Rasputin Edvard Radzinsky, 2000 Sensational new biography using the discovery of long lost contemporary documents of the Russian peasant mystic whose malign influence helped lead to the downfall of the Romanovs An unprecedented insight into the most enigmatic of men thanks to the use of previously unavailable sources and interviews *Rasputin* Ėdvard Radzinskiĭ, 2000 A major new work on one of the 20th Century's most charismatic figures by an author with great charisma of his own

The Rasputin File Edvard Radzinsky, 2001-12-04 From the bestselling author of *Stalin* and *The Last Tsar* comes *The Rasputin File* a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin's inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant

To Kill Rasputin Andrew Cook, 2011-10-21 The murder of Rasputin on the night of 17 December 1916 has always seemed extraordinary first he was poisoned then shot and finally drowned in a frozen river by Russian aristocrats fearful of his influence on Tsar Nicholas II and Tsarina Alexandra

"Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why

the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow

Alix and Nicky Virginia Rounding, 2012-01-17 The dramatic story of Emperor Nicholas II and his wife Alexandra Fyodorovna the last Tsar and Tsarina of Russia A penetrating and deeply personal study that gives profound psychological insight into their marriage and how it shaped the events that engulfed them There are few characters in history about whom opinion has been more divided than the last Tsar of Russia Nicholas II and his wife the Empress Alexandra Fyodorovna On one hand they are venerated as saints innocent victims of Bolshevik assassins and on the other they are impugned as the unwitting harbingers of revolution and imperial collapse blamed for all the ills that befell the Russian people in the 20th century Theirs was also a tragic love story for whatever else can be said of them there can be no doubt that Alix and Nicky adored one another Soon after their engagement Alix wrote in her fiancé's diary Ever true and ever loving faithful pure and strong as death words which met their fulfillment twenty four years later in a blood spattered cellar in Ekaterinburg Through the letters and diaries written by the couple and by those around them Virginia Rounding presents an intimate penetrating and fresh portrayal of these two complex figures and of their passion their love and their suffering She explores the nature and possible causes of the Empress's ill health and examines in depth the enigmatic triangular relationship between Nicky Alix and their favourite Ania Vyubova protégée of the infamous Rasputin extracting the meaning from words left unsaid from hints and innuendoes The story of Alix and Nicky of their four daughters

known collectively as OTMA and of their hemophiliac little boy Alexei is endlessly fascinating and Rounding makes these characters come alive presenting them in all their human dimensions and expertly leading the reader into their vanished world

The Bolsheviks Volume II John D. Loscher, 2009-09-28 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge d'Affaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenin's stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his country's self-serving objectives But as the husband to Sonjya Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge d'affaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by America's inept luxury loving ambassadors William is a witness to the final overthrow of Russia's imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russia's future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russia's exploited peasant population any better off than they were before

Realm of the Black Mountain Elizabeth Roberts, 2024-10-24 Montenegro was admitted to the UN as its 192nd member in June 2006 thus recovering the independence it had lost nearly ninety years earlier at the Versailles Peace Conference This is the first full length history of the country in English for a century tracing the history of the tiny Balkan state from its earliest roots in the medieval empire of Zeta through its consistently ambiguous and frequently problematic relationship with its larger neighbour Serbia the emergence of a priest warrior ruler in the shape of the Vladika and its emergence from Ottoman suzerainty at the Congress of Berlin In more recent history the book focuses on Montenegro's troubled twentieth century its prominent role in the Balkan wars its unique deletion from world maps as an independent state

despite being on the winning side in the Great War its ignominious role in the wars leading to the disintegration of Yugoslavia and its final reemergence as a member of the international community on the anniversary of the Battle of Kosovo in 2006 Since independence Montenegro has grappled with the question of Euro Atlantic integration including membership of NATO achieved and the EU applicant Even as it has fought to define its identity it has gone from being one of the poorest nations in the Western Balkans to having the highest per capita income of the region It successfully navigated democratic transition in 2020

Subtly Worded and Other Stories Teffi, 2021-06-01 A selection of the finest stories by this female Chekhov now available in a striking new Pushkin Blues format Teffi's genius with the short form made her a literary star in pre revolutionary Russia beloved by Tsar Nicholas II and Vladimir Lenin alike These stories taken from the whole of her career show the full range of her gifts Extremely funny a wry scathing observer of society she is also capable as capable even as Chekhov of miraculous subtlety and depth of character There are stories here from her own life as a child going to meet Tolstoy to plead for the life of War and Peace's Prince Bolkonsky or much later her strange charged meetings with the already legendary Rasputin There are stories of migr society its members held together by mutual repulsion There are stories of people misunderstanding each other or misrepresenting themselves And throughout there is a sly sardonic wit and a deep compelling intelligence
