Modernism and the Machinery of Madness Andrew Gaedtke, 2017-10-26 Modernism and the Machinery of Madness demonstrates the emergence of a technological form of paranoia within modernist culture which transformed much of the period's experimental fiction Gaedtke argues that the works of writers such as Samuel Beckett Anna Kavan Wyndham Lewis Mina Loy Evelyn Waugh and others respond to the collapse of categorical distinctions between human and machine Modern British and Irish novels represent a convergence between technological models of the mind and new media that were often regarded as thought influencing machines Gaedtke shows that this literary paranoia comes into new focus when read in light of twentieth century memoirs of mental illness By thinking across the discourses of experimental fiction mental illness psychiatry cognitive science and philosophy of mind this book shows the historical and conceptual sources of this confusion as well as the narrative responses This book contributes to the fields of modernist studies disability studies and medical humanities

Page, 1997-07-21 This chronology covers the whole sweep of Evelyn Waugh's varied and eventful life and career including his numerous friendships his active social life and his exotic travels Drawing on Waugh's own letters and diaries as well as other sources it provides accurate and detailed information in a highly accessible form Its layout enables it to be used for checking specific items of information but it can also serve as an

alternative biography *After the Trauma* Harvey Curtis Webster, 2021-10-21 In this lucid book a distinguished scholar and critic measures British fiction from World War I through the convulsive effects of the Depression and World War II and the importance of the writing that has been done since Finnegans Wake Webster presents a moving account of the shattering impact of the Great War upon British writers particularly Rose Macaulay Aldous Huxley Evelyn Waugh and Ivy Compton Burnett The cynicism and despair which afflicted them also bore heavily on the novelists of the thirties and forties Graham Greene Joyce Cary L P Hartley C P Snow who endured the disorder and violence of the Depression and World War II Though all of these writers spoke with individual voices ranging from pessimism to joyful affirmation they were all marked ineradicably by the turmoil of the period The book closes with an overview of the writers who have developed since World War II Penetrating fresh affirmative in its values the book is an important assessment of this protean group of writers *The Vocation of Evelyn Waugh* D. Marcel DeCoste, 2016-03-09 Arguing against the critical commonplace that Evelyn Waugh's post war fiction represents a decline in his powers as a writer D Marcel DeCoste offers detailed analyses of Waugh's major works from *Brideshead Revisited* to *Unconditional Surrender* Rather than representing an ill advised departure from his true calling as an iconoclastic satirist DeCoste suggests these novels form a cohesive artful whole precisely as they explore the extent to which the writer's and the Catholic's vocations can coincide For all their generic and stylistic diversity these novels pursue a new sustained exploration of Waugh's art and faith both As DeCoste shows Waugh offers in his later works an under remarked meditation on the dangers of a too avid devotion to art in the context of modern secularism forging in the second half of his career a literary achievement that both narrates and enacts a contrary and Catholic literary vocation **Who's Who in Gay and Lesbian History Vol.1** Robert Aldrich, Garry Wotherspoon, 2005-10-25 Who's Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages **Evelyn Waugh's Satire** Naomi Milthorpe, 2016-06-23 Evelyn Waugh 1903 1966 is one of the twentieth century's great prose stylists and the author of a suite of devastating satires on modern English life from his first unforgettably funny novel *Decline and Fall* to his last work of fiction *Basil Seal Rides Again* Evelyn Waugh's Satire Texts and Contexts renews scholarly debates central to Waugh's work the forms of his satire his attitudes towards modernity and modernism his place in the literary culture of the interwar period and his pugnacious misreading of literary and other texts This study offers new exegetical accounts of the forms and figures of Waugh's satire linking original readings of Waugh's texts to the literary historical contexts that informed them Posing fresh readings of familiar works and affording attention to more neglected texts Evelyn Waugh's Satire Texts and Contexts

offers readers and scholars a timely opportunity to return to the rich dark art of this master of prose satire **Catalogues of Sales** Sotheby's (Firm),1987-01-12 **Collected Stories of W. Somerset Maugham** W. Somerset Maugham,2015-11-24 From one of the twentieth century s most enduringly popular fiction writers the only hardcover edition of his short stories Though W Somerset Maugham was also famous for his novels and plays it has been argued that in the short story he reached the pinnacle of his art These expertly told tales with their addictive plot twists and vividly drawn characters are both galvanizing as literature and wonderfully entertaining In the adventures of his alter ego Ashenden a writer who like Maugham himself turned secret agent in World War I as well as in stories set in such far flung locales as South Pacific islands and colonial outposts in Southeast Asia Maugham brings his characters vividly to life and their humanity is more convincing for the author s merciless exposure of their flaws and failures Whether the chasms of misunderstanding he plumbs are those between colonizers and natives between a missionary and a prostitute or between a poetry writing woman and her uncomprehending husband Maugham brilliantly displays his irony his wit and his genius in the art of storytelling A People's History of English and American Literature Eugene V. Moran,2002 With special emphasis on literary merit this book chronicles the literature of the great nations of Britain and America from their earliest origins to the twenty first century **Memory in the Twenty-First Century** Sebastian Groes,2016-03-29 This book maps and analyses the changing state of memory at the start of the twenty first century in essays written by scientists scholars and writers It recontextualises memory by investigating the impact of new conditions such as the digital revolution climate change and an ageing population on our world **Catalogues of Sale** Sotheby & Co. (London, England),1982 Religion and Public Doctrine in Modern England: Volume 1 Maurice Cowling,2003-09-25 A further contribution to understanding the role played by Christianity in modern English thought *AB Bookman's Weekly* ,1998 **Evelyn Waugh and the Problem of Evil** William Myers,2025-07-01 Originally published in 1991 this elegantly written book offers new readers a useful approach to the work of Evelyn Waugh and will persuade those familiar with it to look at it afresh This introduction to Waugh s novels places them high in the catalogue of great fiction It claims for them an intellectual coherence subtlety and seriousness which Waugh s disconcerting comic gifts and extravagant public and writing persona have tended to put in the shade In addressing the nature of Waugh s comic writing William Myers has borrowed George Bataille s concept of Evil as a convenient way of dealing with the most troubling and exciting aspects of Waugh s work its sadism its childish irresponsibility its fascination with lunacy and death **Windows on the Abyss** K. M. Hartmann,2013-03-01 The death of George s mother triggers in him guilt riddled memories of the breakup of his marriage and his subsequent neglect of both wife and mother He relates in a polyphony of voices the build up to a series of breakdowns and his eventual confinement in a clinic These voices are interleaved with the voice of his estranged wife Amanda The voices echo off each other revealing their lives to be so intertwined that they must reunite after George has recovered The reunion is however short lived George is again stranded

with guilt riddled memories that refuse to fade George attempts to understand his extreme states of mind not on Freud's by now creaky couch but rather in terms of current ideas in neurobiology and quantum physics During the meanderings of his mind he touches also upon the ultimate questions of existence He attempts at the same time to find through poetry a form that will accommodate the mess that's in his head
