Order And Legitimacy Political Thought In National Spain:

Order and Legitimacy Francis Graham Wilson, 2017 A growing body of readers is rediscovering Francis Graham Wilson's tremendous contribution to the study of politics and humane learning. In this volume he offers an extensive assessment of the nature of politics and the search for order in Spanish politics, concentrating on the central figures who defended the Church and communities during the Spanish Civil War. The book argues for the uniqueness of Spain among the other countries of Europe. For Wilson, the most salutary attribute of Spanish politics is found in the assemblage of smaller groupings of the citizenry within the larger society in communities, and it is in the smaller association that the most important aspects of moral, social, and political life were nurtured. Part 1 includes assessments of three eminent Spanish traditionalists: Juan Donoso Cortés, Jaime Balme, and Menéndez Pelayo, as well as studies of central figures from the period of the Spanish Civil War: José Antonio and Ramiro de Maeztu. The final chapters are taken from an unpublished book-length manuscript, *An Anchor in the Latin Mind*, that Wilson had completed at the time of his death in 1976 and was recently discovered by the editors. For Wilson, Latin thinkers possess advantages others do not: a political realism that can be reinvigorated. The recovery of Spanish traditionalism, according to this book, is dependent upon a return to the self-understanding of the ordering principles of Spanish politics and society. Wilson's affirmation of a Spanish traditionalist inheritance during his lifetime encouraged a return to authentic popular rule and a greater appreciation of Spanish achievements in politics and the moral life. Provided by publisher.

Order and Legitimacy Francis Graham Wilson, H. Lee Cheek, Jr., A growing body of readers is rediscovering Francis Graham Wilson's tremendous contribution to the study of politics and humane learning. In this volume he offers an extensive assessment of the nature of politics and the search for order in Spanish politics, concentrating on the central figures who defended the Church and communities during the Spanish Civil War. The book argues for the uniqueness of Spain among the other countries of Europe. For Wilson, the most salutary attribute of Spanish politics is found in the assemblage of smaller groupings of the citizenry within the larger society in communities, and it is in the smaller association that the most important aspects of moral, social, and political life were nurtured. Part 1 includes assessments of three eminent Spanish traditionalists: Juan Donoso Cortés, Jaime Balme, and Menéndez Pelayo, as well as studies of central figures from the period of the Spanish Civil War: José Antonio and Ramiro de Maeztu. The final chapters are taken from an unpublished book-length manuscript, *An Anchor in the Latin Mind*, that Wilson had completed at the time of his death in 1976 and was recently discovered by the editors. For Wilson, Latin thinkers possess advantages others do not: a political realism that can be reinvigorated. The recovery of Spanish traditionalism, according to this book, is dependent upon a return to the self-understanding of the ordering principles of Spanish politics and society. Wilson's affirmation of a Spanish traditionalist inheritance during his lifetime encouraged a return to authentic popular rule and a greater appreciation of Spanish achievements in politics and the moral life. H. Lee Cheek, Jr. is associate professor of political science at Lee University in

Cleveland Tennessee His work has appeared in the Journal of Politics International Social Science Review and Methodist History He is the author of Calhoun and Popular Rule and editor of Calhoun Selected Writings and Speeches M Susan Power is professor of political science at Arkansas State University Her books include Before the Convention Religion and the Founders and Jacques Maritain Kathy B Cheek is adjunct instructor at Lee University a choreographer and teacher of dance Thomas J Metallo is assistant professor of political science at Lee University and a specialist in Spanish and Latin politics

