privilege and sexual double standards The ongoing conflict attracted the nation's top lawyers including Alexander Hamilton and shaped the development of American law The crime and its consequences became a kind of parable about the power of seduction and the limits of justice Eventually Lanah Sawyer did succeed in holding her assailant accountable but at a terrible cost to herself Based on rigorous historical detective work this book takes us from a chance encounter in the street into the sanctuaries of the city's elite the shadows of its brothels and the despair of its debtors prison The Sewing Girl's Tale shows that if our laws and our culture were changed by a persistent young woman and the power of words two hundred years ago they can be changed again Includes photographs
