Taking Shergar Milton C. Toby, 2018-10-19 It was a cold and foggy February night in 1983 when a group of armed

thieves crept onto Ballymany Stud near The Curragh in County Kildare Ireland to steal Shergar one of the Thoroughbred industry's most renowned stallions Bred and raced by the Aga Khan IV and trained in England by Sir Michael Stoute Shergar achieved international prominence in 1981 when he won the 202nd Epsom Derby by ten lengths the longest winning margin in the race's history The thieves demanded a hefty ransom for the safe return of one of the most valuable Thoroughbreds in the world but the ransom was never paid and Shergar's remains have never been found In Taking Shergar Thoroughbred Racing's Most Famous Cold Case Milton C Toby presents an engaging narrative that is as thrilling as any mystery novel The book provides new analysis of the body of evidence related to the stallion's disappearance delves into the conspiracy theories that surround the inconclusive investigation and presents a profile of the man who might be the last person able to help solve part of the mystery Toby examines the extensive cast of suspects and their alleged motives including the Irish Republican Army and their need for new weapons a French bloodstock agent who died in Central Kentucky and even the Libyan dictator Muammar al Qadhafi This riveting account of the most notorious unsolved crime in the history of horse racing will captivate serious racing fans and aficionados as well as entertain a new generation of horse racing enthusiasts **Eco-Warriors,**

Nihilistic Terrorists, and the Environment Lawrence E. Likar, 2011-04-07 The first book to thoroughly address the topic this volume examines the ideologies tactics and goals of environmental terrorists and offers a security planning methodology to defend against their attacks To counter eco terrorism we must understand why it occurs Eco Warriors Nihilistic Terrorists and the Environment is a comprehensive examination of the vulnerability of the natural environment of its nexus with the strategic goals of terrorists and of a security planning methodology that can prevent or ameliorate environmentally linked attacks The first book to comprehensively address the prevention of environmentally focused terrorism this work looks at the environment and the private and government facilities that impact it as assets to be protected Focusing on the capability of lone wolf terrorists and small self radicalizing cells to commit effective violent acts security expert Lawrence E Likar furnishes personality and operational profiles of both nihilistic and eco warrior terrorists showcasing an essential component of the behavioral science based security planning methodology he promotes Most critically the book addresses the gap in current security planning methodology and literature and it reveals novel intelligence gathering techniques operational procedures and countermeasures designed to defend against attacks [Encyclopedia of Murder and Violent Crime](#) Eric

and deterrence of one of society's gravest problems. Although there is no easy or single answer to the question of why people kill or commit violent crimes, this important new reference work provides a wealth of information to create a background for cogent analysis. Written for a wide audience, *The Encyclopedia of Murder and Violent Crime* is intended for a wide audience including school, public and university libraries. It will also prove invaluable to those who report violent crime: unfolding stories such as mass media, news outlets, television and radio stations, editorial offices of magazines and newspapers. Criminal justice professionals will also find it valuable and fascinating. A balance of academic research and true crime material they can relate to in their own experience.

Edited by the world's leading authority on multiple homicide offenders, Eric W. Hickey, Ph.D., enjoys a worldwide reputation for his work with serial killers, sex crimes, workplace violence, stalking and the Unabomber case. A professor of criminal psychology at California State University, Fresno, and adjunct professor for Fresno City College and the California School of Professional Psychology, Dr. Hickey has published and lectured extensively on the etiology of violence and serial crime. His book *Serial Murderers and Their Victims*, 2nd Edition, is used as a primary text in colleges and universities and by law enforcement in the study of the nature of violence, criminal personalities and victim/offender relationships. Hickey's research is widely quoted and often is the subject of interviews in the media, including National Public Radio, BBC, The Discovery and Learning Channels, Larry King Live, 20/20 and Court TV. He recently developed a cyberstalking training course for the National District Attorney's Association and the American Prosecutor's Research Institute. His latest research, a study of 220 victims of stalking, examines the psychology and classification of stalkers, victim/offender relationships, intervention and deterrence strategies for potential offenders and modes of victim assistance.

Contributions From Over 100 Experts in the Field *The Encyclopedia of Murder and Violent Crime* contains 200 entries covering long documented classifications such as Serial Killers and Organized Crime to cutting edge topics of Cyber Stalking, Kids Who Kill and Terrorism. Leading educators, psychologists, sociologists, anthropologists and criminal justice professionals share their experience and insights on everything from Aggression and Antisocial Personality Disorder to the infamous Zodiac Murders.

A Unique Compilation *The Encyclopedia of Murder and Violent Crime* explores the topic in great detail, looking at a multitude of issues from all angles: academic and professional research, theoretical background and actual case studies. This combined approach provides a well-rounded overview with both theory and its historical evidence.
