asking what's new about new literacies and goes on to explore some technological innovations designed to support the emergent reader and writer. It considers verbal literacy (speaking and listening) and visual literacy. Readers are encouraged to think through the issues surrounding inclusion and the legal and ethical issues raised by this post-typographic age. Throughout, practical guidance runs alongside structured critical thinking exercises to help the reader reflect on both theory and practice. About the Thinking Through Education Series: Thinking Through Education is a series of texts designed and written specifically for those education students entering the second or final phase of their degree course. Structured around sets of specific skills, each chapter uses critical thinking and reflective exercises to develop greater subject knowledge and critical awareness. Each book contains links to the Teachers' Standards, providing students with a clear transition from study to practice. Mademoiselle, 1994-07 **The Routledge Companion to Remix Studies** Eduardo Navas, Owen Gallagher, xtime burrough, 2014-11-27 The Routledge Companion to Remix Studies comprises contemporary texts by key authors and artists who are active in the emerging field of remix studies. As an organic international movement, remix culture originated in the popular music culture of the 1970s and has since grown into a rich cultural activity encompassing numerous forms of media. The act of recombining pre-existing material brings up pressing questions of authenticity, reception, authorship, copyright, and the techno-politics of media activism. This book approaches remix studies from various angles, including sections on history, aesthetics, ethics, politics, and practice, and presents theoretical chapters alongside case studies of remix projects. The Routledge Companion to Remix Studies is a valuable resource for both researchers and remix practitioners as well as a teaching tool for instructors using remix practices in the classroom. *The Encyclopedia of Record Producers* Eric Olsen, Paul Verna, Carlo Wolff, 1999 Hundreds of producers of pop music are listed in this resource featuring profiles and interviews by writers and editors of Billboard magazine, the most informed voices in the music business.
