Raising Raul:

Raising Raul Maria Hinojosa, 1999 But with the birth of her first son Raul she began to discover the meaning of what really matters BOOK JACKET **God Above** Duane Andry, 2011-12-02 It is said that space is the final frontier but there is another In many ways the two are related Mankind on earth has yet to fully explore the actual final frontier Indeed mankind does not fully realize that it truly exists Mankind is content with postponing the evaluation of this frontier but the frontier is about to come to man and introduce itself Its initial introduction came to the human Andre As a result of the introduction of a new kind of reality Andre has embraced this reality and he is about to embark on a journey into the true final frontier This frontier is beyond space and even beyond time Andre has opened his mind to a quest that will only be completed when he is introduced to the God Above Accompanying Andre is a select group of individuals from two different worlds Their assignment is to merge the best from these two worlds with a mysterious mix of another somewhat mystical component that is not of either one This is the quest that will take him to a point that is Beyond Reality **Stronghold** Nicki Bennett, Ariel Tachna, 2016-11-28 All for Love Book Three Are you surprised that strength is drawn to strength For the last six years the gypsy healer Ra l has lived a life he never dreamed possible Gerrard Hawkins has stood at his side his love a source of silent strength like nothing Ra l has ever known When a letter from Gerrard s estranged father forces them in separate directions Gerrard back to England to make peace with his family and Ra l to Saintes Maries de la Mer for his annual pilgrimage Ra l expects to suffer for their parting but he holds on to their plans to meet again in France when Gerrard has satisfied his father s demands Gerrard left England never expecting to return especially after he pledged his life and love to Ra l Yet he cannot dismiss his father s offer of peace without some acknowledgment When he arrives in England to find tragedy his sense of duty toward his family s tenants wars with his promises to Ra l As tensions mount and illness spreads in France Ra l stands as a bastion of hope but his strength is not limitless Gerrard is the rock he leans on and without that strength Gerrard s arrival in France may come too late **Forged for Destiny** Andrew Knighton, 2025-04-15 Raul has a destiny claim his birthright as the last surviving heir of King Balbainus and lead his conquered people to freedom The signs are all there his birthmark in the shape of Balbainus halfmoon and dagger sigil the gemstone hilted sword he found in his parents inn and the sudden influx of illegal books featuring the late king s lineage Nevermind that his ma is a hidden scribe writing a play about Balbainus return or that his da a hardened warrior has been training him to fight since he could stand Or the fact that his sword doesn t seem very old at all he feels much more comfortable reading than fighting and his birthmark is looking more and more like a burn scar As Raul leaves his simple village life to start a rebellion against the tyrannical Dunholmi government he begins to wonder if his destiny is more someone else s plan for a future he doesn t want to be a part of He ll go along with things for now if only to prove that change can come from kindness instead of outright destruction After all destiny is what you make of it *The Last Best Place?* Leah Schmalzbauer, 2014-08-27 Southwest Montana is beautiful

country evoking mythologies of freedom and escape long associated with the West Partly because of its burgeoning presence in popular culture film and literature including William Kittredge s anthology *The Last Best Place* the scarcely populated region has witnessed an influx of wealthy white migrants over the last few decades But another largely invisible and unstudied type of migration is also present Though Mexican migrants have worked on Montana s ranches and farms since the 1920s increasing numbers of migrant families both documented and undocumented are moving to the area to support its growing construction and service sectors *The Last Best Place* asks us to consider the multiple racial and class related barriers that Mexican migrants must negotiate in the unique context of Montana s rural gentrification These daily life struggles and inter group power dynamics are deftly examined through extensive interviews and ethnography as are the ways gender structures inequalities within migrant families and communities But Leah Schmalzbauer s research extends even farther to highlight the power of place and demonstrate how Montana s geography and rurality intersect with race class gender family illegality and transnationalism to affect migrants well being and aspirations Though the New West is just one among many new destinations it forces us to recognize that the geographic subjectivities and intricacies of these destinations must be taken into account to understand the full complexity of migrant life

The Seturner Conspiracy William Newby,2019-12-12 A global death syndrome is paralyzing medical facilities the world over What diabolical plot is at work People are dying for no apparent reason Sister Lily Elizabeth and her dedicated followers are faced with patients who were healed and are suddenly dead There was a time when pharmaceutical companies developed drugs to cure or prevent sickness Drugs that killed caused birth defects resulted in addiction or that had side effects worse than the illnesses that they were designed to cure never reached the marketplace When was the last time a cure was developed There is no profit in curing illness only in eternal treatment Now pharmaceutical companies are simply drug dealers motivated by profit alone This is not an expose of the pharmaceutical industry but it makes one think An investigation is spearheaded by the USFDA s Dr Grayson Gill into the possible involvement of a pharmaceutical agent in this sudden death issue In the meantime a diverse group of crime fighters FBI s Alvin Brandon Scotland Yard s Sir David Charles and even Interpol sleuths are investigating a possible tie to a terrorist chemical warfare conspiracy What does little Freddie Fender Ramirez the Green Machine Urbanati Construction or Marion Pharmaceutical Corporation have to do with it Who are Karim Mashid alias Jose Vigil and Hamid Mohamed alias Raul Benitez Who is Stewart Miles and how does his discovery instigate this pandemic Who is Boris Silversen and what is his connection to all of the above As the different pieces of this mystical thriller come together a conspiracy is revealed crimes are solved and justice is served but not before thousands of innocents die The reader is taken on a frantic journey from Thailand to Brazil to London England and New York through jungles hospital wards corporate boardrooms crime groups and behind the walls of major crime fighting organizations as the author tells this tale of adventure murder intrigue and conspiracy
