Oregon Painters The First Hundred Years 1859 1959:

Oregon Painters Ginny Allen, Jody Klevit, 1999 Richly illustrated with colour plates of paintings from institutional and private collections as well as black and white photographs this reference guide is a comprehensive study of early Oregon painters Listings for over 500 Oregon artists offer biographical details and note where their work was shown and where it is now held Additional essays on early art museums and art organizations art galleries and exhibition spaces and the Federal Art Projects of the 1930s show how the state created itself artistically

Oregon Painters Ginny Allen, Jody Klevit, 2021-04 The book is an expanded pictorial review of the history of painting in Oregon from 1859 1959 The first edition was published as an encyclopedia and index of Oregon painters with historical data about the evolution of painting styles educational institutions and exhibition venues in the Northwest this book expands the focus on the history of painting in Oregon adding essays on Impressionism and Modernism while using more and better visual examples to illustrate the strength of the state s early painters In addition the original indexed content has been edited and condensed *Oregon Painters* fills an important niche as little has been written about the early history of Northwest art and this volume serves as a valuable resource for discovering artists who remain largely unknown but whose works continue to gain in reputation and value

Ray Stanford Strong, West Coast Landscape Artist Mark Humpal, 2017-12-14 Throughout his long and prolific career Ray Stanford Strong 1905 2006 strove to capture the essence of the western American landscape An accomplished painter who achieved national fame during the New Deal era Strong is best known for his depiction of landscapes in California and Oregon rendered in his signature plein air style This beautiful volume featuring more than 100 color and black and white illustrations is the first comprehensive exploration of Strong s life and artistry Through family papers archives photographs and a two year series of interviews conducted with the artist personally Mark Humpal traces Strong s journey from his childhood on an Oregon berry farm to his artistically formative years in New York and San Francisco After moving back to the West Coast Strong produced important works for the WPA executed major diorama projects for two world expositions helped organize the Santa Barbara Art Institute and served as teacher and mentor for a new generation of plein air artists But as Humpal emphasizes Strong distinguished himself by resisting the drumbeat of the avant garde During an era when many artists were experimenting with abstract expressionism Strong never relinquished his personal vision and adherence to a more traditional style With his outgoing personality he forged friendships and associations with such prominent artists as Frank Vincent DuMond Maynard Dixon Ansel Adams Frank Lloyd Wright and John Steinbeck Ultimately Strong had little concern for his place in the sweep of art history The proficiency he achieved through years of formal and informal study allowed him to craft a personal style difficult to categorize but unique and engaging By expanding our understanding and appreciation of Strong s artistic contributions this book offers a fitting tribute to one of America s finest landscape artists

Interwoven Lives Candace Wellman,2020-10-14 In this companion work to *Peace Weavers* her award winning first book on Puget Sound s cross cultural marriages author Candace Wellman depicts the lives of four additional intermarried indigenous women who influenced mid 1800s settlement in the Bellingham Bay area She describes each wife s native culture details ancestral history and traits for both spouses and traces descendants destinies highlighting the families contributions to new communities Jenny Wynn was the daughter of an elite Lummi and his Songhees wife and was a strong voice for justice for her people She and her husband Thomas owned a farm and donated land and a cabin for the second rural school Several descendants became teachers Snoqualmie Elizabeth Patterson daughter of the most powerful native leader in western Washington married a cattleman After her death from tuberculosis kind foster parents raised her daughters who ultimately grew up to enhance Lynden s literary and business growth Resilient and strong Mary Allen was the daughter of an Nlaka pamux leader on British Columbia s Fraser River The village of Marietta arose from her long marriage Later her sons played important roles in southeast Alaska s early fishing industry The indigenous wife of Fort Bellingham commander George W Pickett later a brigadier general in the Civil War left no name to history after her early death but gifted the West with one of its most important early artists James Tilton Pickett *Interwoven Lives* was a finalist for the 2020 Willa Literary Award scholarly nonfiction **Nature's Northwest** William G. Robbins,Katrine Barber,2011-04-15 At the beginning of the twentieth century the greater Northwest was ablaze with change and seemingly obsessed with progress The promotional literature of the time praising railroads population increases and the growing sophistication of urban living however ignored the reality of poverty and ethnic and gender discrimination During the course of the next century even with dramatic changes in the region one constant remained inequality With an emphasis on the region s political economy its environmental history and its cultural and social heritage this lively and colorful history of the Pacific Northwest defined here as Oregon Washington Idaho Montana and southern British Columbia places the narrative of this dynamic region within a national and international context Embracing both Canadian and American stories in looking at the larger region renowned historians William Robbins and Katrine Barber offer us a fascinating regional history through the lens of both the environment and