Order and Legitimacy Francis Graham Wilson, 2017-12-02 A growing body of readers is rediscovering Francis Graham Wilson s tremendous contribution to the study of politics and humane learning In this volume he offers an extensive assessment of the nature of politics and the search for order in Spanish politics concentrating on the central figures who defended the Church and communities during the Spanish Civil War The book argues for the uniqueness of Spain among the other countries of Europe For Wilson the most salutary attribute of Spanish politics is found in the assemblage of smaller groupings of the citizenry within the larger society in communities and it is in the smaller association that the most important aspects of moral social and political life were nurtured Part 1 includes assessments of three eminent Spanish traditionalists Juan Donoso Cortes Jaime Balmes and Menendez Pelayo as well as studies of central figures from the period of the Spanish Civil War Jose Antonio and Ramiro de Maeztu The final chapters are taken from an unpublished book length manuscript An Anchor in the Latin Mind that Wilson had completed at the time of his death in 1976 and was recently discovered by the editors For Wilson Latin thinkers possess advantages others do not a political realism that can be reinvigorated The recovery of Spanish traditionalism according to this book is dependent upon a return to the self understanding of the ordering principles of Spanish politics and society Wilson s affirmation of a Spanish traditionalist inheritance during his lifetime encouraged a return to authentic popular rule and a greater appreciation of Spanish achievements in politics and the moral life

Sayyid Qutb's Radical Islamism and the Comparative Political Theology Dragos Stoica, 2025-02-15 Sayyid Qutb s Radical Islamism and The Comparative Political Theology argues that Sayyid Qutb s radical critique of secular modernity seen as a product of a great theft of sovereignty that usurps the monopoly of God over the entire world of creation is not idiosyncratic or incoherent but a quintessential expression and an extreme type of a specific tradition of political theology that until now has been exclusively the province of the Western thought Dragos Stoica claims that Sayyid Qutb s political theology of Hakimiyyah God s Sovereignty is better understood by integrating it in a wider context of the antimodern political theology Thus throughout this book he compares Qutb s critique of modernity with the Pakistani Islamist thinker Abu al A la Mawdudi 1903 1979 the Spanish Catholic counter revolutionary political theologian Juan Donoso Cort s 1809 1853 as well as the Protestant political theologians Abraham Kuyper 1837 1920 and Rousas J Rushdoony 1916 2001 This book employs a family resemblance cross cultural comparative method and applies a cross disciplinary analytical model that combines comparative political theology with critical discourse analysis Employing these analytical instruments this book compares

Qutb and his counterparts via the category of anti modern political theology more precisely through a set of shared antitheses organized around the master concept of God's Sovereignty The ultimate objective is to augment the understanding of the Qutbian critique of secular modernity as an essential dimension of anti modern political theology Thus by recasting Sayyid Qutb as an essential Muslim political theologian of God's Sovereignty placed within a larger cross cultural paradigm this book contributes as well to the necessary process of decolonization of political theology

Taming the Revolution in Nineteenth-Century Spain Andrea Acle-Kreysing, 2022-11-23 Jaime Balmes und Juan Donoso Cortés die beiden wichtigsten konservativen Denker im Spanien des 19. Jahrhunderts versuchten aktiv im Zuge des aufkommenden Liberalismus die Zentralität von Kirche und Monarchie zu bewahren und gleichzeitig die stereotype Sichtweise Spaniens als rückständiges und isoliertes Land zu diskreditieren Obwohl sie ein ähnliches Ziel verfolgten unterschieden sich ihre Standpunkte Während Balmes Werke einen sozial orientierten Katholizismus vorwegnahmen stellte Donoso das Christentum als höchstes soziales Gut dar das mit dem modernen Liberalismus unvereinbar war Andrea Acle Kreysing hebt die ungelösten Spannungen in ihren Werken hervor und zeigt dass das spanische politische Denken eine anregende Variante und keine Abweichung der zeitgenössischen europäischen Debatten war

American Conservatism Bruce Frohnen, Jeremy Beer, Nelson O. Jeffrey, 2014-05-20 A must own title National Review Online American Conservatism An Encyclopedia is the first comprehensive reference volume to cover what is surely the most influential political and intellectual movement of the past half century More than fifteen years in the making and more than half a million words in length this informative and entertaining encyclopedia contains substantive entries on those persons events organizations and concepts of major importance to postwar American conservatism Its contributors include iconic patriarchs of the conservative and libertarian movements celebrated scholars well known authors and influential movement activists and leaders Ranging from abortion to Zoll Donald Atwell and written from viewpoints as various as those which have informed the postwar conservative movement itself the encyclopedia's more than 600 entries will orient readers of all kinds to the people and ideas that have given shape to contemporary American conservatism This long awaited volume is not to be missed

