Raising Sexually Healthy Children

Roman Wölfel

Raising Sexually Healthy Children:

Raising Sexually Healthy Children Lynn Leight, 1988 Filled with ingenious methods parents can use to educate their children according to their values In ways a child can understand this sourcebook covers touching nudity fantasy masturbation explicit media flirting safe sex and more

From Diapers to Dating Debra Haffner, 2004 Whether she is discussing how to help kids with the onslaught of sexual messages they see in the media or providing sensible guidance on teaching the facts of life Debra Haffner's values oriented approach to raising sexually healthy children is informative and comforting Organized from birth through age twelve *From Diapers to Dating* presents a practical step by step program offering a wealth of practical techniques to help parents identify and communicate their own values about sexuality to their children while also suggesting to parents the appropriate information to give children of different ages

Raising Sexually Healthy Kids David White, 2014-11-30 In an increasingly sexualized world it's difficult to know how to teach your children about their sexuality in a godly way On the one hand you don't want to give the impression that sex is bad or make them feel ashamed of their bodies But on the other you don't want to reinforce the message If it feels good do it How do you instill a

From Diapers to Dating Debra W. Haffner, 2010-05 A leading educator's warm practical step by step program for helping parents provide accurate information and communicate their own values to their children Synopsis Approved by Parents Choice 1999 praised in Time Newsweek and Library Journal Whether she is discussing how to help kids deal with the onslaught of sexual messages they see in the media or providing sensible guidance on teaching the facts of life Debra Haffner's values oriented approach to raising sexually healthy children is informative and comforting Organized from birth through age twelve her acclaimed book presents a wealth of practical techniques to help parents identify and communicate the appropriate information to give to children of different ages Each chapter includes Values exercises Questions to help parents sort out their own values about sexuality and decide what they want to teach their children What to expect and how to prepare Lively discussions on each stage of a child's life filled with relevant information sparkling anecdotes and sample conversations Teachable moments How to find and use opportunities throughout a child's life to bring up specific issues of sexuality instead of waiting to have that big talk Dozens of age appropriate questions and answers are included In addition Haffner covers special issues including sexual harassment in school questions that may arise when divorced parents begin to date and how to evaluate sexuality education outside the home Accessible and comprehensive *From Diapers to Dating* also contains extensive resources for more information including Web sites hotlines health facilities pertinent organizations and much more It is a must read for every parent who wishes to lay a solid foundation for their children's adult lives

Sex Education Begins at Home Howard R. Lewis, Martha E. Lewis, 1983-01-01

The Parent's Guide to Talking About Sex Janet Rosenzweig, 2015-04-21 If your kids aren't learning about sex from you what are they learning about sex and who is teaching them Having the talk with your child does not have to be a terrifying and awkward event Armed with Dr Janet

Rosenzweig's groundbreaking book you may find you never need to have the talk Dr Rosenzweig illustrates how you can help protect your children from sexual abuse trauma and bullying through your everyday interactions with them She walks you through the steps you can take to combine your own family's values with age appropriate information for children at all stages of development And you'll learn how to do so in a way that will improve the trust and communication between you and your child Dr Rosenzweig applies her decades of experience in child abuse prevention sexuality education and family services to help you identify the real threats to your children's safety and to protect them from becoming victims of sexual misinformation or exploitation From choosing a child's first daycare to meeting the multimedia challenges of adolescence *The Parent's Guide to Talking About Sex* will coach you to raise sexually safe and healthy sons and daughters

The Quick-Reference Guide to Sexuality & Relationship Counseling Dr. Tim Clinton, Timothy E. Clinton, Dr. Mark Laaser, Mark R. Laaser, 2010-04 This A Z guide assists people helpers pastors professional counselors youth workers and everyday believers to easily access a full array of information to aid them in formal and informal counseling situations

From Diapers to Dating Debra W. Haffner, 2008-03-27 This widely recommended parenting guide offers a wealth of practical techniques to help you identify and communicate your own values about sexuality to your children infants to age twelve In this revised edition acclaimed parenting educator Debra Haffner covers the latest research and addresses issues of timely concern including Internet safety The book includes Values Exercises to help you identify and communicate your beliefs to your children Special Issues to advise you on discussing difficult topics Teachable Moments to help you recognize opportunities or entry points into a discussion of important issues I believe it is up to you and your partner to decide on the messages and values you want to give your child about sexuality Haffner writes It is your right and your responsibility to share them with your child

