Ordinary People, Extraordinary Lives Carolyn Hope Smeltzer, Frances Vlasses, 2003 Stories about nurses are scarce but stories about nurses who have accomplished extraordinary feats are almost nonexistent This beautifully produced full color book breaks that trend with stories about nurses who in their daily lives have made outstanding contributions in extraordinary ways in their communities From around the globe authors have contributed over 100 stories and images of nurses guaranteed to make you laugh cry and applaud as you learn of their accomplishments Through narrative and photography each story shows how the individual nurse applies her or his talents to improve the quality of life of others These stories capture the diversity intensity and heroism of nursing Collectively they form a fascinating mosaic describing the fullness of the nursing profession *Nursing Stories: Ordinary People, Extraordinary Journey* Pedus C.

Eweama, 2009-05-28 Each of us has at least once in our lifetime come into contact with nurses of all backgrounds whether in the course of being cared for or while they care for our family and friends More often than not we have seen nurses as what they truly are compassionate professionals who often go above and beyond the call of duty in an unequivocally selfless manner But not many of us have taken time to ponder over the challenges nurses confront the experiences they encounter and the stories that come with these opportunities to change peoples lives and be sometimes changed in the course of doing so This book *Nursing Stories Ordinary People Extraordinary Journey* chronicles the challenges nurses face the camaraderie they share the experiences they have and their unfaltering desire to make a difference Many nurses of diverse specialties working across the globe have in this book succinctly told their stories experiences and challenges not only to promote nursing as a profession in which one can make a difference but also as one in which the difference one makes can help shape ones outlook on life Every new page in this book highlights that while nurses try to change lives a lot of them end up being changed themselves *Nursing Stories Ordinary People Extraordinary Journey* is a compilation of actual life transforming stories that range from subtly hilarious stories to confronting clinical experiences Some of the stories are intriguing challenging inspiring scary or outright inconceivable Welcome to the world of nursing welcome to *Nursing Stories Ordinary People Extraordinary Journey*
