Ransomes Debt:

Freedom's Ransom Prafulla Roy, John W. Hood, 2008-05-01 In rural India two worlds co exist in extreme contrast to one another There is the world of the big landowners extraordinarily wealthy and hungry for power and there is the world of the underclass mostly untouchable landless labourers toiling for a mere pittance and living in virtual thralldom Prafulla Roy's contemporary masterpiece translated here as Freedom's Ransom encompasses these two worlds as he develops the intertwining story of a rich landholder's quest for political power and the touching tale of a young dalit couple and their dream of freedom from years of bonded labour With remarkable candour and sensitivity Prafulla Roy depicts the world of the rural underclass in what is a richly detailed social document a critique of contemporary India and as in all his works a powerful story

A Ransom for Israel Nicholas J. Schaser, 2025-05-09 In this study of the Gospel of Matthew Nicholas J Schaser proposes that Matthew intended to narrate the corporate salvation of ethnic Israel rather than its replacement by an ethnically diverse Christian church Instead of presenting Jesus as a new Israel to replace the old Matthew highlights Jesus's salvific value in exchange for the nation of Israel when he dies as a ransom for their sins This book presents one of the most comprehensive challenges to the prevalent interpretation that Matthew locates Israel in an ongoing exile from which Jesus offers redemption only if they follow him Rather the gospel when read alongside Israel's Scriptures presents Israel at risk of an eschatological exile from God's kingdom and Jesus removes his people's exile inducing sins by being cast out in their place Schaser's compelling reading has the potential to open new dialogue between Jews and Christians

The Gospel of Mark's Judaism and the Death of Christ as Ransom for Many John Van Maaren, 2025-02-14 Until recently there has been a near consensus that the Gospel of Mark is an expression of a Gentile post Jewish form of Christ adherence This book challenges the notion of Gentile Mark by developing the first narrative wide reading of the Gospel as an expression of first century Judaism It consolidates insights from scattered studies and proposes new interpretations of specific texts and broader themes It aims to lay the foundation for resituating the earliest extant account of Jesus within the history of early Christ followers and first century Judaism re-examining the place of the law the nations the death of Jesus and the expected kingdom of God

Dancing with God Karen Baker-Fletcher, 2006-12-01 *Dancing With God* is an exploration of the divine gifts of courage and grace in the face of evil Moreover it is a doctrine of God as the source of that courage Baker Fletcher presents an understanding of the work of the Trinity with regard to the problem of crucifixion a metaphor she uses for unnecessary

violence She develops a process of relational womanist theology that considers the empathetic omnipresence of God in the midst of unnecessary suffering and the healing power of God in movement of the Holy Spirit She engages the contributions of a diversity of theologians like Paul Tillich Karl Barth Gordon Kaufman John Cobb Jr Majorie Suchocki Charles Hartshorne Andrew Sung Park and Katie Cannon in her discussion of the dance of the Trinity in creation and the problem of sin evil and suffering Through creative works like that of Alice Walker s *The Color Purple* and journalist Joyce King s account of the James Byrd Jr murder in Jasper County Texas Baker Fletcher reveals the healing encouraging power of the Holy Spirit in the lives of survivors of unnecessary violence **Ransom & Randolph Co. v. Kentucky Opinions Kentucky. Court of Appeals,1914 *Satan Exposed* William P. Payne,2019-07-16 Spiritual warfare is not a church fad Rather it is the rediscovery of biblical Christianity Furthermore one will not grasp what the Bible teaches until one comprehends what it affirms about spiritual warfare In truth spiritual warfare permeates the entire Bible When one learns to read the Scriptures through the lens of spiritual warfare one will discern the mission of God understand the kingdom of God and be able to participate in the work of God As a professional theologian seminary professor and spiritual warfare practitioner Bill Payne believes that the church will not make disciples of all nations Matthew 28 18 20 until it operationalizes what the Bible teaches about spiritual warfare As it orients the reader to the spiritual warfare mandate *Satan Exposed* tackles the difficult passages of Scripture In short this book will change how you read the Bible how you understand reality and how you do ministry *Orthodoxy: Its Truths and Errors* James Freeman Clarke,2018-09-20 Reproduction of the original *Orthodoxy Its Truths and Errors* by James Freeman Clarke *Ransom Slavery Along the Ottoman Borders* Géza Dávid,Pál Fodor,2007 The volume is an ambitious attempt to give a comprehensive picture of trade in captives along the European borders of the Ottoman Empire especially in Central Europe It brings together a great deal of so far unpublished archival material and thus integrates a new area into the research *The Rise of Ransom City* Felix Gilman,2012-11-27 This is the story of Harry Ransom If you know his name it s most likely as the inventor of the Ransom Process a stroke of genius that changed the world Or you may have read about how he lost the battle of Jasper City or won it depending on where you stand in matters of politics Friends called him Hal or Harry or by one of a half dozen aliases of which he had more than any honest man should He often went by Professor Harry Ransom and though he never had anything you might call a formal education he definitely earned it If you re reading this in the future Ransom City must be a great and glittering metropolis by now with a big bronze statue of Harry Ransom in a park somewhere You might be standing on its sidewalk and not wonder in the least of how it grew to its current glory Well here is its story full of adventure and intrigue And it all starts with the day that old Harry Ransom crossed paths with Liv Alverhyusen and John Creedmoor two fugitives running from the Line amidst a war with no end **The Meaning of Jesus' Death** Barry D. Smith,2016-12-01 Barry D Smith studies the salvation historical meaning of Jesus death commonly known as the atonement in the New Testament Smith works his way through the four

theories of the doctrine of the atonement that have emerged in the history of Christian theology moral influence governmental satisfaction and Christus victor theories Smith works from the premise that for a theory of the atonement to be successful no biblical data may be omitted or distorted and the generalized concepts used to comprehend the biblical data must be easily seen as implicit in the data From this vantage point Smith advances a formulation of the atonement that is best supported by the biblical text itself The conclusion Smith reaches is that the biblical data supports both the penal substitutionary version of the satisfaction theory and the Christus victor theory of the atonement each of which should be viewed as two parts of a more inclusive theory of atonement present in the New Testament