A Theory of Public Opinion Francis Wilson, 2017-07-12 This book traces the emergence of the ideas and institutions that evolved to give people mastery over their own destiny through the force of public opinion The Greek belief in citizen participation is shown as the ground upon which the idea of public opinion began and grew For Wilson public opinion is an orderly force contributing to social and political life Wilson appraises the influence of modern psychology and the slow appearance of methodologies that would enable people not only to measure the opinions of others but to mold them as well He examines the relation of the theory of public opinion to the intellectuals the middle class and the various revolutionary and proletarian movements of the modern era The circumstances in which the individual may refuse to follow the opinions of the experts are succinctly and movingly analyzed This book is a historical and philosophical evaluation of a concept that has played a decisive part in history and whose overwhelming force is

underestimated The author s insight brings an understanding that is invaluable at a time when public opinion the force developed to enable the ruled to restrain their rulers has become controllable Attempts to manipulate it are made by those who would impose their will upon their fellow men **The British National Bibliography** Arthur James Wells,2006 A History of Western Public Law Bruno Aguilera-Barchet,2014-12-31 The book outlines the historical development of Public Law and the state from ancient times to the modern day offering an account of relevant events in parallel with a general historical background establishing and explaining the relationships between political religious and economic events

American Book Publishing Record ,2004 *Constitutional Debates, Rhetoric, and Political Philosophy in Spain's Parliamentary History* Francisco J. Bellido,2024-03-29 This book examines the conceptual contributions of constituent representatives in Spain during the nineteenth and twentieth centuries The Spanish Parliament has been the stage for the political modernisation of the country Constitutional debates have historically led to the gradual acknowledgement and broadening usually unevenly of citizens rights At the same time constitutional debates have created opportunities to design institutions and settle legal mechanisms to enforce rights and distribute state resources The book identifies and analyses rhetorical and conceptual innovations produced in such debates from a historical perspective **Encyclopedia of Modern Political Thought (set)** Gregory Claeys,2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism Encyclopedia of Modern Political Thought is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant

Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft Legal Implications of Territorial Secession in Spain Carlos Fernández de Casadevante Romani, 2022-09-30 The book deals with the secession separation of territorial entities and the legal consequences that derive from it both for the parent state and for the seceded separated entity or the entity that intends to secede separate This subject is approached from the triple perspective of international law comparative law and Spanish law International law because it is this legal system which contains the general legal framework within which this issue must be dealt with Thus for example the legal basis of the right to self determination the constituent elements of the state the recognition of states and governments succession in the matter of treaties succession in membership of International Organisations etc Moreover international law is also the reference invoked by secessionist independentist political projects within states in an attempt to provide a legal basis for the legality of their claim Comparative law in order to find out not only how most state constitutions deal with secession or independence of their territories but also the jurisprudence handed down by national courts on the matter USA Canada Italy France Spain among others And finally Spanish Law because the perspective chosen to address the object of study is from the perspective of Spain **International Relations and Political Philosophy** Martin Wight, 2022 This book collects works of fundamental importance by the late Professor Martin Wight about the theory and political philosophy of international relations **Political Thought in National Spain** Francis Graham Wilson, 1967 **The Oxford Handbook of European History, 1914-1945** Nicholas Doumanis, 2016 The period spanning the two World Wars was unquestionably the most catastrophic in Europe s history Despite such undeniably progressive developments as the radical expansion of women s suffrage and rising health standards the era was dominated by political violence and chronic instability Its symbols were Verdun Guernica and Auschwitz By the end of this dark period tens of millions of Europeans had been killed and more still had been displaced and permanently traumatized If the nineteenth century gave Europeans cause to regard the future with a sense of optimism the early twentieth century had them anticipating the destruction of civilization The fact that so many revolutions regime changes dictatorships mass killings and civil wars took place within such a compressed time frame suggests that Europe experienced a general crisis The Oxford Handbook of European History 1914 1945 reconsiders the most significant features of this calamitous age from a transnational perspective It demonstrates the degree to which national experiences were intertwined with those of other nations and how each crisis was implicated in wider regional continental and global developments Readers will find innovative and stimulating chapters on various political social and economic subjects by some of the leading scholars working on modern European history today **Sustainable Diplomacy** D. Wellman, 2004-05-06 Drawing on a variety of disciplines Sustainable Diplomacy is a highly constructive work Set in the context of modern Moroccan Spanish relations this text is a direct critique of realism as it is practiced in modern diplomacy Proposing a new eco centric approach to relations between nation states and bioregions Wellman presents the case for

