Be All You Can Be Shawn E. Hamilton, 2014-03 There is something sad about a person who blindly sacrifices his life for his country for he is unaware of the real issues If a person can grasp the truth about war it can't help but color his thinking on such issues as draft dodging The name draft dodger suggests the evasion of a just debt or obligation In reality a draft dodger is either a person who rejects military service on religious or moral grounds or plainly doesn't want to allow himself to be killed Any of those reasons should be good enough and I don't think that he should be persecuted or prosecuted A person who is willing to sacrifice his life for his country is merely a dupe in the profit game of the military industrial complex A man who has the courage to stand up against such twisted idealism and refuse to be sacrificed for profiteers is no coward My opinion of the draft dodger differs from the opinion of many of my peers but then my generation is probably one of the biggest collections of fools on record Major Ralph E Hamilton WW2 Veteran 1976
