Cover-Up at Roswell Donald Schmitt, 2025-09-12 As we approach the 70th anniversary of the most significant UFO event of all time best selling author Donald R Schmitt takes a fresh look at the renowned incident Previous books on Roswell including his have focused on the witnesses their families and the history of the case Cover Up at Roswell catalogs the extreme measures the US government exercised to suppress the truth How they silenced military witnesses clearly demonstrates their need to prevent the facts from leaking out But more disconcerting are the tactics used against civilians and the media Over the years the government has actually issued four different explanations for what took place in 1947 yet Roswell remains a mystery shrouded in secrecy cover ups and deception Is a fifth explanation at hand Cover Up at Roswell includes fascinating new information such as The most comprehensive timeline of events ever written What the base commander's secretary confessed The answers to the 20 most frequently asked questions about Roswell The Roswell smoking gun provided by one of the very arbiters of the cover up The search for the truth about Roswell continues Are we brave enough to accept it

The Atheist's Bible Geoff Linsley, 2008-07 Did God create the universe If so who created him The Atheist's Bible tackles these complex and important ancient mysteries With the discoveries of modern science author Geoff Linsley offers a new look at the questions most philosophers throughout history have thought unanswerable Mysteries such as Why does the universe exist as it does

and When did it come about are thought to be demystified by modern science Mixing scientific knowledge with common sense Linsley answers these questions in an easy to understand dialogue The Atheist s Bible compiles the case for an atheistic universe in a thorough discussion provides facts that science has gathered about existence and creates a new view of the nature of the universe Linsley searched through scientific discussions of how nature operates through religious wisdom and through topics thought to be paranormal to present the first complete theory regarding the origin and evolution of existence and humanity A collection of several books with individual purposes The Atheist s Bible furthers the understanding of reality and helps to overcome the fear of the unknown Linsley challenges the realm of theism and looks outside of it to explain how the universe functions The depth of research and the volume of information given make this book exceptional Linsley treats faith respectfully and doesn t get into baseless arguments against views that oppose his own This book is well written very informational and entertaining Foreward CLARION Review **The Science of UFOs** William R. Alschuler,2001-02-22 An astronomer speculates on the possibility of UFOs and discusses the technology and theoretical principles required to make them possible **Extraterrestrial Life** Tamara L. Roleff,2001 From NASA s exploration into whether Mars s atmosphere might once have supported life to tabloid tales of UFO sightings and alien abductions the question of whether life exists on other planets is a fascinating one Contributors to this volume examine both sides of the issue as they explore the scientific evidence first person accounts and conspiracy theories dealing with the existence of extraterrestrial life **The Government UFO Files** Kevin D Randle,2014-04-21 Secrets and Suppressed Evidence Hidden plots cover ups and misleading statements Coincidences or Lies Sifting through hundreds of historical and government documents interviewing multitudes of participants and tracking countless leads a former army officer trained as an intelligence officer presents a case for government incompetence and potentially malfeasance Shining a harsh light on the government and its secrets The Government UFO Files The Conspiracy of Cover Up investigates what the government knows about encounters with UFOs alien life and mysterious activities The government has long collected information and assembled files on unidentified objects extraterrestrial encounters and strange convergences in the skies but with new government secrets constantly being revealed including finally admitting the existence of Area 51 is it too much to believe that it is hiding important information on close encounters UFOs and alien life Combing FBI FAA and other government files this revealing book thoroughly examined nearly 100 sightings and other occurrences including Alien abductions and encounters Foo Fighters Silver Disks Ghost Rockets and Fireballs The SETI search for extraterrestrial life And much much more The Government UFO Files sorts through the information sources and it lets you decide whether the government is being deliberately misleading or whether the conspiracy theories have gotten out of control
