The Everything Parent's Guide To Raising Siblings Linda Sonna, 2006-02-24 A Simon Schuster eBook Simon Schuster has a great book for every reader **Raising Loving Siblings** , **Raising Siblings** Carole Calladine, Andrew Calladine, 1979

Loving Each One Best Nancy Samalin, 1997 A guide to the problems and rewards of raising two or more children explains how to cope with sibling rivalry and competing demands **Flavors for Everyone** Barbara Lauer-Listhaus Psy. D., 2016-02-14 Raising happy and healthy children is both rewarding and demanding in the best of circumstances but when one child has special needs new challenges arise not only for the parents but for the siblings as well **Flavors for Everyone** provides an insider's view by a neuropsychologist who is also the mother of a special needs son into the complex problems that these families face when raising children with different abilities and personalities and offers practical solutions for families to implement Each chapter includes summary points that can be used as a quick reference for times when life turns stressful or unpredictable Parents are encouraged to recognize their own strengths and each child's unique characteristics to foster personal development in all family members Through acceptance and shared experiences siblings learn to appreciate each other as they grow up together and mature into confident and caring adults Key issues addressed include Explaining special needs to children of any age Dealing with the unique challenges and obstacles siblings face Handling sibling rivalry and overcoming resentments Building self esteem through scheduled one on one time with each child Validating feelings and encouraging self expression Fostering compassion and inclusion among siblings Sharing and teaching responsibility Creating a strong support network Keeping communication open and strong Finding ways to enjoy time together as a family inside and outside the home **Working Mother** , 1996-06 The magazine that helps career moms balance their personal and professional lives *The A to Z Guide to Raising Happy, Confident Kids* Dr. Jenn Berman, 2010-09-24 As an experienced therapist a parenting expert on television and radio an award winning columnist and a parent Dr Jenn Berman provides insightful and informative advice to parents as they guide their children through early childhood *The A to Z Guide to Raising Happy Confident Kids* addresses twenty six of the most important issues that modern parents face Each self contained and easy to read chapter covers a different topic allowing busy parents to quickly find and read what they need You'll turn to this great resource again and again as your children grow **Raising Children with Asperger's Syndrome and High-functioning Autism** Yuko Yoshida, Cathy Hirano, 2012 Explains how to help develop social skills in children with autism and Asperger's syndrome clarifies the type of non family assistance needed and offers suggestions on ensuring that the needs of other siblings are met Raising Loving Siblings Jonathan Caspi, 2024-12-03 Be nice to your sister Stop picking on your brother That's a time out for both of you When nothing works to stop the incessant battles where can exhausted parents turn Sibling expert and family therapist Jonathan Caspi knows that understanding why kids fight is the first essential step to restoring peace Featuring clear principles dos and don'ts and loads of stories this book

shines a spotlight on family dynamics Dr Caspi guides you to make an effective plan for managing conflicts so you can keep a cool head in the heat of the moment Learn why it s never helpful to compare kids to each other how to quell sibling struggles without taking sides when to intervene and when to step back and what to do when parents aren t on the same page

Improving sibling relationships can have lifelong benefits for your family This compassionate book shows how **Siblings** James J. Crist,Elizabeth Verdick,2010-01-15 Humorous yet practical advice for building positive sibling relationships Turn sibling rivalry into positive sibling relationships with this fun humorous pocket guide for kids Siblings can make for great friends and it s nice to have someone who ll love you no matter what But kids know that sibling relationships can be hard when problems of fairness jealousy conflict tattling privacy and other things come up and they usually do Siblings teaches kids how to deal with sibling rivalry and more including special situations such as siblings with special needs step siblings and adopted siblings and it focuses on building positive sibling relationships After all siblings are siblings their whole lives Laugh Learn Series Self help kid style Realistic topics practical advice silly jokes fun illustrations and a kid centric point of view all add up to one of the most popular series that young people turn to for help with school families siblings and more Kids ages eight to thirteen can tote these pocket size guides anywhere and learn to slash stress give cliques and rude people the boot get organized behave becomingly and in general hugely boost their coping skills **Sibling Abuse Trauma** John V. Caffaro,2013-08-22 This book describes an integrative strengths based approach to individual and family psychotherapy guided by the effects of abuse trauma on the development of sibling relationships It fills a void in the training and education of family violence professionals and validates sibling experiences as an important part of human development The second edition has been revised and updated to reflect more than 15 years of advances in the child maltreatment field Current essential information on sibling development is provided to clarify the context in which sibling relationships unfold and research on sibling relationships throughout the life course is incorporated into a clinical approach for treating victims and survivors This second edition much like the first focuses primarily on assessment and treatment Rather than choosing to concentrate solely on sibling sexual abuse or assault the book applies a more inclusive integrative approach to the study of sibling abuse trauma The clinical material and experiences portrayed take a trauma informed systemic orientation and represent children families and adults who may not have been described adequately elsewhere Concrete illustrations and extended session transcripts demonstrate therapeutic principles in action Whether you incorporate these findings into your clinical practice or become inspired to conduct your own research Sibling Abuse Trauma will improve your understanding of how to treat and evaluate individuals and families with sibling abuse related concerns **Sibling Relationships** M. E. Lamb,B. Sutton-Smith,Brian Sutton-Smith,Michael E. Lamb,2014-01-14 First published in 1982 Since the emergence of developmental psychology early this century theorists and researchers have emphasized the family s role in shaping the child s emergent social style personality and cognitive competence In so doing however psychologists have implicitly adopted a

fairly idiosyncratic definition of the family one that focuses almost exclusively on parents and mostly on mothers The realization that most families contain two parents and at least two children has occurred slowly and has brought with it recognition that children develop in the context of a diverse network of social relationships within which each person may affect every other both directly through their interactions and indirectly i e through A s effect on B who in turn influences C The family is such a social network itself embedded in a broader network of relations with neighbors relatives and social institutions Within the family relationships among siblings have received little attention until fairly recently In this volume the goal is to review the existing empirical and theoretical literature concerning the nature and importance of sibling relationships

Keep the Siblings Lose the Rivalry Todd Cartmell, 2010-05-29 For most of us dreams of family harmony and cooperation often give way to the reality of squabbling and fighting between siblings In Keep the Siblings Lose the Rivalry Dr Todd Cartmell explodes the myth that parents must sit passively by while sibling conflict runs rampant Based on solid biblical principles and sibling research Cartmell provides a ten step plan that will help you enrich your family soil plant the seeds of sibling relational skills and provide an environment that will encourage respectful sibling relationships Cartmell includes fifteen ready to use Family Time Discussion Guides and creates powerful object lessons using common household objects such as stinky socks post it notes tennis balls and tasty treats With role plays Scripture references and interactive discussion questions each Family Time Discussion Guide will bring you closer together as a family and improve your children s skills at handling sibling conflict in a respectful way Practical down to earth and leavened with Cartmell s dry humor Keep the Siblings Lose the Rivalry will equip you to handle the most difficult sibling challenges

Help! the Kids Are at It Again Elizabeth Crary, 1997 Children need to learn how to get attention without hitting or whining deal with feelings without blowing up or giving up establish and respect boundaries and solve problems Using the STAR Parenting process this book gives parents tools to teach and reinforce these social skills It offers tools to reduce a parent s role as referee gives immediate help with a process to handle any sibling conflict offers easy to understand examples of real life situations and gives parents insight into ways they may be encouraging the quarrelling they hate
