get a good night's sleep and wake up feeling refreshed and happy. The chapters are designed to take you and your family on an exciting adventure through different situations laden with imagination and surprises while also attempting to disseminate valuable lessons about important principles such as family home wrongdoing and numerous other themes. While each story is unique, the underlying purpose of each remains the same: to confer on readers some degree of insight into moral behaviour and proper conduct. Through the careful application of allegory, the stories contained herein are intended not only to engage and captivate but also to serve as thought-provoking tools by which your children might avail themselves of one of mankind's most powerful attributes: thoughtfulness and self-reflection. In addition, each story uses colourful and imaginative characters, settings and situations to create an environment that will not only help children become interested in the story itself but also serve as a vehicle to convey a moral lesson. Plus, the stories in this book seek to create traditions and memories that will create everlasting moments that your children will treasure for the rest of their lives. These are the kind of moments that your children will surely love to share with their children someday too. So let's jump right on in and take a trip into a magical world from which your children will drift off in their sleep. Don't be surprised if they don't want to wake up after having such beautiful dreams. Dreamland is a cherished place for children of all ages. After all, it is a place where kids can truly let their imaginations flourish. This book includes bedtime stories that will truly captivate the young mind of your child, fun stories about animals, adventures and legends. A valuable lesson for each story. In addition, they will put down their phones. This is a good way to encourage your child to go to sleep by listening to the scripts. Each story will enhance your child's imagination and thinking. The Rhinoceros of South Asia Kees Rookmaaker, 2024-04-30. The rhinoceros is an iconic animal. Three species once inhabited South Asia, two of which disappeared over a century ago. This survey aims to reconstruct the historical distribution of these large mammals, resulting in new maps showing the extent of their occurrences. Thousands of sources, varied in time and nature, are used to study the interactions between man and rhinoceros. The text is supported by over 700 illustrations and 38 maps showing the importance of the rhinoceros in the scientific and cultural fabric of Asia and beyond.

Critical Critters Ralph Steadman, Ceri Levy, 2017-07-27. Ceri's humorous but meaningful message, accompanied by Ralph's sensational paintings, will satisfy art lovers and conservationists alike. Following on from *Extinct Birds* and *Nextinction*, *Critical Critters* is the third in
