

The background of the entire image is a photograph of a massive flock of birds, likely frigatebirds, in flight. They are silhouetted against a sky that transitions from a deep blue at the top to a bright orange and yellow near the horizon, suggesting a sunset or sunrise. The birds are densely packed in the lower half of the image, creating a textured, almost solid black appearance, while in the upper half, they are more sparsely distributed, appearing as individual dark shapes against the lighter sky.

Engaging Crystallization in Qualitative Research Laura L. Ellingson,2009 This is the best book I have read in quite some time Professor Ellingson writes clearly yet artfully and in a scholarly voice that is accessible to students and faculty alike The weaving between description and illustrative case studies takes readers through the step by step journey of crystallization as experienced and offered by Ellingson The book is clearly grounded in philosophies of knowing and methods yet it offers practical strategies questions and choices for researchers Lynn M Harter Ohio University Engaging Crystallization in Qualitative Research the first how to book to both explain and demonstrate crystallization methodology offers a framework for blending grounded theory and other social scientific analyses with creative representations of data such as narratives poetry and film Author Laura L Ellingson explores relevant epistemological questions that arise when crossing methodological boundaries provides detailed steps for design and planning offers guidelines for improving both social scientific and creative artistic writing and suggests strategies for targeting publication outlets for multigenre representations Features Articulates the principles of crystallization and how it enables researchers to both represent multiple perspectives on a phenomenon and highlight the partial nature of all claims of truth Breaks down the qualitative research barriers between the grounded theorists and those who favor artistic interpretive and creative approaches exemplifying the possibilities for all Demonstrates the rich possibilities for blending social scientific creative artistic and critical approaches to research Provides hands on strategies that help practitioners and students collect analyze and represent qualitative data through crystallization Explores ethical challenges the political nature of research findings and the need for social justice activism among researchers Illustrates concepts with exemplars featuring cutting edge research in social sciences education and allied health Suitable for experienced practitioners and advanced students of qualitative methods Engaging Crystallization in Qualitative Research is ideal for such courses as Intermediate Advanced Qualitative Research Ethnographic Methods Grounded Theory Field Research Methods and Qualitative Inquiry Motherhood Realized

Power of Moms,2014-04-08 We believe that family life is beautiful and that motherhood is a privilege But we also believe it is often really hard to see all that beauty when we re in the midst of mothering So often we feel like we re spread too thin We feel like we don t match up Our hearts want to do more than our hands can manage And every day as we cycle through household duties discipline errands conversations teaching and hundreds of unexpecteds we re often left tired worried and in need of some extra inspiration and encouragement Power of Moms is an online community of deliberate mothers Since 2007 millions of mothers from all backgrounds who are striving to be the best they can be have gathered to our website to learn and grow together Time and again our posts receive comments that say something like I am going to print this out and put it on my nightstand so I can read it again and again We ve been concerned about those nightstands getting all cluttered up with paper So we ve selected dozens of our most popular posts and compiled them neatly into this book just for you This book isn t just a book It s a tangible representation of a living breathing community of mothers Motherhood is the hardest job we ll ever love and it s so much better when we re doing it together

MitzvahChic Gail Anthony Greenberg,2006-10-03 An indispensable modern day guide to planning the perfect bar or bat mitzvah celebrating substance and style There used to be only two approaches to the bar or bat mitzvah party a low key event that reflects the solemnity of this sacred rite of passage or a big bash that has no connection to the religious service For many it was an impossible dilemma Will a big bash trivialize and overshadow the bar or bat mitzvah experience Will too much spirituality suck the life out of an otherwise fabulous party MitzvahChic is the first book that proves that if you want a truly amazing experience you can and must have it all Blending meaningful Jewish elements with high style contemporary party planning this inspiring and useful guide will show you how to have the ultimate bar or bat mitzvah a profoundly moving service followed by an unforgettable party The MitzvahChic approach also shows how to honor your child in a big way rather than reducing him or her to an overused pop culture theme or a single cliché He s into baseball She loves horses This must have guide gives advice on the major decisions the basics of the service and the party details that really matter It also features A complete guide to the Torah including dates and summaries of the portions and supplementary materials Eight complete themed parties including party favors decorations and photographs of sample tables A time line to help plan the bar or bat mitzvah up to two years ahead Instructions for being MitzvahChic on a budget Advice on how to include non Jewish friends and family members in the ceremony A practical guide to all things mitzvah from the Torah to the tablecloth MitzvahChic will help create a beautiful powerful resonant and unforgettable rite of passage

The Primary English Encyclopedia Margaret Mallett,2017-02-24 This newly updated user friendly Primary English Encyclopedia addresses all aspects of the primary English curriculum and is an invaluable reference for all training and practising teachers Now in its fifth edition entries have been revised to take account of new research and thinking The approach is supportive of the reflective practitioner in meeting National Curriculum requirements in England and developing sound subject knowledge and good classroom practice While the book is scholarly the author writes in a

conversational style and includes reproductions of covers of recommended children's books and examples of children's writing and drawing to add interest. The encyclopedia includes over 600 entries, many expanded and entirely new for this edition, including entries on apps, blogging, and computing; short definitions of key concepts; input on the initial teaching of reading, including the teaching of phonics; and the other cue systems. Extended entries on major topics such as speaking and listening, reading, writing, drama, poetry, non-fiction, bilingualism, and children's literature; information on new literacies and new kinds of texts for children; discussion of current issues; and input on the history of English teaching in the primary years. Extended entries on gender and literacy; important references for each topic; advice on further reading; and accounts of recent research findings and a Who's Who of Primary English and lists of essential texts updated for this new edition. This encyclopedia will be ideal for student teachers on BA and PGCE courses preparing for work in primary schools and primary school teachers. Anyone concerned with bringing about the informed and imaginative teaching of primary school English will find this book helpful and interesting.

A Treatise on the Law of Corporations Having a Capital Stock William Wilson Cook, 1923 **Music in Education**, 1970 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries, 1979 **An Experimental Study to Determine the Feasibility of Using Folk Literature to Teach Select Critical Reading Skills to Sixth Graders** Bette Bosma, 1981 **Romantic Presences in the Twentieth Century** Mark Sandy, 2016-04-08

Concerned with the intermingled thematic and formal preoccupations of Romantic thought and literary practice in works by twentieth-century British, Irish, and American artists, this collection examines the complicated legacy of Romanticism in twentieth-century novels, poetry, and film. Even as key twentieth-century cultural movements have tried to subvert or debunk Romantic narratives of redemptive nature, individualism, perfectibility, and the transcendence of art, the forms and modes of feeling associated with the Romantic period continue to exert a signal influence on the modern moment, both as a source of tension and as creative stimulus. As the essays here show, the exact meaning of the Romantic bequest may be bitterly contested, but it has been difficult to leave behind. The contributors take up a wide range of authors, including Virginia Woolf, F. Scott Fitzgerald, W. H. Auden, Doris Lessing, Seamus Heaney, Hart Crane, William Faulkner, Don DeLillo, and Jonathan Franzen. What emerges from this lively volume is a fuller picture of the persistence and variety of the Romantic period's influence on the twentieth century.
