on earth     It's Apparent ... You're a Parent! John Lehman, 2017-04-26 You've become a parent. So how should you best navigate through the wonderful new challenges and opportunities that are coming your way? What wisdom may be gleaned from the Bible, God's living Word? Will God really enable the process to turn out well? In six helpful, easy-to-read chapters, John Lehman, a family pastor and himself a parent and grandparent of several children, writes with passion and clarity on the great issues of bringing up children. Here you may read about topics such as: Getting ready to become a mom or dad; Preparing an overarching goal for your child; Demonstrating what it means to live in submission to the one true God; Facing the consequences God has directed when there is disobedience; Cultivating a godly parental model that emphasizes practical godliness; Navigating wisely through the ages and stages that lead to adulthood. Rich in biblical content, this book will help steer you carefully through the many situations that come the way of all parents.     Raising Godly Kids in an Ungodly World The Bailey's, 2025-01-22 The task of raising children is perhaps one of the most challenging and rewarding endeavors a person will ever undertake. It is a calling, a privilege and a sacred responsibility bestowed upon us by our Creator. Yet in our current cultural landscape, this sacred calling is frequently met with headwinds of conflicting ideologies, societal pressures and moral relativism that can leave even the most dedicated parents feeling overwhelmed and unsure of how to proceed. This book was born out of a deep desire to equip parents, particularly Christian parents, with the tools and resources necessary to navigate these turbulent waters and effectively raise godly children amidst the storm. Years spent counseling families, teaching theology and witnessing firsthand the struggles and triumphs of parents striving to instill faith in their children have profoundly shaped my understanding of the unique challenges of this generation. Drawing upon both my personal experiences as a parent and my professional background in pastoral care and theological studies, I offer in these pages a blend of practical strategies, biblical principles and heartfelt encouragement. My intention is not to provide a rigid set of rules but rather to offer a framework, a compass if you will, to guide you through the intricate journey of raising children who know love and serve the Lord. It is my prayer that these pages will provide comfort, wisdom and unwavering hope as you fulfill this most crucial of callings. My hope is that this book will not just be read but embraced as a companion, a source of encouragement and wisdom throughout this precious journey.     *Principles and Practices of Biblical Parenting* Paul J. Bucknell, Linda J. Bucknell, 2012-02 The idea is simple: God is the Designer Parent. His way. We are not experts or perfect parents. We are humbled by our past failures but we know by experience that applying God's principles to family life will restore any family to its glorious design. *Principles and Practices of Biblical Parenting* explains not only what God says about raising a godly family but why those principles from God's Word work. From their experiences in raising eight children, Paul and Linda explain biblical principles and practical advice on key issues including: Understand parenting goals; Set and implement standards; Train toddlers; Develop self-control; Advice to win back your teen's heart; Restore your relationships with your children. God wants you to succeed in raising a wonderful godly family.     **Christian Parenting 101** Annie Cooper, 2018-04 Any wrong

foundation given to a child can create an indelible stigma in his/her character. The bible clearly told us that children are the heritage from the Lord Psalm 127:3. It also teaches that we must train up a child in the way he should go so that when he is old he will not depart from it Proverbs 22:6. Many parents and homes are suffering today as a result of neglect and failure to train up their children when they were young as the scripture said. In view of this many parents have been asking where have we gone wrong or what have we not done for our children that make some of them behave the way they are behaving today i.e. being stubborn, rude, arrogant and harmful to their parents and society. This book is an educative and informative guide to parents. The author of this family companion has succeeded at x-raying the fundamentals and essential requirements for child upbringing. It is very difficult to go through this little but great book without being sorry for your past mistakes and failures. Many parents have ignorantly sent their children into the waiting arms of destroyers as they thought their problems were too hard to manage and this has made many children to send their parents to their untimely grave as they also confess that their parents contributed to their present state of moral failure. In this book titled *Christian parenting* you will see some qualities or ingredients you will add in training your children. By God's grace you will see certain things you think does not matter but matter a lot in child training. You will also see things to avoid and things to do in training your children. How to pray for your children more effectively, how to care for babies knowing the psychology and techniques used in handling them. This book is written to help families, young people, churches and the society at large in their contributions and what they ought to do in training a child. I pray that this book through God will bring answer to the question *How to handle a stubborn child in Jesus name Amen*.

**Parents Rising** Arlene Pellicane, 2018-04-03. How to raise godly children in a godless world. Do you feel like you're fighting a losing battle? Against the culture, against the busyness, sometimes even against your spouse and kids. Often it seems like everything is against you as a parent and your everyday life can feel far from joy-filled. It's not a pep talk or a try harder speech. This is real help for real problems that every parent faces. *Raising Champion Children for God* Billy Joe Daugherty, 2009-08. Parents will realize that there is no higher calling than raising godly children.
