Oregon Historical Society,1926 **The Old Oregon Country** Oscar Osburn Winther,1950-01-01 The Pacific Northwest the old Oregon country was one of the most remote and inaccessible frontier areas but it was also known to be rich in natural resources The opening up of this region is a story of courage endurance and pioneer enterprise Transportation in this rugged country was a problem to the settlers who would promote commerce and travel just as it was a problem to the earlier fur traders The construction of roads and development of water routes progressed through the years until the railroad finally came to the Northwest but at no time did the scarcity of roads prevent settlers from pushing back the frontier Here the whole story of travel and travelers in this region is told for the first time The book is based largely on primary sources and as such is a contribution to history As an account of courage and ingenuity transportation monopoly against transportation monopoly and man versus nature it is fascinating reading University Professor of History at Indiana University O O Winther is the author of *Express and Stagecoach Days in California* and *Via Western Express and Stagecoach* *The Iowa Journal of History and Politics* ,1920 Jesse Applegate Leta Lovelace Neiderheiser,2011-02 A history of Oregon without Jesse Applegate would be like Exodus without Moses Like Moses Jesse led pioneers through the wilderness across the Oregon Trail in 1843 Like Moses he was a law giver and like Moses when proper provocation occurred he sometimes threw down the tablets Jesse Applegate A Dialogue with Destiny gives a comprehensive historical perspective to the life of this interesting complicated man who played a major role in the formation of Oregon Throughout his amazing life he led the cow column of 43 west to Oregon wrote the constitution of 45 played a major role in the solving of the Cayuse War led the expedition to find a new southern route in 46 and fought to keep Oregon free of slavery But perhaps even more important was the moral compass he provided for the emerging Oregon society Through his letters to editors of newspapers and to prominent political figures he provided comment council criticism and loyal opposition to those in power His opinions were sought by local state and federal leaders as well as the historians of the day **The Weiser Indians** Hank Corless,1996 Tells the story of the Shoshoni and Nez Perce indian band from the Weiser Valley Idaho led by Eagle Eye during the late 19th century Describes Indian white relations in Idaho and how the Weiser Indians resisted removal to reservations *The Hudson's Bay Company as an Imperial Factor, 1821-1869* John S. University. Regents,1920 Annual Report of the President of the University on Behalf of the Regents to His Excellency the Governor of the State of California University of California, Berkeley,1920 The Modoc War Robert Aquinas McNally,2017

On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872 73 one of the nation s costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past Annals of Astoria Robert Francis Jones,1999 Thus his log is the most accurate account of the daily activity of the trading post Jacket

Quarterly ,1917 *Providence and the Invention of American History* Sarah Koenig,2021-06-29 How providential history the conviction that God is an active agent in human history has shaped the American historical imagination In 1847 Protestant missionary Marcus Whitman was killed after a disastrous eleven year effort to evangelize the indigenous peoples of the Pacific Northwest By 1897 Whitman was a national hero celebrated in textbooks monuments and historical scholarship as the Savior of Oregon But his fame was based on a tall tale one that was about to be exposed Sarah Koenig traces the rise and fall of Protestant missionary Marcus Whitman s legend revealing two patterns in the development of American history On the one hand is providential history marked by the conviction that God is an active agent in human history and that historical work can reveal patterns of divine will On the other hand is objective history which arose from the efforts of Catholics and other racial and religious outsiders to resist providentialists pejorative descriptions of non Protestants and nonwhites Koenig examines how these competing visions continue to shape understandings of the American past and the nature of historical truth
