Life at Home in the Twenty-First Century Jeanne E. Arnold, Anthony P. Graesch, Elinor Ochs, Enzo Ragazzini, 2012-12-31 Winner of the 2014 John Collier Jr Award Winner of the Jo Anne Stolaroff Cotsen Prize Life at Home in the Twenty First Century cross cuts the ranks of important books on social history consumerism contemporary culture the meaning of material culture domestic architecture and household ethnoarchaeology It is a distant cousin of Material World and Hungry Planet in content and style but represents a blend of rigorous science and photography that these books can claim Using archaeological approaches to human material culture this volume offers unprecedented access to the middle class American home through the kaleidoscopic lens of no limits photography and many kinds of never before acquired data about how people actually live their lives at home Based on a rigorous nine year project at UCLA this book has appeal not only to scientists but also to all people who share intense curiosity about what goes on at home in their neighborhoods Many who read the book will see their own lives mirrored in these pages and can reflect on how other people cope with their mountains of possessions and other daily challenges Readers abroad will be equally fascinated by the contrasts between their own kinds of materialism and the typical American experience The book will interest a range of designers builders and architects as well as scholars and students who research various facets of U S and global consumerism cultural history and economic history

The Pursuit of Human Well-Being Richard J. Estes, M. Joseph Sirgy, 2017-01-09 This handbook informs the reader about how much progress we the human race have made in enhancing the quality of life on this planet Many skeptics focus on how the quality of life has deteriorated over the course of human history particularly given World War II and its aftermath This handbook provides a positive perspective on the history of well being Quality of life as documented by scientists worldwide has significantly improved Nevertheless one sees more improvements in well being in some regions of the world than in others Why This handbook documents the progress of well being in the various world regions as well as the differences in those regions The broad questions that the handbook addresses include What does well being mean How do different philosophical and religious traditions interpret the concept of well being within their own context Has well being remained the same over different historical epochs and for different regions and subregions of the world In which areas of human development have we been most successful in advancing individual and collective well being In which sectors has the attainment of well being proven most difficult How does well being differ within and between different populations groups that for a variety of socially created reasons have been the most disadvantaged e g children the aged women the poor racial ethnic and sexual minorities

Explanations Empowering Public Wisdom Tom Atlee,2012-08-07 Lifelong activist Tom Atlee proposes innovative ways to distill the wisdom of ordinary people in order to better guide public policy In Empowering Public Wisdom Atlee recognizes currently popular forms of progressive democracy advocates such as citizen participation and voter education but suggests that what is really needed is a re thinking of the very concept of democracy Atlee advocates the use of public wisdom a collective intelligence that can be drawn upon to guide public policy and action Reaching beyond partisan politics Atlee explores how a diversity of views can be engaged around public issues in ways that generate a coherent shared voice of the people that takes most or all of the population s perspectives and needs into account Atlee s core approach is through citizen deliberative councils in which a small group of people randomly selected creates a mini public or a microcosm of the larger population Citizen councils engage in the study of a public issue and make recommendations to public officials and the community but disband afterward when a new issue arises a new council is formed Ultimately Atlee aims even higher suggesting a possible fourth branch of government to better balance our current democratic system Combining a radical vision with practical solutions Empowering Public Wisdom provides a unique and refreshing voice in the political arena Empowering Public Wisdom is part of the EVOLVER EDITIONS Manifesto Series **Confederate Cities** Andrew L. Slap, Frank Towers,2015-12-01 When we talk about the Civil War we often describe it in terms of battles that took place in small towns or in the countryside Antietam Gettysburg Bull Run and most tellingly the Battle of the Wilderness One reason this picture has persisted is that few urban historians have studied the war even though cities hosted enabled and shaped Southern society as much as they did in the North Confederate Cities edited by Andrew L Slap and Frank Towers shifts the focus from the agrarian economy that undergirded the South to the cities that served as its political and administrative hubs The contributors use the lens of the city to examine now familiar Civil War era themes including the scope of the war secession gender emancipation and war s destruction This more integrative approach dramatically revises our understanding of slavery s relationship to capitalist economics and cultural modernity By enabling a more holistic reading of the South the book speaks to contemporary Civil War scholars and students alike not least in providing fresh perspectives on a well studied war Statistics of Income ,1962 **Supplemental Statistics of Income, 1969: Personal Wealth Estimated from Estate Tax Returns** United States.
