Ordinary People And Other Stories:

"The Sting of Death" and Other Stories Toshio Shimao, 2020-06-01 Until a recent boom Shimao Toshio writer of short fiction critic and essayist was not widely known even in Japan He has never won the Akutagawa or the Naoki Prize and none of his works had previously appeared in English translation He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English Yet there are those who consider him to be one of the best contemporary writers in Japan This volume by no means exhausts the scope of Shimao's fiction There are no stories here for instance about childhood or student life and none of his many travel stories Some of his most famous stories When we Never Left Port for example have not been included But the stories presented here do offer a considerable variety of style from the pristine storybook language of *The Farthest Edge of the Islands* to the young intellectual's jargon of *Everyday Life in a Dream* to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of *This Time That Summer* Shimao's approach to his material varies as well *Everyday Life in a Dream* is the only representative here of a large number of stories usually called surrealist by the critics stories whose plots progress by the logic of dreams The individual experience of real life are lived through a combination of conscious and unconscious perception These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction *The Farthest Edge of the Islands* is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault All but the first story *The Farthest Edge of the Islands* which is in third person narration are told in the first person by the character who plays Shimao's role in the life that inspired the fiction *Love Of Long Ago And Other Stories*, The Marie Corelli, 1978 1920 Contents the Love of Long Ago Brown Jim's Problem the Boy an Episode Claudia's Business Lolita a Love Episode the Trench Comrade the Signal the Mystic Tune etc **The Missing Tile & Other Stories** Saeed Ibrahim, 2022-01-06 *The Missing Tile and Other Stories* is a collection of short stories and Saeed Ibrahim's second book after the widely acclaimed family saga *Twin Tales* from Kutuch The fifteen stories in this collection are slice of life character based portraits reflecting on various aspects of human behaviour Drawing us into the lives of ordinary people their cares and concerns and their very human foibles and failings these people centric stories are sure to resonate with a large spectrum of readers both young and old alike Although the stories are set in India the underlying themes are universal in their relevance Some are light hearted tongue in cheek pieces on the quirks and idiosyncrasies in people's behaviour whilst others offer surprising insights into human nature's compassionate and humane side The tenor in the funny stories is entertaining and in the more serious ones connected with socially relevant issues inspiring and thought provoking A

notable feature is that the various stories in the collection celebrate India's diversity pluralism and composite culture which regrettably have been threatened in recent times Danesh Bharucha's imaginative sketches bring to life the characters in the stories and are skillfully adapted to suit the ambience and mood of these evocative tales *Ship of Secrets and Other Stories* Jane Denison, 2002-05 A young woman risks everything following a fortune teller's advice but finds much more than she expected People are not what they claim including her **The Convict and Other Stories** James Lee Burke, 2010-07-13 One of the country's most acclaimed and popular novelists offers a selection of a dozen short stories set in James Lee Burke's most beloved milieu the Deep South America's best novelist The Denver Post two time Edgar Award winner James Lee Burke is renowned for his lush suspense charged portrayals of the Deep South the people the crime the hope and despair infused in the bayou landscape This stunning anthology takes us back to where Burke's heart and soul beat the steamy seamy Gulf Coast in complex and fascinating tales that crackle with violence and menace meshing his flair for gripping storytelling with his urbane writing style *Puss in D.C. and Other Stories* Pamela Sargent, 2015-07-10 Pamela Sargent's latest collection assembles 10 of her recent stories including Puss in D C Strawberry Birdies and A Smaller Government showing why she's one of the most popular authors currently writing science fiction today From the introduction by Eleanor Arnason Sargent has a quality usually associated with hard SF a certain kind of intellectual rigor With her it carries through all of her work She thinks things through Notice when you read this collection how many different kinds of stories are here and notice the range of moods the stories go from really funny to really dark with a lot in between I also want to mention Sargent's persistence Writing is a hard life Many good woman writers I admired in the 1970s 80s and 90s have vanished They stopped writing or stopped trying to sell their fiction or changed their names and moved to writing romance gay romance generic fantasy whatever they could sell In one way or another they were silenced Sargent has kept doing thoughtful serious fiction dealing with the issues that interested her **In A Green Dress, Surrounded by Exploding Clowns and Other Stories** Robert Jeschonek, 2018-08-22 Get ready to have your mind blown Each of these 15 scifi fantasy stories shines a light on another wild world you've never seen before From exploding clowns to killer chickens you will meet the wildest characters And find a bold new way of looking at life Forget boring books about the same old star fights Surf the new wave of tomorrow and leave the same old same old far behind Get it now Includes 15 stories In A Green Dress Surrounded by Exploding Clowns Monkey Sea Monkey Do The First Hollywood Cowboy of the Bropocalypse In All Your Sparkling Raiment Soar Piggyback Fuzzy Duck Not So Fortunate Son Blackbeard's Aliens Cock A Doodle Die The Dancing Dead The Bear in the Cable Knit Sweater The Breakout Story of Galaxy's Edge Ten Million The Little Robot's Bedtime Prayer The Spinach Can's Son As If My Every Word Has Turned to Glass [Called to Transformation](#) World Council of Churches, 2022-12-31 A joint publication of the World Council of Churches WCC and ACT Alliance this study document aims to clarify the understanding of ecumenical diakonia and to provide a common platform for acting and reflecting together for the churches and ecumenical partners
