Greene,Anke Ortlepp,2010-12-07 Germans and African Americans unlike other works on African Americans in Europe examines the relationship between African Americans and one country Germany in great depth Germans and African Americans encountered one another within the context of their national identities and group experiences In the nineteenth century German immigrants to America and to such communities as Charleston and Cincinnati interacted within the boundaries of their old world experiences and ideas and within surrounding regional notions of a nation fracturing over slavery In the post Civil War era in America through the Weimar era Germany became a place to which African American entertainers travelers and intellectuals such as W E B Du Bois could go to escape American racism and find new opportunities With the rise of the Third Reich Germany became the personification of racism and African Americans in the 1930s and 1940s could use Hitler s evil example to goad America about its own racist practices Postwar West Germany regained the image as a land more tolerant to African American soldiers than America African Americans were important to Cold War discourse especially in the internal ideological struggle between Communist East Germany and democratic West Germany Unlike many other countries in Europe Germany has played a variety of different and conflicting roles in the African American narrative and relationship with Europe It is this diversity of roles that adds to the complexity of African American and German interactions and mutual perceptions over time The Thieves of Manhattan Adam Langer,2010-07-13 The famously false memoirs of James Frey may be yesterday s news but as this funny riff reminds us literary fakes are as old as literature itself Ian Minot is an aspiring writer who labors over short stories that seem destined to remain unread His beautiful Romanian girlfriend Anya Petrescu finds success more easily and leaves Ian for Blade Markham a bloviating ex gangbanger whose so called memoir is a best seller When Ian is approached by ex editor Jed Roth who wants Ian to publish Jed s pulpy tale of book theft and murder as a memoir then renounce it it s a chance for both of them to get revenge Jed on his former employer and Ian on the world Although Langer may be too cute for some he employs made up slang in which a

penis is a portnoy he does an engaging job with the hall of mirrors plot And if readers can predict that the book they re reading is the one that Ian ends up writing they ll never guess the ending Just when you want a surprising twist Langer delivers several **The Publishers Weekly** ,1922 **The Bookseller** ,1885 Official organ of the book trade of the United Kingdom Bookseller ,1865 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **The Publishers' Circular and Booksellers' Record** ,1929 **Gateways to Empire** Daniel J. Weeks,2019-07-15 In Gateways to Empire Quebec and New Amsterdam to 1664 historian Daniel Weeks has provided the first comprehensive comparative study of the North American fur trading colonies New France and New Netherland While neither colony profited very much if at all from the fur trade though many individuals fortunes were undoubtedly made Weeks finds that New France which far outpaced New Netherland in this trade grew more slowly and had greater difficulty sustaining itself As he demonstrates in Gateways to Empire other factors including New Netherland s openness to religious and ethnic diversity and wider connections to the Atlantic World allowed it to become more economically secure than its rival north of the St Lawrence And yet in both cases the principal towns of these European colonies Quebec and New Amsterdam moved beyond their initial purposes as hubs for trade with the indigenous peoples to become gateways to European settlement In this New Amsterdam by the late 1640s was singularly successful so that it rapidly fostered the production of new European towns in its hinterlands organizing the landscape for settlement and also for trade within the European dominated Atlantic World system **Bookseller and the Stationery Trades' Journal** ,1889 **Paperbacks in Print** ,1964 *Publishers' Circular* ,1870
