Lamport,Vernon M. Whaley,2020-10-29 Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody Historical and Theological Introductions is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature **Alfred's Basic All-in-One Sacred Course, Book 1** Willard A. Palmer,Morton Manus,Amanda Vick Lethco,2005-05-03 Designed for the Christian student this course incorporates the appealing music and activities from Alfred s All in One Course with lyrics and illustrations that reflect spiritual and inspirational themes Students will be exposed to Christian values and principles as well as Biblical lessons while learning basic musicianship skills This course is most effective when used under the direction of a piano teacher or experienced musician *Music in Print Annual Supplement* ,1979 *Then Sings My Soul Book 3* Robert J. Morgan,2022-09-13 In the third volume of his bestselling series Pastor Robert Morgan expands his material to include the great history of worship the first biblical hymns biographical sketches of the most interesting composers and almost 60 generations of hymn singing In 2003 Robert Morgan released what would become a future classic for over a million readers a unique book entitled Then Sings My Soul This collection of the world s greatest hymns and the stories behind them stirred an entire generation to better understand the heritage of our faith through song Now in the third volume of this series Morgan expands his material to include The fascinating history of worship from ancient times to contemporary praise Almost 60 generations of hymn singing Biographical sketches of the most

interesting composers Hymn index for easy reference Then Sings My Soul Book 3 also includes a collection of the greatest hymns you ve never heard with lead sheets included All of this is in addition to even more standard hymns and the stories of the composers behind them Morgan s conclusion guides the reader into enjoying all of God s music blending the old and the new into a symphony of praise that keeps the worship alive for a new generation **Reunion Assembly Reporter**