Ecological Realism an undergirding philosophy for conducting a diplomacy which values the role of popular religions ecological histories and the consumption and waste patterns of national populations Sustainable Diplomacy is thus a means of building relations not only between elites but also between people on the ground as they together face the real possibility of global ecological destruction [1974 Annual Supplement](#) Joan Schmitz Bergholt, 2013-12-21 **The Cultural Dynamics of Democratization in Spain** Peter McDonough, Samuel H. Barnes, Antonio Lopez-Pina, 2018-09-05 Since the death of Franco in 1975 Spain has made a successful transition to democracy This book looks at what that transition has meant for the Spanish people Drawing on national surveys taken in 1978 1980 1984 and 1990 the authors explore three questions What is the basis of the new regime's political legitimacy How did Spanish democracy move from the conservative center right coalition that engineered the transition to the socialist government that consolidated it And why is political participation so low among Spaniards The answers to the first two questions highlight the ambiguity built into the political contrast with the Franco regime and a certain appreciation of the material accomplishments of authoritarianism the pivotal role of the king in opting for democracy while symbolically spanning traditional and modernizing forces and finally a movement from foundational issues to economic and social concerns In response to the third question the authors illuminate the participatory shortfall in Spanish politics by comparing Spain with Brazil and Korea two post authoritarian societies where political involvement is much higher They consider long term structural factors as well as short term strategic actions that have contributed to low civic engagement [Political Armies](#) Kees Koonings, Dirk Kruijt, 2002-05 Does the withdrawal of armies from direct rule in most countries herald an end to their role as actors in domestic politics Has political intervention by the military been superseded This comparative examination of the politicized armed forces looks at the consequences of military rule for nation building and economic development the effects of the passing of the Cold War and the rise of globalization on the political role of the military the role of political armies in the consolidation of civil politics and democratic governance the lessons for policy makers in global governance and post conflict reconstruction The contributors build on successive theories about the role of the military in politics and look to the future The most threatening scenario may be a proliferation of armed actors and the rise of privatized forces of law and order

Embracing the Beat of Appearance: An Emotional Symphony within **Order And Legitimacy Political Thought In National Spain**

In some sort of used by displays and the ceaseless chatter of quick communication, the melodic beauty and emotional symphony developed by the written term usually diminish in to the backdrop, eclipsed by the constant noise and distractions that permeate our lives. Nevertheless, set within the pages of **Order And Legitimacy Political Thought In National Spain** a charming literary prize filled with natural feelings, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this fascinating masterpiece conducts viewers on a psychological journey, skillfully unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths of this poignant examination, we will explore the book is key harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Order And Legitimacy Political Thought In National Spain Introduction

In the digital age, access to information has become easier than ever before. The ability to download Order And Legitimacy Political Thought In National Spain has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Order And Legitimacy Political Thought In National Spain has opened up a world of possibilities. Downloading Order And Legitimacy Political Thought In National Spain provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Order And Legitimacy Political Thought In National Spain has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Order And Legitimacy Political Thought In National Spain. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Order And Legitimacy Political Thought In National Spain. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of

authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Order And Legitimacy Political Thought In National Spain, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Order And Legitimacy Political Thought In National Spain has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Order And Legitimacy Political Thought In National Spain Books

1. Where can I buy Order And Legitimacy Political Thought In National Spain books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