Sex Without Apology REIGNS KING, Sex Without Apology A Guide to Sexual Liberation Ready to break free from sexual shame and reclaim your authentic desires This life changing guide will transform how you think about your body your sexuality and your right to pleasure What if you could finally Silence your inner critic about your body and desires Communicate your sexual needs without fear or embarrassment Experience pleasure without guilt shame or anxiety Set

boundaries that protect your energy and authentic self Embrace your fantasies and desires as completely normal You deserve a sex life free from judgment including your own YOU LL LEARN HOW TO Identify and heal from inherited sexual shame and trauma Develop unshakeable body confidence during intimate moments Navigate consent culture with clarity and personal agency Explore your desires safely without crossing your values Communicate boundaries without explanation or guilt Handle sexual rejection and disappointment gracefully Create sex positive relationships that support your growth Use technology for intimacy while maintaining safety Bridge cultural and generational communication gaps Maintain sexual authenticity in long term relationships PERFECT FOR YOU IF You re tired of feeling ashamed about your natural desires You want to improve sexual communication in your relationship You re ready to heal from past sexual trauma or negative conditioning You want to explore your sexuality safely and ethically You re seeking body positivity and self acceptance You want to raise sexually healthy children You re a therapist coach or educator working in sexual wellness WHY THIS BOOK IS DIFFERENT Unlike other sexuality books that focus solely on technique Sex Without Apology addresses the psychological and emotional barriers that prevent authentic sexual expression This comprehensive guide combines Evidence based psychology and trauma informed approaches Body positive philosophy that celebrates all bodies and desires Practical communication tools you can use immediately Boundary setting strategies that protect your energy Step by step healing processes for overcoming sexual shame *Resources in Education* ,1999-10 **Every Parent's Battle** Dan S. Spencer III,2017-03-21 Ever struggled to find the right words to talk about the threat of pornography with your kids Too many of us avoid the subject depending on simple technology filters to protect them Yet children at very early ages are under attack and at risk to fall prey to pornography addiction As parents we must be prepared to deal with the issue head on Every Parent s Battle A Family Guide to Resisting Pornography not only exposes the frightening prevalence of pornography in our sex obsessed culture it equips parents with concrete and tested strategies to educate their kids about intimacy human dignity and sexuality as God intended it to be Dan Spencer s new book provides Catholic and other parents with tools and strategies that are aimed at prevention rather than recovery in the spiritual battle for the virtue of chastity I heartily recommend this book for your family s happiness and the joyful embracing of life and dignity offered to us by Jesus Christ ARCHBISHOP JOSEPH F NAUMANN ARCHDIOCESE OF KANSAS CITY KANSAS The Roman Empire was a pornographic society with all the misery that implies but our own society is far worse History shows that this problem can be overcome in only one way the way of the Christian family Dan Spencer shows us in practical terms what that means for us as parents Reading this book is not just a good idea It s a duty MIKE AQUILINA EWTN HOST AND AUTHOR OF SEVEN REVOLUTIONS HOW CHRISTIANITY CHANGED THE WORLD AND CAN CHANGE IT AGAIN **Ready or Not** Kay S. Hymowitz,2008-06-30 Children today grow up so fast How often we hear those words uttered both in frustrated good humor and in dumbfounded astonishment Every day the American people hear about kids doing things both good and bad that were once thought to be

well beyond their scope flying airplanes running companies committing mass murder Creatures of the information age today's children sometimes seem to know more than their parents They surf the Internet rather than read books they watch South Park instead of The Cosby Show they wear form fitting capri pants and tank tops instead of sundresses in short they are sophisticated beyond their years These facts lead us to wonder Is childhood becoming extinct In Ready or Not Kay S Hymowitz offers a startling new interpretation of what makes our children tick and where the moral anomie of today's children comes from She reveals how our ideas about childrearing itself have been transformed perniciously in response to the theories of various experts educators psychologists lawyers media executives who have encouraged us to view children as small adults autonomous actors who know what is best for themselves and who have no need for adult instruction or supervision Today's children and teenagers have been encouraged by their parents and teachers to function as individuals to such an extent that they make practically every decision on their own what to wear what to study and even what values they will adhere to The idea of childhood as a time of limited competence in which adults prepare the young for maturity has fallen into disrepute independence has become not the reward of time but rather something that our children have come to expect and demand at increasingly younger ages One of the great ironies of turning our children into small adults is that American society has become less successful at producing truly mature men and women When sophisticated children do grow up they often find themselves unable to accept real adult responsibilities Thus we see more people in their twenties and thirties living like children unwilling to embark on careers or to start families Until we recognize that children are different from grownups and need to be nurtured as such Hymowitz argues our society will be hollow at its core

