

A person is seen from above, swimming underwater. A bright light source, possibly the sun, is positioned directly above the swimmer, creating a strong, circular beam of light that illuminates the water and the swimmer. The water is a deep blue color. The text "REMEMBER GOD" is overlaid on the image.

Remembering The God To Come:

Day by Day with Jesus: Remembering Christ's true promises and realizing God's presence James Abdelmalek,2022-08-01 In our daily lives we run into multiple emotions We may run into troubles yet we can find peace We may face hardships yet we can find prosperity We may find suffering yet we can find comfort We may get angry yet we can find calmness We may get desperate yet we can find hope We may hate others yet we can find love We may judge others yet we can find forgiveness We may hurt others yet we can be a help We may stumble others yet we can be an inspiration We may curse yet we can bless We may gossip yet we can pray It is simply a choice between living as the world and living through Jesus Jesus is always present as He promised God is always near as He assured us We run into sorrow because we forget God s true promises We are sad in our life because we forget Christ s guidance If we look at God s words and contemplate about how much He cares for us and how much He loves us We will be able to handle any situation at any time by any means through Christ our Lord

Leon Abbott,2018-10-19 In the writing of this awesome undertaking Dr Leon Abbott takes us behind the dark curtain of God's creation We are invited into the deeper waters of God where babes desire to go At the same time the author believes that in

these times of human existence babes must be taught how to swim in the deeper waters of God's revelation and knowledge On nothing God stood and from within himself creation was birthed every time he spoke the phrase Let it be When he said Let there be light light appeared And God said Let there be a firmament in the midst of the waters And God said Let the waters under the heavens be gathered together unto one place and let the dry land appear and it was so And God said Let the earth bring forth grass herb yielding seeds and the fruit yielding trees after his kind whose seed is in itself upon the earth and it was so And God the Creator said It was good After man had become a sinner man still had some good in him because of God's DNA within him Man was still good enough for God to give heaven best Jesus for man's redemption For we are his workmanship created in Christ Jesus unto good works which God hath before ordained that we should walk in them Ephesians 2:10 KJV The phrase Let there be continued until he reached the crown of his creation man It is here that God the Creator reaches down and forms man out of the dust of the ground which he had carried within himself in the spiritual realm He reaches down again and touch man by breathing into man's nostrils the breath of life and man became a living soul It wasn't long after this that God placed the man he birthed in the Garden of Eden to dress it and to keep it He commanded the man saying Of every tree of the garden thou mayest freely eat But of the tree of the knowledge of good and evil thou shalt not eat of it for in the day that thou eatest thereof thou shalt surely die Genesis 2:16-17 KJV Tell a child or someone what they can't do and often time they will do what they been instructed not to do In this writing the author discusses even the Divine Assignment of Death and how Death came alive from the dead Death couldn't give life to death who gave life to the cold hands of death The author gives us a clear answer as to why man needs Jesus In the giving of his Divine Assignment God takes man from the ordinary to the extraordinary Moses was just an ordinary sheep animal watcher until God gave him his Divine Assignment We too like Moses are just merely existing until we begin carrying out our Divine Assignment in love for God and mankind Your Divine Assignment will not only bless you but it has been ordained by God to be a blessing to others as well We continue to be blessed by the trees as they give off oxygen and the sun that gives us light and heat as they continue to carry out their God given Divine Assignment Why couldn't the fallen angels be redeemed by God when they failed in carrying out their Divine Assignment The answer to this question and more is within this work of Dr Leon Abbott
