Ransom At Sea:

Ransom at Sea Fred Hunter, 2005 **Ransom at Sea** Fred Hunter, 2025-08-22 With a relaxing few days in mind Miss Emily Charters signs up for a four day seniors cruise of the Great Lakes organized by her church In the company of her friend and housekeeper Lynn Francis Charters and the other seniors set sail from Chicago but while the waters on the lake are calm and predictable her fellow passengers are not However a little tension is the least of the problems when one of her fellow passengers is found horribly murdered in her cabin While the police investigate the ship remains at port leaving Emily stranded until her friend Chicago Police Detective Jeremy Ransom comes to her rescue Together they set out to solve a most perplexing puzzle of a murder committed without seeming opportunity or plausible reason not mention right under Emily s nose in Fred Hunter s *Ransom at Sea*

Captured at Sea Jatin Dua, 2019-12-10 How is it possible for six men to take a Liberian flagged oil tanker hostage and negotiate a huge pay out for the return of its crew and 2 2 million barrels of crude oil In his gripping new book Jatin Dua answers this question by exploring the unprecedented upsurge in maritime piracy off the coast of Somalia in the twenty first century Taking the reader inside pirate communities in Somalia onboard multinational container ships and within insurance offices in London Dua connects modern day pirates to longer histories of trade and disputes over protection In our increasingly technological world maritime piracy represents not only an interruption but an attempt to insert oneself within the world of oceanic trade *Captured at Sea* moves beyond the binaries of legal and illegal to illustrate how the seas continue to be key sites of global regulation connectivity and commerce today

Unforgotten in the Gulf of Tonkin Eileen A. Bjorkman, 2020-09 On November 18 1965 U S Navy pilot Willie Sharp ejected from his F 8 fighter after being hit while positioned over a target in North Vietnam With a cloud layer beneath him he did not know if he was over land where he would most certainly be captured or killed by the North Vietnamese or over the Gulf of Tonkin As he ejected both navy and air force aircraft were already heading toward him to help What followed was a dramatic rescue made by pilots and other airmen with little or no training or experience in combat search and rescue Told by former military flight test engineer Eileen A Bjorkman this story includes nail biting descriptions of air combat flight and rescue Bjorkman places Sharp s story in the larger context of the U S military s bedrock credo No Man Left Behind and calls attention to the more than eighty thousand Americans still missing from conflicts since World War I She also explores the devastating aftershocks of the Vietnam War as Sharp struggled with post traumatic stress disorder Woven into this gripping tale is the fascinating history of combat search and rescue missions that officially began in World War II Combining the cockiness and camaraderie of Top Gun with the heroics of Sully *Unforgotten in the Gulf of Tonkin* is a riveting tale of combat rescue and an unforgettable story about the U S military s commitment to leave no man behind

new perspectives on the importance of the sea to the Scots and of the Scots to the naval history of Great Britain The Captive Sea Daniel Hershenzon,2018-08-01 In The Captive Sea Daniel Hershenzon explores the entangled histories of Muslim and Christian captives and by extension of the Spanish Empire Ottoman Algiers and Morocco in the seventeenth century to argue that piracy captivity and redemption helped shape the Mediterranean as an integrated region at the social political and economic levels Despite their confessional differences the lives of captives and captors alike were connected in a political economy of ransom and communication networks shaped by Spanish Ottoman and Moroccan rulers ecclesiastic institutions Jewish Muslim and Christian intermediaries and the captives themselves as well as their kin Hershenzon offers both a comprehensive analysis of competing projects for maritime dominance and a granular investigation of how individual lives were tragically upended by these agendas He takes a close look at the tightly connected and ultimately failed attempts to ransom an Algerian Muslim girl sold into slavery in Livorno in 1608 the son of a Spanish marquis enslaved by pirates in Algiers and brought to Istanbul where he converted to Islam three Spanish Trinitarian friars detained in Algiers on the brink of their departure for Spain in the company of Christians they had redeemed and a high ranking Ottoman official from Alexandria captured in 1613 by the Sicilian squadron of Spain Examining the circulation of bodies currency and information in the contested Mediterranean Hershenzon concludes that the practice of ransoming captives a procedure meant to separate Christians from Muslims had the unintended consequence of tightly binding Iberia to the Maghrib Billionaire at Sea (Book 2) K.L.
