My Story Jerome Smith,2016-07-19 Jerome Smith s autobiography covers the life of a boy who had a very humble beginning in rural North Dakota It follows him from early childhood telling of his very exciting and fruitful life as well as his fulfilling career With the wonderful and dedicated help of his wife and a few other influential folks along the way he succeeded where less inspired and less fortunate people would have failed His long sought after career in wildlife management led to Jerome traveling to many destinations around the world and produced an abundance of satisfying accomplishments in the enforcement of wildlife laws The most important accomplishment of his life however was marrying his high school sweetheart and enjoying more than fifty six years of love and happiness Their marriage produced three wonderful daughters and four fabulous grandchildren And when it comes down to it that is what s really important in life If at first you don t succeed try try again William Edward Hickson **The Bible and the New Birth** Leon Stansfield,2023-06-27 In our day of easy believism and a culture which is dominated by the philosophy of humanism it becomes the church to clarify exactly what it means to believe in Jesus Christ Jesus made clear that when he returns Many will say to me in that day Lord Lord have we not prophesied in thy name and in thy name have cast out devils and in thy name done many wonderful works And then will I profess unto them I never knew you depart from me ye that work iniquity Matthew 7 22 23 The church needs to make clear in its presentation of the gospel and in its appeals to the hearers that to believe in Jesus is far more than a simple mental decision on the part of the listener First it means that the person has been drawn to God by the Holy Spirit Second it means that God has done the work of regeneration the miracle of transforming a person from being a natural person born into the world to a spiritual person born into God s eternal kingdom Jesus said Whosoever liveth and believeth in me shall never die John 11 26 At the heart of Jesus s discussion of the new birth is the following simple statement by Jesus which needs to be understood and experienced by anyone drawn by God s Spirit The wind bloweth where it listeth and thou hearest the sound thereof but canst not tell whence it cometh and whither it goeth so is every one that is born of the Spirit John 3 8 When a person is born of the Spirit it is the direct result of the work of the Spirit blowing upon him He may realize immediately what has happened in him or it may be sometime later that the newness of his inner being is recognized But that he is a new creature will inevitably be obvious to the newborn believer God has done it