Beyond the Big Talk Revised Edition Reverend Debra W. Haffner, Alyssa Haffner Tartaglione, 2009-07-21 As featured in Newsweek Time USA Today and on Oprah Dateline NBC MTV and 20/20 this leading sexuality educator now helps parents guide their children through the difficult adolescent years from the author of From Diapers to Dating Debra Haffner's valuable award winning book first book on raising sexually healthy children From Diapers to Dating helps parents through the infant to age 12 period Her sequel Beyond the Big Talk now guides them through the difficult adolescent years when they are likely to confront such issues as peer pressure dating and parties alcohol and drugs harassment abstinence and much more Organized by age group middle school grades seven and eight early high school grades nine and ten late high school grades eleven and twelve and beyond ages 18 and up each section provides Values Exercises to help parents decide their own beliefs on various topics and how to communicate them to their teen Special Issues advice on topics such as eating disorders date rape sexual violence and dealing with your teen's questions about your own sexual history Advice on finding teachable moments with your teens entry points into discussions on important topics in television in the movies and in your daily lives A frank and supportive foreword by Haffner's teen age daughter Alyssa gives a young person's perspective on the challenges teens face every day An extensive Appendix offers a wealth of books websites and organizations for both teens and their parents In her

trademark realistic practical and informative style Kirkus Reviews Haffner s values oriented approach is an invaluable resource to both parents and children **Teaching Children about Sex: Using the Temple as Your Guide** Cherri Brooks,2023-02-02 It s time for the talk Teach your children the truth about sexual intimacy in a world of shifting values and ideas With expert advice and age appropriate wording you learn how to use the temple as a beautiful analogy to discuss with your kids the sacred subject of sex Timely and clear this book is a must read for parents teachers and leaders *Sex Crimes and Offenders* Mary Clifford,Alison Feigh,2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts *Sex Crimes and Offenders Exploring Questions of Character and Culture* uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided **The Kinsey Institute New Report On Sex** June M. Reinisch,Ruth Beasley,1991-08-15 A comprehensive guide to human sexuality offers accurate timely information research findings and medical opinions on sexual dysfunction puberty contraception sexually transmitted diseases sexual anatomy and more Integrating Gender and Culture in Parenting Toni Schindler Zimmerman,2013-01-11 Show parents how to help their children break free of the artificial limitations placed upon them by society s gender and cultural expectations This book presents both theoretical and practical ideas for integrating gender and culture into parenting Unlike other books on the subject this one examines interventions and activities and suggests discussion topics that provide children with the skills to become critical consumers and thinkers You ll learn to help children discover and celebrate who they are while infusing the message that they should notice and challenge exaggerated stereotypes of gender and ethnicity From the editor If therapists can coach parents in helping to inoculate their children beginning at early ages against the negative effects of gender

socialization perhaps the work of developing equal relationships in their friendships and intimate relationships will be less taxing as they grow and mature. Additionally, as children are taught to challenge rigid gender and ethnicity messages, perhaps they will feel a greater sense of flexibility as they dream about who they want to become and how they want to live their lives. This essential book will teach you to help children defeat the harmful media messages they're bombarded by. Integrating Gender and Culture in Parenting presents 20 simple ideas and 5 group activities to teach children about social justice in our everyday lives, explores parental socialization practices and the values transmitted to school-aged and young adult offspring, focusing on the way parents' teaching styles integrate race and gender, investigates the parenting practices of middle-class dual-earner couples who feel that they are successfully balancing family and work with a look at the specific strategies these couples use to achieve an appropriate balance, shows what family therapists should know about sexuality education, and highlights the specific roles that feminist family therapists can play with parents, children, and adolescents to help children be more sexually responsible and less likely to put themselves in sexually risky situations. Examines the gender messages found in 63 articles from the top three selling parenting magazines in the United States. In addition, you'll find two revealing and insightful chapters in which interviewer Lori Lund discusses the cultural scripting that American boys and girls are subjected to with Jackson Katz, one of America's leading anti-sexist male activists, and the creator/director of the United States Marine Corps Gender Violence Prevention Program, and Mary Pipher, a respected sociologist, educator, and bestselling author of *Reviving Ophelia*, *Saving the Selves of Adolescent Girls*, and *Hunger for Memory*. Beyond Birds and Bees Bonnie J. Rough, 2018-08-21

A provocative inquiry into how we teach our children about bodies, sex, relationships, and equality with revelatory practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach. Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered children learn from babyhood that bodies are normal; the world's best sex ed begins in kindergarten. Cooties are a foreign concept; puberty is no big surprise; and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how, although normalizing human sexuality may sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed and our society for the better, and shows how families everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling

illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development and overall wellbeing from birth onward at home in schools and across our evolving culture

Parenting Shekhar Seshadri, Nirupama Rao, 2012 Parenting has never been as tough as it is today Modern life has excessive distractions excessive independence excessive materialism and diminishing spiritual values This has made parenting complex enough for parents to wake up to the fact that it is time to seek help This easy read will help parents to find answers to the questions that come up at various stages in the intriguing journey of raising children the inevitable consequence of which is growing up along with them
