based on maps compiled by the Biological Record Centre This book provides the perfect guide to these beautiful and evocative plants and is a must for any field naturalist Part of the Pocket Guides series covering British and European wildlife including garden birds butterflies insects wild flowers trees and shrubs and tracks and signs **Wildlife in North Carolina** Jim Dean, Lawrence S.