society Understanding the physical landscape of the greater Pacific Northwest and the watersheds of the Columbia Fraser Snake and Klamath rivers sets the stage for understanding the development of the area Examining how this landscape spawned sawmills fish canneries railroads logging camps agriculture and shared immigrant and ethnic traditions reveals an intricate portrait of the twentieth century Northwest Impressive in its synthesis of myriad historical facts this first rate regional history will be of interest to historians studying the region from a variety of perspectives and an informative read for anyone fascinated by the story of a landscape rich in diversity natural resources and Native culture **Hilda Morris** Bruce Guenther, Susan Fillin-Yeh, Hilda Morris, 2006 One of the premier sculptors of her generation in the Northwest Hilda Morris 1911 1993 lived her artistic life in the center of the region s circle of avant garde painters sculptors poets and musicians This is the first book to document her half century long career and presents Morris s highly individual abstract sculptures against the backdrop of artistic developments during the second half of the twentieth century A part of the abstract expressionist movement Morris s vigorous gestural sculptures inspired by mythological and universal symbols were instrumental in introducing a rigorous expansive thinking about abstraction to the Pacific Northwest community As an account of her life and the first complete survey of her entire oeuvre sculpture painting and drawing this volume will be essential to an understanding of the period Bruce Guenther the Curator of Modern and Contemporary Art at the Portland Art Museum has organized and contributed to numerous international exhibitions of contemporary art Dr Susan Fillen Yeh has published widely on American art and is the editor and author of *Dandies Fashion and Finesse in Art and Culture* 2001 Sculptor David Curt Morris is based in New York exhibits nationally and has executed numerous public commissions He is the son of Hilda and Carl Morris and serves as director and trustee for the Carl and Hilda Morris Foundation American Book Publishing Record ,2000 *Charles E. The Rough Guide to the Pacific Northwest J. D. Dickey, Tim Jepson, Phil Lee, 2004 The Rough Guide to the Pacific Northwest is the definitive guide to one of the world s most breathtaking corners A full colour introduction includes the author s hand picked round up of Things not to Miss including sights activities events and natural wonders There is detailed coverage of the area s near limitless outdoor pursuits from kayaking in the Puget Sound to hiking the Pacific Coast Trail There are vivid accounts of Vancouver Seattle and Portland along with the region s stunning national parks rugged volcanic peaks and pristine seascapes For every area insightful reviews of the best places to stay eat and drink help the reader get a true taste of the area whatever their budget *George Johanson* Roger Hull, 2007 George Johanson painter printmaker and teacher was born in Seattle studied art in Portland Oregon in the late 1940s and lived in New York in the early 1950s His work focuses on bathers swimmers artists and street scenes and vistas of Portland He is also the painter of fires that break out in city buildings or spew from volcanoes and he often sets fire s rampage alongside human lassitude and seeming indifference The Rough Guide to Oregon and Washington ,2007-11 Eden Again Roger Hull, 2000 Carl Hall born in

1921 in Detroit was an accomplished Magic Realist painter on the brink of a major career in American art when World War II intervened. As a young Army recruit he was assigned to Camp Adair near Corvallis Oregon in 1942. For Hall Oregon was Eden. Again and after military service in the Pacific he and his wife settled permanently in the state which became the focus of Hall's consummate artistry for the next 50 years. Hall became one of western Oregon's most expressive visual interpreters focusing for most of his lifetime on the terrain of the Willamette Valley, the mountains that enclose it and the Pacific coast beyond. In exploring Hall's place in Pacific Northwest and American art, this book is a study of regional art and art history of the interplay between regional and national art production in the periods before and after World War II and of Hall's metaphorical use of natural forms as the basis for personal expression. Reflections Gary Russell Libby, 2009. Reflections includes 69 paintings from the collection of Cici and Hyatt Brown of artists who worked in Florida capturing a visual history through art from 1865-1965. It includes chapters on over 40 artists with several essays from the artists on their work.

America, History and Life, 2001. Provides historical coverage of the United States and Canada from prehistory to the present. Includes information abstracted from over 2,000 journals published worldwide. Beauty of the City Philip Niles, 2008. All new things built with the idea of preserving the beauty of the city and adding to it. A. E. Doyle. The Central Library, Benson Hotel, Reed College, the Meier Frank building, the U.S. National Bank, these are just a few of the grand Portland icons designed by Albert E. Doyle. During a period of rapid growth in Portland, Oregon, after the Lewis and Clark Centennial Exposition and before the Great Depression, Doyle, 1877-1928, was the city's most important architect. *Beauty of the City* is the first biography of this celebrated architect. Doyle's career was short, just twenty-one years. Yet everywhere Portland retains his imprint. Many of Doyle's classical, often white terra cotta buildings became venerable city landmarks. He also designed Portland residences, Neahkahnie beach cottages and houses, and banks in Oregon and Washington. Using A. E. Doyle's own diaries and letters and his firm's records, historian Philip Niles traces the architect's life and times in the context of the burgeoning cityscape. As Portland expanded beyond its frontier origins and provincialism, Doyle helped introduce East Coast and European sophistication. Indeed, his refined sensibility influenced the development of the Northwest Regional Style by Pietro Belluschi and John Yeon, among others. Doyle set the standard for elegance and proportion that later architects adapted to more modern styles. His standard defines Portland's vibrant core and contributes to the city's beauty as much today as it did eighty years ago. Readers interested in Northwest history and culture will appreciate this compelling and richly illustrated biography of Portland's architect and the parallel story of the growth of the city. Likewise, architectural historians and those seeking to better understand Portland's architectural heritage will enjoy reading of Doyle's contributions to this celebrated cityscape.
