Hell's Half-Acre Susan Jonas, 2023-03-07. One of NPR's Books We Love. New York Times Book Review's The Best True Crime of 2022. Rich in historical perspective and graced by novelistic touches grips the reader from first to last. Wall Street Journal. A suspense filled tale of murder on the American frontier shedding new light on a family of serial killers in Kansas whose horrifying crimes gripped the attention of a nation still reeling from war. In 1873 the people of Labette County Kansas made a grisly discovery. Buried by a trailside cabin beneath an orchard of young apple trees were the remains of countless bodies. Below the cabin itself was a cellar stained with blood. The Benders the family of four who once resided on the property were nowhere to be found. The discovery sent the local community and national newspapers into a frenzy that continued for decades sparking an epic manhunt for the Benders. The idea that a family of seemingly respectable homesteaders one among the thousands relocating farther west in search of land and opportunity after the Civil War were capable of operating a human slaughter pen appalled and fascinated the nation. But who the Benders really were why they committed such a vicious killing spree and whether justice ever caught up to them is a mystery that remains unsolved to this day. Set against the backdrop of postbellum America *Hell's Half Acre* explores the environment capable of allowing such horrors to take place. Drawing on extensive original archival material Susan Jonas introduces us to a fascinating cast of characters many of whom have been previously missing from the story. Among them are the families of the victims the hapless detectives who lost the trail and the fugitives that helped the murderers escape. *Hell's Half Acre* is a journey into the turbulent heart of nineteenth century America a place where modernity stalks across the landscape violently displacing existing populations and building new ones. It is a world where folklore can quickly become fact and an entire family of criminals can slip through a community's fingers only to reappear in the most unexpected of places. *Hell's Creek* Patrick Fox, 2003-04. After Bill Banes is killed in a spectacular but mysterious car bombing in England O Toole volunteers to go to London to bring back his friend's remains. Before he knows it he's involved in a many leveled conspiracy that becomes much more complicated than the murder it initially appeared to be. O Toole follows up on the one consistency in the sketchy chain of evidence Bill Banes' continuing fascination with a 1978 earthquake in the western United States. From the hundred mile

visibilities at the peaks of the Little Belt Mountains to the subterranean murk of the Lombard Fault in Western Montana he is once again up to his ears in trouble straying far beyond his jurisdiction as an employee of Structure the small and super secret agency that does the jobs that are too sensitive for the CIA and the FBI and proving yet again that no good deed goes unpunished With the aid of Elmer Linthacum who runs a small town Exxon station and Becky Sparling the loving daughter of a multimillionaire cattle rancher who has interests that go beyond his fourteen thousand acres O Toole manages to unravel the mystery and avoid getting sewn up or blown up in the process

American Triptych Carlos Rubio,2008-12-01 Expert Latin American satirist Carlos Rubio presents a new tongue in cheek masterpiece that scales new heights of satire even as it follows the life of a young protagonist in his journey through growing up and into manhood Rubio pulls out all the stops on ironic humor in American Triptych Rubio explores the potential of transformation in a young boy as he moves from one experience to the next in three volumes filled with the ironical embellishments of the Neo Baroque writing style In the first part entitled The Neophyte Rubio unfolds the life of a young boy rescued from a flood by a somewhat dysfunctional convent of nuns Instead of the expected moral upbringing instilled he grows up to be virile and brazen with a perspective that is nothing short of hedonistic Bullwhip the second installment continues the adventures of the adolescent young man as he enters high school He brings with him his solidifying philosophies and an I don t care attitude silently reconstructing the strict academic atmosphere according to his whims He gains his own notoriety even as he faces down the local gang and dodges the sexual advances of the vice principal And while the individuals that oppose him get him cornered a delightful twist of events sees him coming out on top California Fever concludes the exciting trilogy exploring a more contemporary theme of events that begin with the young protagonist losing his memory after surviving an earthquake Before long he would venture into the life of a rock star as The Rocker until he would be persuaded to enter politics However all this conceals a most unexpected ending the consummation of what would seem an aborted desire of the hero s soul

Absolutely hyperbolic parodical and phallic American Triptych will tickle the brains and funnybones of readers who don't mind the racy overtones and unrestrained sarcasm beneath the funny storyline **Rolling Thunder** Mark Berent,1989 As hostilities escalate in late 1965 the fates of three men intertwine in Vietnam **The Writers Directory** ,1990 *The Ramrodders* Holman Day,1910 **A Righteous Killer** Ellace James,2018-01-03 Devoted father and husband Arthur Brown loses his wife and kids at the hands of a kingpin Mr Sullivan when his men invade Arthurs home in search of lost property Unable to cope with his loss Arthur buries himself alive later emerging from his grave a vengeful soul hell bent on justice
