Dafu about half of his extant oeuvre They are representative of the poet's literary merit and highly biographical of his life covering his birth family education social hangouts love traveling and marriages Predominately juejiu quatrains and lushi full length regulated verse those lyrical poems are thought to be the finest among the writings of modern Chinese classical poetry This translation tries to retain a Chinese rhythmic structure as much as possible rhyming where the source poem rhymes The reader may feel at first deprived of the comfort of English poetics Yet once he overcomes this initial uneasiness he will soon comprehend the Chinese tonal pattern which becomes more pleasing with reading as the rhyming grows more frequent and consistent
