Rape Defense A Non Confrontational Appro:

Rape Defense Robert O. Wright, 1999-11 **A New Approach to the History of Violence** Francisca Loetz, 2015-06-02

Up to now historical research has treated violence mainly with reference to war murder or massacre Francisca Loetz argues for a new complementary approach to history of violence as an interpersonal form of social action experienced as unacceptable behavior and aiming to subjugate the victim in everyday life Analyzing cases of what the sources call sexual assault and sexual abuse in the city state of Zurich between 1500 and 1850 Loetz discusses fundamental methodological problems such as how can violence be defined as a concept What makes violence what it is in a given society Why is early modern sexual assault and sexual abuse not equivalent to modern rape and abuse How does Zurich compare with pre modern Europe

Handbook of Injury and Violence Prevention Lynda Doll, E. N. Haas, Sandra Bonzo, David Sleet, James Mercy, 2007-03-20

Injuries kill and maim millions each year and seriously impact the lives of countless loved ones Yet until recently they have been considered a random normal part of life Preventing injuries on the other hand requires not only effective communication with the public but also a reliable framework for creating and evaluating suitable interventions The Handbook of Injury and Violence Prevention is the first book to address both halves of this challenge reviewing evidence based intervention programs in depth so professionals can identify successful promising and ineffective and potentially harmful prevention strategies Over fifty experts present the current landscape of intervention methods from risk reduction to rethinking social norms as they address some of the most prevalent forms of accidental and violent injury as well as emerging areas Overview chapters examine the social and economic scope of unintentional and violent injury today Extensive literature review of specific intervention programs to prevent violence and injury Special chapters on childhood injuries alcohol related accidents and disasters Interventions in the Field section offers solid guidelines for implementing and improving existing programs Critical analysis of issues involved in delivering programs to wider audiences Helpful appendices list relevant agencies and professional resources This dual focus on intervention and application makes the Handbook a bedrock text for professionals involved in delivering or managing prevention programs Its what works now approach gives it particular utility in the graduate classroom and researchers will benefit from the critical attention paid to knowledge gaps in the field It is a major resource for any reader committed to reducing the number of incidents just waiting to happen
